CORPORATE GOVERNANCE

Governance Policies, Code of Ethics and Committee Charters

The Board regularly evaluates the Company's corporate governance policies and benchmarks those policies against the rules and regulations of governmental authorities, the best practices of other public companies and suggestions received from various authorities. The Board has adopted the Company's Guidelines on Corporate Governance, as amended. The Company's Guidelines on Corporate Governance require that a majority of the Directors be independent within the meaning of New York Stock Exchange ("NYSE") standards. The Company's common stock ("Common Stock") is listed on the NYSE under the ticker symbol "ELS." The Company has also adopted a Business Ethics and Conduct Policy, which applies to all Directors, officers and employees of the Company. We will disclose on our website any amendment to, or waiver of, any provision of the Business Ethics and Conduct Policy applicable to our Directors and executive officers ("Executive Officers" or "NEOs") that would otherwise be required to be disclosed under the rules of the Securities and Exchange Commission ("SEC") or NYSE.

Our Guidelines on Corporate Governance include a Director resignation policy, whereby an incumbent Director who fails to receive a majority of the votes cast in an uncontested election is expected to submit his or her resignation. If an incumbent Director fails to receive such a majority vote and tenders his or her resignation, the Board's Compensation, Nominating and Corporate Governance Committee (the "Compensation Committee") will make a recommendation to the Board as to whether to accept or reject the tendered resignation, or whether other action is recommended, taking into account any information that it considers appropriate and relevant, including the circumstances that led to the failure to receive the vote, if known. The Board will act on the tendered resignation within ninety (90) days following certification of the stockholder vote and will promptly disclose its decision and rationale as to whether to accept the resignation (or the reasons for rejecting the resignation, if applicable) in a press release, filing with the SEC or other public announcement. On an annual basis, a Board evaluation process is completed whereby the Board's Lead Director (the "Lead Director"), Philip Calian, conducts interviews independently with each Director. The evaluation process includes an assessment of the performance of the Board and each Board committee as a whole, and individual Directors, with a focus on areas such as independence and objectivity, attendance, participation and input, knowledge and expertise, insightfulness and forethought, preparation and commitment to improvement. The Lead Director discusses the results of these evaluations with the Directors individually as necessitated and with the Board and each Board committee as a whole. Our Guidelines on Corporate Governance also provide that the Compensation Committee will have oversight with respect to executive officer succession planning and management development plans.

The Guidelines on Corporate Governance, the Business Ethics and Conduct Policy, the charters of the Board's Audit Committee (the "Audit Committee") and Compensation Committee, our Political Contributions Policy and our Environmental, Social and Governance Policy are each available on our website at www.equitylifestyleproperties.com, and copies may be obtained free of charge by sending a written request to Equity LifeStyle Properties, Inc., Attn: Investor Relations, Two North Riverside Plaza, Suite 800, Chicago, Illinois 60606, or by emailing our Company's Investor Relations Department at investor_relations@equitylifestyle.com.

Stockholders' Ability to Amend Bylaws

The Board and management regularly review the Company's governance profile and market developments, investor perspectives and proxy advisory firm guidelines. Following a thorough review, effective February 28, 2020, the Board amended our Bylaws to remove the requirement that only stockholders who meet certain ownership thresholds are permitted to submit a proposal to amend the Bylaws. As amended, Article XIV now permits any stockholder to amend our Bylaws by the affirmative vote of the holders of a majority of our outstanding shares of Common Stock pursuant to a binding proposal submitted for approval in accordance with our Bylaws at a duly called annual meeting or special meeting of stockholders. A stockholder proposal submitted under the amended Article XIV may not alter or repeal Article XIV of the Bylaws, which addresses procedures for amendment of the Bylaws, without the approval of the Board.

Environmental, Social and Governance Stewardship

The Company increasingly sees the value of continuing to focus on sustainable practices and we are committed to incorporating environmental, social, and governance ("ESG") considerations into our business. In 2019, the Company formed the Environmental, Social and Governance Taskforce ("ESG Taskforce") to support the Company's on-going commitment to environmental, social, governance and other public policy matters relevant to the Company (collectively "ESG Matters"). The ESG Taskforce assists management of the Company and the Board in:

- Setting general strategy and objectives relating to ESG Matters;
- Developing, implementing and monitoring initiatives and policies based on that strategy;
- Overseeing communications with employees, investors and stakeholders with respect to ESG Matters; and
- Monitoring and assessing risks and opportunities relating to, and improving the Company's understanding of ESG Matters.

In 2019, we adopted our Human Rights and Labor Rights Statement, which can be found on the Company's website.

Periodically throughout the year, the ESG Taskforce reports on ESG Matters to the Compensation Committee. In 2019, the charter of the Compensation Committee was amended to include the responsibility for review of the Company's ESG strategy, initiatives and policies, and to receive updates from the Company's ESG Taskforce responsible for significant ESG activities. In addition, the charter of the Audit Committee was amended in 2019 to include the responsibility for discussion and review of policies with respect to risk assessment and risk management, including, but not limited to, any human rights and environmental, social and governance risks relating to the Company.

Stockholder Communications with the Board

The Board's Lead Director is Mr. Calian who, as an independent Director, acts in the lead capacity to coordinate the other independent Directors, consults with our Chief Executive Officer on Board agendas, chairs the executive sessions of the non-management Directors and performs such other functions as the Board may direct. Any stockholder or other interested party who has a concern or inquiry regarding the conduct of the Company may communicate directly with the Lead Director, who will receive all such communications on behalf of the Board or the non-management Directors (as applicable). Communications may be confidential or anonymous, and may be submitted in writing to the Lead Director, c/o Corporate Secretary, Equity LifeStyle Properties, Inc., Two North Riverside Plaza, Suite 800, Chicago, Illinois 60606. All written communications will be received and processed by our Corporate Secretary, and all substantive communications will be referred to the Lead Director. All such communications will be reviewed and, if necessary, investigated and/or addressed by the Lead Director and the status of such communications will be reported to the Board or the non-management Directors (as applicable) on a quarterly basis. The Lead Director may direct special treatment, including the retention of outside advisors or counsel, for any such concern or inquiry.

The Board and our management value the perspectives of our stockholders. Accordingly, we maintain an active dialogue with our investors, which includes meetings with investors and regular participation in investor conferences. We are open to investor feedback, including with respect to corporate governance and executive compensation matters. Management periodically discusses feedback, including key themes and insights gained from our investor outreach at Board and Board Committee meetings, as appropriate. Additionally, the Compensation Committee takes into consideration the results of the annual advisory vote on the Company's executive compensation. At the 2019 annual meeting of stockholders, over 88% of all the votes cast approved the compensation program described in the Proxy Statement for the 2019 annual meeting of stockholders.

Although each Director is encouraged to attend each annual meeting of stockholders, the Board has no formal policy with respect to such attendance. Eight of the nine Directors in office as of the date of the 2019 annual meeting of stockholders attended that meeting.

Non-Management Directors' Executive Sessions

Executive sessions of the Company's non-management Directors are scheduled in connection with regularly scheduled meetings of the Board and are held without management present. Executive sessions may also be held at such other times as requested by the non-management Directors. The Lead Director presides at these executive sessions. During the year ended December 31, 2019, the non-management Directors held four executive sessions.

Many regular quarterly Board committee meetings include educational briefings from management regarding a wide variety of strategic initiatives. The Company also provides an orientation program for new Directors, which includes an overview of duties and our corporate governance policies, as well as one-on-one sessions with each member of executive management on the Company's strategy and industry.

Board Leadership Structure and Role in Risk Oversight

The Company has separated the positions of chairman of the board and chief executive officer since 1996. Samuel Zell currently serves as Chairman of the Board, and Marguerite Nader currently serves as our President and Chief Executive Officer ("CEO") and is a member of the Board. Mr. Zell has served as Chairman of the Board since March 1993 and is uniquely qualified

to serve in this capacity. Mr. Zell is an active investor in public and private companies around the world to which he provides strategic direction, he has more than 50 years of experience as a chairman, director and executive of various companies, has managed billions of dollars in global investments and has a strong track record of stewarding companies towards the maximization of their potential. Mr. Zell is recognized as a founder of the modern real estate investment trust industry and is a champion for increased transparency by public companies. As our Chairman, Mr. Zell presides over meetings of the Board, stewards the Company, regularly counsels executive management regarding strategy and provides executive management with a network of resources across the industry. Mr. Calian, an independent Director, serves as the Board's Lead Director as discussed above. The Board has determined that this leadership structure is appropriate as it allows the CEO to focus on our day-to-day business, while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. The Company faces a number of risks, including economic, environmental and regulatory risks, and others such as the impact of competition and weather conditions. The Company believes one way to manage risk is to maintain balance sheet flexibility and evaluate major capital items, including dividend policy, debt policy, acquisitions and dispositions, and equity and debt issuances, in light of the potential impact on financial flexibility. Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board has the responsibility to satisfy itself that the risk management processes designed by management are adequate and functioning as designed.

The Board believes that establishing the right "tone at the top" and full and open communications between management and the Board are essential for effective risk management and oversight. Our CEO meets quarterly with Board Committee chairpersons, updating them on a variety of matters, including risk management and related controls. Our Executive Officers attend each quarterly Board meeting and are available to address any questions or concerns raised by the Board on risk management-related and any other matters. At the quarterly Board meetings, the Board receives presentations from our Executive Officers on strategic matters involving the Company's operations.

While the Board is ultimately responsible for risk oversight at the Company, our four Board Committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls, compliance with legal and regulatory requirements; and, in accordance with NYSE requirements, discusses policies with respect to risk assessment and risk management, including, but not limited to, insurance coverage, interest rate risk management, cyber technology, human rights and environmental, social and governance risks. Our management regularly provides risk assessment reports to the Audit Committee, including reports relating to regulatory and cybersecurity matters. With respect to cybersecurity matters, the reports provided by management to the Audit Committee include cybersecurity risks facing the Company and the measures the Company is taking to mitigate such risks, as well as updates as to changes to the Company's cybersecurity risk profile or certain newly identified risks. The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs and risks associated with Board organization, membership and structure, succession planning, and corporate governance. The Executive Committee of the Board (the "Executive Committee") assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with the acquisition, disposition and financing of investments for the Company. The Strategic Planning Committee of the Board (the "Strategic Planning Committee") assists the Board in fulfilling its oversight responsibilities with respect to the management of risks related to Company strategy and potential strategic initiatives.

Securities Hedging Policy

The Company's hedging policy is included in the Company's Policy on Securities Trading and reads as follows: "Directors and officers (and any member of the director's or officer's family sharing the same household) are prohibited from engaging in short sales (including buying puts or selling calls) or any other hedging transactions with respect to any equity securities of the Company held by them, which includes the purchase of any financial instrument (including, but not limited to, prepaid variable forward contracts, equity swaps, collars, and exchange funds) designed to hedge or offset any decrease in the market value of such equity securities."

Securities Pledging Policy

Our Board has consistently and closely monitored pledging activity and has examined any potential risks associated with any such pledging by our Directors and Executive Officers. In March 2017, the Board adopted a Securities Pledging Policy with the elements set forth below, which in its business judgment provides appropriate protections of stockholder interests. All Directors and Executive Officers are currently in compliance with this policy.

- Pledging of our shares of Common Stock and OP Units by Directors and Executive Officers is not permitted without the prior approval of the Audit Committee.
- For shares of Common Stock held in brokerage accounts, margin loans using our shares of Common Stock as collateral are prohibited.
- When considering whether to permit a proposed pledge, the Audit Committee shall consider factors that it deems relevant, which may include, but are not limited to:
 - the number of shares of Common Stock or OP Units to be pledged and the aggregate market value of the position;
 - the percentage of the Company's outstanding shares of Common Stock, on an as-converted basis, represented by the equity to be pledged;
 - the value of the equity to be pledged as compared to the net worth of the individual and other factors bearing on the ability of the individual to prevent a forced sale of the pledged position;
 - the number of days required to unwind the proposed pledge;
 - the structural protections in the borrowing arrangement to guard against foreclosure on the pledged position, including whether there are other assets securing the loan; and
 - historical share prices and trends in trading volumes with respect to the Company's equity.
- For any new loan which includes a proposed pledge of our shares of Common Stock and/or OP Units to be considered by the Audit Committee, the loan must contain the following structural parameters intended to mitigate the risk of a forced sale as a result of a decline in the market price of our Common Stock and OP Units:
 - the loans must be compliant with the requirements of Federal Reserve Regulation U, limiting the amount of any such loan to a maximum 50% of the value of collateral, as measured at the time of borrowing; and
 - the loan and pledge arrangements may not contain provisions requiring automatic or forced sales, prior to notice and a cure period of not less than three business days between when specific loan-to-value thresholds are exceeded and when lenders have the right to exercise remedies under the pledge arrangement.

Committees of the Board; Meetings

During the year ended December 31, 2019, the Board held four meetings. Each of the Directors attended 75% or more of the total number of meetings of the Board and the committees on which he or she served. The members of the Board committees are elected by the Board each year at the Board meeting that is held after the annual meeting of stockholders.

The four standing committees of the Board are: Audit Committee, Compensation, Nominating and Corporate Governance Committee, Executive Committee, and Strategic Planning Committee. The Board has determined that each member of the Audit Committee and Compensation Committee is an "independent" Director within the meaning set forth in the NYSE listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee and Compensation Committee each are governed by a charter which generally states the purpose of the committee and outlines the committee's structure and responsibilities. Board Composition and Refreshment

Nominees for Director are selected by the Compensation Committee, which will consider nominees recommended by stockholders. If you wish to recommend a person whom you consider qualified to serve on the Board, you must give written notice to our Corporate Secretary in accordance with the requirements described in "Stockholder Proposals." This notice must contain: (i) as to each nominee, all information that would be required to be disclosed in a proxy statement with respect to the election of Directors pursuant to the Exchange Act, (ii) the name and address of the stockholder giving the notice, (iii) the number of shares of Common Stock owned beneficially and of record by such stockholder, and (iv) the written consent of each nominee to serve as a Director if so elected. The Compensation Committee will consider and evaluate persons recommended by stockholders

in the same manner as potential nominees identified by the Board and/or the Compensation Committee. For the upcoming Annual Meeting, the Compensation Committee did not receive any recommendations for nominees from stockholders.

The Compensation Committee identifies nominees for Director from various sources. In assessing potential Director nominees, the Compensation Committee considers the character, background and professional experience of candidates. All nominees should possess good judgment and an inquiring and independent mind. Familiarity with the issues affecting the Company is among the relevant criteria. All Director nominees must possess a reputation for the highest personal and professional ethics, integrity and values. The Compensation Committee will also carefully consider any potential conflicts of interest. Nominees must also be willing and able to devote sufficient time and effort to carrying out the duties and responsibilities of a Director effectively, and should be committed to serving on the Board for an extended period of time. The Compensation Committee considers diversity in identifying and evaluating Director nominees. The Compensation Committee strives to nominate Directors with a variety of complementary skills so that, if elected, the Board will contain the appropriate mix of diversity in background and experience to oversee the Company's business. Through referrals and recommendations from members of our Board and management, the Compensation Committee recommended appointing Andrew Berkenfield. The Board approved this recommendation and appointed Mr. Berkenfield to the Board, effective February 11, 2020.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

Independence of Directors

Pursuant to the Company's Guidelines on Corporate Governance, which require that a majority of our Directors be independent within the meaning of NYSE standards and do not include any additional categorical standards other than those required by the NYSE, the Board undertook a review of the independence of Directors nominated for reelection at the upcoming Annual Meeting. During this review, the Board considered transactions and relationships, if any, during the prior year between each Director or any member of his or her immediate family and the Company, including those reported under "Certain Relationships and Related Transactions" below. As provided in the Guidelines, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the Director is independent.

As a result of this review, the Board affirmatively determined that all the Directors nominated for election at the Annual Meeting are independent of the Company and its management with the exception of our Chairman, Mr. Zell, and our CEO, Marguerite Nader. The Board determined that none of the independent Directors has or had a material relationship with the Company other than being a Director and/or a stockholder of the Company.

The Board specifically considered Mr. Heneghan's role as former CEO of the Company and determined that this role did not hinder Mr. Heneghan's independence within the meaning of the NYSE listing standards.

The Company's Board currently consists of ten Directors. The Company's Charter currently provides for the annual election of all Directors. All the nominees are presently Directors, and each nominee has consented to be named in this Proxy Statement and to serve if elected.

- (4) Mr. Berkenfield joined the Board effective February 11, 2020; therefore, he did not receive any Director compensation for 2019. As a part of its continuing refreshment process, the Board sought the addition of a candidate with a strong marketing background to complement the Company's strategic plan. In anticipation of Mr. Berkenfield's planned appointment to the Board, during 2019 and prior to his appointment to the Board, the Company paid Mr. Berkenfield \$13,750 per month (\$41,250 in the aggregate) as the Board and the Company worked with Mr. Berkenfield on marketing-related matters in order to assess his candidacy as a Director. Vote Required

A plurality of the votes cast in person or by proxy at the Annual Meeting is required for the election of directors. Board Recommendation

The Board unanimously recommends that you vote "FOR" each of the ten nominees for director to serve until the next annual meeting of stockholders and until his or her successor is duly elected and qualified.

PROPOSAL NO. 2
RATIFICATION OF THE SELECTION OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board recommends that the stockholders ratify the selection of Ernst & Young as the Company's Independent Accountants for the fiscal year ending December 31, 2020. As a matter of good corporate governance, the selection of Ernst & Young is being submitted to stockholders for ratification. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection. Even if Ernst & Young is ratified as Independent Accountants by the stockholders, the Audit Committee, at its discretion, may direct the appointment of different Independent Accountants at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Ernst & Young has advised us that neither it nor any member thereof has any financial interest, direct or indirect, in the Company or any of its subsidiaries in any capacity. There have been no disagreements between the Company and Ernst & Young relating to accounting procedures, financial statement disclosures or related items. Representatives of Ernst & Young are expected to be available at the Annual Meeting. These representatives will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The aggregate fees billed (or expected to be billed) for fiscal years 2019 and 2018 for assurance and related services by the Independent Accountants that are reasonably related to the performance of the audit or review of the Company's financial statements that are not reported as "Audit Fees" above were approximately \$48,650 and \$45,800, respectively. These fees consist primarily of fees for services provided to assist the Company with attestation services related to audits of subsidiaries and benefit plans and other accounting consultations.

Tax Fees. The aggregate fees billed (or expected to be billed) for fiscal years 2019 and 2018 for professional services rendered by the Independent Accountants for tax compliance, tax advice and tax planning were approximately \$117,000 and \$61,800, respectively.

In this regard, the Audit Committee has established a pre-approval policy in accordance with the applicable rules of the SEC and the NYSE. The Audit Committee may delegate to one or more of its members who is an independent director the authority to grant pre-approvals. AUDIT COMMITTEE REPORT

The Audit Committee of the Board is composed of four Directors, each of whom the Board has determined meets the independence and financial literacy requirements of the NYSE and Rule 10A-3 under the Exchange Act. In addition, the Board has determined that each of these four Directors qualifies as an "audit committee financial expert" as defined by the SEC rules. No member of the Audit Committee is a current or former officer or employee of the Company, and no member serves on more than two other public company audit committees.

The Audit Committee oversees the Company's financial reporting and enterprise risk processes on behalf of the Board. The Company's management has the primary responsibility for the financial statements, for maintaining effective internal control over financial reporting, and for assessing the effectiveness of internal control over financial reporting. The Audit Committee is governed by a written charter approved by the Board, which is posted on the Company's website. In accordance with this charter, the Audit Committee oversees the accounting, auditing, financial reporting, and risk management practices of the Company. The Audit Committee is responsible for the appointment, retention, compensation, and oversight of the work of the Independent Accountants. The Audit Committee pre-approves the services of the Independent Accountants in accordance with the applicable rules of the SEC and the NYSE. The Audit Committee has also established procedures for processing complaints received from employees regarding internal control, accounting, and auditing matters. The Audit Committee held nine meetings during 2019.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2019 (the "2019 Form 10-K") with the Company's management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements. The Audit Committee also reviewed and discussed management's report on its assessment of the effectiveness of the Company's internal control over financial reporting and the Independent Accountant's report on the Company's internal control over financial reporting with management, the internal auditors and the Independent Accountants.

The Independent Accountants are responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles. The Audit Committee reviewed with the Independent Accountants their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by standards of the Public Company Accounting Oversight Board ("PCAOB"), rules of the SEC, and other applicable regulations. In addition, the Audit Committee has discussed independence with the Independent Accountants. These discussions included the Independent Accountant's independence from the Company's management and the Company, including the matters in the letter from the Independent Accountants required by the PCAOB regarding the Independent Accountant's communications with the Audit Committee concerning independence. The Audit Committee also considered the compatibility of non-audit services provided to the Company by the Independent Accountants with the Independent Accountant's independence.

The Audit Committee discussed with the Independent Accountants the overall scope and plans for their audit. The Audit Committee met with the Independent Accountants, with and without management present, to discuss the results of their examinations; their evaluation of the Company's internal controls, including internal control over financial reporting; and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, that the audited financial statements and management's assessment of the effectiveness of the Company's internal control over financial reporting be included in the 2019 Form 10-K for filing with the SEC. The Audit Committee and the Board have recommended that stockholders ratify the selection of Ernst & Young as the Company's Independent Accountants for the year ending December 31, 2020.

Respectfully submitted,

Philip Calian, Chair

Roger Maynard.....	Executive Vice President – Investments

The Compensation Committee took into account the stockholder advisory vote approving executive compensation at the last annual meeting of stockholders held in April 2019 and incorporated that as one of many factors it considered in connection with the discharge of its responsibilities. 88% of all the votes cast at last year's annual meeting of stockholders approved the compensation program described in the proxy statement for the 2019 annual meeting of stockholders. The Compensation Committee believes that this support level demonstrates a strong alignment among our stockholders, the Company's performance, and our executive compensation program, and accordingly, the Compensation Committee did not make any changes to the Company's executive compensation program in response to the 2019 "Say-on-Pay" vote.

The core principle of the Company's executive compensation program for 2019 continued to be pay for performance, and the framework of the executive compensation program includes the governance features discussed below:

- The Compensation Committee is comprised solely of independent Directors.
- The Compensation Committee's annual review and approval of the Company's compensation strategy includes a review of compensation-related risk management. In this regard, the Compensation Committee reviews the Company's executive compensation program, including base salary ("Base Salary"), annual performance-based non-equity incentive compensation ("Cash Bonus"), and equity-based retention and incentive compensation ("Equity Compensation"). The Compensation Committee believes that the compensation program avoids risks that are reasonably likely to have a material adverse effect on the Company.
- The NEOs received no personal benefits that are not otherwise available to all of employees.
- The NEOs have no employment agreements or severance agreements.
- The NEOs are subject to share ownership guidelines as further described below.
- The Company's hedging policy is included in the Company's Policy on Securities Trading and reads as follows: "Directors and officers (and any member of the director's or officer's family sharing the same household) are prohibited from engaging in short sales (including buying puts or selling calls) or any other hedging transactions with respect to any equity securities of the Company held by them, which includes the purchase of any financial instrument (including, but not limited to, prepaid variable forward contracts, equity swaps, collars, and exchange funds) designed to hedge or offset any decrease in the market value of such equity securities."
- The Company's Securities Pledging Policy, which is described in greater detail in the "Securities Pledging Policy" section of this Proxy Statement, requires Audit Committee approval of any pledging of our shares of Common Stock or OP Units by directors or NEOs and the satisfaction of certain other conditions.
- The NEOs must follow the requirements of the Company's Business Ethics and Conduct Policy.

The Compensation Committee takes into consideration the overall performance of the Company when establishing the compensation program and determining final payments to the NEOs. This review of overall Company performance is in addition to specific goals and targets that are set for each NEO. The following tables show the Company's historical stock price, annual dividends, and Normalized Funds From Operations ("Normalized FFO"). Normalized FFO is a non-GAAP financial measure. The Company believes that Normalized FFO is generally an appropriate measure of performance of an equity REIT. Appendix A to this Proxy Statement includes the definition of Normalized FFO and a reconciliation of Normalized FFO to net income, the most comparable GAAP measure.

On October 15, 2019, we effected a two-for-one stock split of our Common Stock (see Note 5 in the Notes to the Consolidated Financial Statements contained in our Annual Report on Form 10-K for the year ended December 31, 2019). All Common Stock and per share data in this CD&A for periods prior to this date have been adjusted retroactively to reflect the stock split.

General Philosophy. The Compensation Committee determines and approves the compensation of the Company's NEOs and guides the Company's overall philosophy towards the compensation of its employees. The Compensation Committee believes that the compensation of the Company's NEOs should be both competitive and based on individual and Company performance. The Compensation Committee believes that the compensation of the NEOs should reflect their success as a management team in attaining certain operational goals, which leads to the success of the Company and serves the best interests of its stockholders. The Compensation Committee consults with the CEO regarding both executive and non-executive employee compensation plans and programs, including administering the Company's equity incentive plan. In 2017, the Company retained, at the direction of the Compensation Committee, Willis Towers Watson as its independent outside compensation consultant to provide an independent analysis and recommendation concerning the Company's long-term executive compensation plan. The analysis was used in establishing executive compensation for 2018 and 2019. The Compensation Committee has the authority to re-engage Willis Towers Watson as its independent outside compensation consultant or hire additional consultants at any time. Willis Towers Watson did not provide any additional services to the Compensation Committee and did not provide any services to the Company other than those it provided to the Compensation Committee. The sole role of Willis Towers Watson was to advise the Compensation Committee with respect to compensation. The ultimate determination of total compensation and the elements that comprise total compensation for our NEOs is made solely by our Compensation Committee. In addition, the Compensation Committee compared the NEOs total compensation to the NAREIT Compensation Survey and to the salaries of executives at other REITs as obtained from the SNL Financial database.

Objectives of the Compensation Program. The primary objective of the Company's compensation program is to attract and retain highly qualified executives by providing competitive Base Salaries and meaningful Cash Bonus and Equity Compensation. In addition, the compensation program is structured to hold the NEOs accountable for the performance of the Company by tying the substantial majority of their annual Cash Bonus and a substantial portion of their Equity Compensation to performance targets. The compensation program is also designed to promote an ownership mentality among the NEOs. The Compensation Committee recognizes that the interests of stockholders are best served by giving our NEOs the opportunity to participate in the appreciation of the Company's Common Stock. The Board has established stock ownership guidelines for each of the NEO positions and Directors. Under these guidelines, all of the NEOs and Directors are required to own a minimum amount of the Company's Common Stock within four years from their first appointment as an NEO or Director, valued at the time of purchase, and to maintain this minimum amount throughout their tenure as a NEO or Director. Such ownership guidelines

are as follows: five times the Base Salary for the CEO; three times the Base Salary for each of the other NEOs; and three times the annual retainer for each Director. Furthermore, any stock pledged by a Director or NEO is excluded from the computation. Hedges by Directors and NEOs are prohibited by our policy. With the exception of Mr. Berkenfield, who was appointed to the Board in February 2020, each of the Directors and NEOs currently own shares of Common Stock that exceed the minimum established guidelines.

The following table shows the value of shares of Common Stock of the Company, including shares upon exercise of options, beneficially owned as of February 20, 2020 (the "Record Date") by each of the NEOs as a multiple of their 2019 base salary.

What Our Compensation Program is Designed to Reward. Our compensation program is designed to reward the NEOs for their contributions to the Company and for achieving improvements in the Company's performance during the year. The Compensation Committee deliberately kept Base Salaries at a relatively small percentage of total compensation. This enables the Compensation Committee to reward each NEO's performance through annual Cash Bonus awards and equity incentives such as Restricted Common Stock Awards. The annual Cash Bonus plan for each NEO is established by the Compensation Committee after a review of performance goal recommendations from the CEO, who receives input on such performance goal recommendations from each NEO. Restricted Common Stock Awards are designed to provide incentives to the NEOs to ensure the successful implementation of long-term strategic goals of the Company and to provide for the retention of such NEOs. Awards of Restricted Common Stock are determined and approved by the Compensation Committee with input from the CEO.

Elements of Compensation. During the year ended December 31, 2019, there were three major components of executive compensation: Base Salary, performance-based Cash Bonus, and performance-based Equity Compensation. In conjunction with the CEO, the Compensation Committee reviews our executive salary structure on an annual basis with the use of a tally sheet. The tally sheet summarizes total compensation for each NEO, including Base Salary, Equity Compensation award values, Cash Bonus performance metrics, and all other compensation for the current and prior years. The Compensation Committee uses the tally sheet to quantify each NEO's total compensation and to compare it to the salaries of executives at other REITs as obtained from the SNL Financial database (www.snl.com) and to the NAREIT Compensation Survey.

The compensation philosophy takes into account a review of executive compensation and performance data on publicly traded REITs obtained from the SNL Financial database and the NAREIT Compensation Survey. The Compensation Committee believes the executive compensation information derived from the SNL Financial database for the selected peer group of REITs and the NAREIT Compensation Survey provide relevant salary data for the Company. The Compensation Committee takes into account the relevant compensation data for each NEO position when designing the compensation program. Where salary information is unavailable for a particular position in the SNL Financial database, other positions having similar responsibilities are used. Compensation increases are based upon overall Company performance and upon each NEO's performance, established goals, and contribution to the Company's performance. In addition, the Compensation Committee considered the CEO Pay Ratio as described more fully under "CEO Pay Ratio" of this Proxy Statement.

The Company's peer group consists of seventeen companies as shown in the following table. The Company's peer group for 2019 remained consistent with prior years. In 2020, Liberty Property Trust was sold and was removed from the Company's peer group. When selecting and re-assessing this peer group, the Compensation Committee took into consideration factors including market capitalization, three-year and five-year total returns, dividend yields, compounded annual funds from operations growth rates, and multiples. As of December 31, 2019, the Company's one-year, three-year and five-year total stockholder returns were 47.8%, 110.6% and 209.4%, respectively. As of December 31, 2019, the one-year, and annualized three-year and five-year total stockholder returns for the Company were 47.8%, 27.8% and 25.1%, respectively. In comparison, the median

one-year and annualized three-year and five-year total stockholder returns for the peer group were 22.4%, 10.0%, and 10.4%, respectively, and the average one-year and annualized three-year and five-year total stockholder returns for the peer group were 25.0%, 7.5% and 9.3%, respectively.

Total compensation for 2019 was split between Base Salary, performance-based Cash Bonus, and Equity Compensation, as shown in the following chart. All other compensation was less than 1% of the total compensation. The decrease in total executive compensation from 2018 to 2019 for the NEOs in the aggregate reflects a decrease in Equity Compensation as a result of the restructuring of the restricted stock award program in 2018 as further described below and a decrease in performance-based Cash Bonus, partially offset by an increase in Base Salaries.

Base Salary. The Compensation Committee deliberately keeps Base Salaries at a relatively small percentage of total compensation. For 2019, the Compensation Committee concluded that Base Salaries of \$575,000 for Ms. Nader and \$380,000 for each of Mr. Seavey, Mr. Waite and Mr. Maynard were appropriate in this regard. With the exception of Ms. Nader, these Base Salaries reflect a 2.7% increase in 2019 from 2018. The increase in Ms. Nader's Base Salary was to better align her compensation with that of chief executive officers of companies in the peer group.

Non-Equity Incentive Compensation (Cash Bonus). The Compensation Committee's practice is to award annual Cash Bonuses based on certain performance targets established by the Compensation Committee for each year after consultation with the CEO. The amount paid to each NEO is subject to the discretion of the Compensation Committee. The Compensation Committee selected short-term annual performance metrics for management's focus that support and ensure the Company's long-term success and profitability. Performance targets were established and communicated to the NEOs when the outcome of the performance targets was substantially uncertain. Performance targets were consistent with earnings guidance expectations publicly disclosed by the Company. The final payout of 2019 Cash Bonuses to the NEOs was in January 2020, after finalization of the Company's year-end earnings results.

The total 2019 maximum Cash Bonus potential for the NEOs set by the Compensation Committee was approximately \$3,805,296 and was comprised of a \$3,603,500 bonus potential ("2019 Bonus Potential") and a \$100,898 MH revenue stretch goal and a \$100,898 resort revenue stretch goal ("2019 Stretch Goals"). The Compensation Committee has discretion to determine an appropriate award for each NEO based on an evaluation of each of the target areas. The following table shows the 2019 Bonus Potential for each NEO and the percentage attributed to each performance target and the discretionary portion. The total Cash Bonus paid to all NEOs was approximately \$2.8 million, which included a payment of \$100,898 for the 2019 Stretch Goals. The 2019 Stretch Goals required certain increases in the Company's core manufactured home ("MH") revenues, which target was met, and certain increases in core resort revenues, which target was not met.

Name	2019 Bonus Potential (Amount x Base Salary)	Core MH Revenue Target (1)	Core Resort Revenue Target (2)	Dues Target (3)	Core Net Operating Income Target (4)	Rentals/Working Capital Target (5)	Discretionary(6)
Marguerite Nader	2.5	14.0%	14.0%	14.0%	14.0%	14.0%	30.0%
Paul Seavey	1.9	14.0%	14.0%	14.0%	14.0%	14.0%	30.0%
Patrick Waite	1.9	14.0%	14.0%	14.0%	14.0%	14.0%	30.0%
Roger Maynard	1.9	14.0%	14.0%	14.0%	14.0%	14.0%	30.0%

- (1) This target required achieving a 4.8% increase in core MH base rent growth for the year ended December 31, 2019 as compared to the year ended December 31, 2018, which target was met. The total paid for this target was approximately \$505,000.
- (2) This target required that the Company's core resort revenues increase 5.0% for the year ended December 31, 2019 as compared to December 31, 2018, which target was not met. No amounts were paid to the NEOs for this target.
- (3) This target was comprised of three equal components related to: (i) dues revenues; (ii) the number of paid member sales units; and (iii) RV dealer activations, which component targets were all met. The total paid to the NEOs for this target was approximately \$505,000.
- (4) This target was comprised of two equal components related to: (i) core net operating income, excluding property management expense, to increase 4.8% for the year ended December 31, 2019 as compared to the year ended December 31, 2018, which target was met; and (ii) core expense growth less than 0.9% for the year ended December 31, 2019 as compared to the year ended December 31, 2018, which target was not met. The total paid to the NEOs for this target was approximately \$252,000.
- (5) This target was comprised of four equal components related to: (i) reduction of working capital commitment, which portion of the target was not met; (ii) an increase in occupancy from homeowners, which portion of the target was met; (iii) reduction of rental expenses, which portion of the target was not met; and (iv) management of chattel financing, which portion of the target was met. As a result, the NEOs were paid 75% of this target or approximately \$378,000.
- (6) At the beginning of 2019, the Compensation Committee, in consultation with Ms. Nader, developed strategic initiatives upon which each NEO would be evaluated and which would be used in determining their discretionary bonuses. Management focused on key strategic areas for the Company including, but not limited to, revenue management, sales, expense management, property maintenance and improvements, portfolio assessment, development, technology and employee relations. Throughout 2019, each NEO met with Ms. Nader to discuss achievement of these discretionary goals. The Compensation Committee reviewed these evaluations and considered the results of these evaluations in the overall assessment of each NEO's performance. Payment of the discretionary component is at the discretion of the Compensation Committee based on its assessment of the strategic initiatives established for the executive officer team, as a whole, including the discretion to apportion the aggregate discretionary bonus amount amongst the eligible executives. As a result, Mr. Seavey, Mr. Waite and Mr. Maynard each received 100% of the discretionary bonus potential for 2019.

The Compensation Committee's evaluation of Ms. Nader's achievements included a review of the Company's overall performance, as well as the attainment of the strategic initiative goals by each of the other NEOs. Ms. Nader received 100% of her discretionary bonus potential for 2019.

The total paid to all NEOs for discretionary targets was approximately \$1,081,000.

Equity-Based Retention and Incentive Compensation (Equity Compensation). The Company has made Restricted Common Stock grants to provide long-term incentives for the NEOs, align interests with stockholders, and to retain qualified officers. The Company recognizes that the interests of stockholders are best served by giving our NEOs the opportunity to participate in the appreciation of the Company's Common Stock.

On May 13, 2014, our stockholders approved the Company's 2014 Equity Incentive Plan. The Company has awarded Restricted Common Stock to our NEOs in accordance with the 2014 Equity Incentive Plan since its approval. The Restricted Common Stock grants were awarded at the closing price of the Company's Common Stock on the NYSE on the date of grant. Upon vesting of these stock awards, at the NEOs option, the Company will buy back a portion of the stock to provide the NEO with the ability to receive the vested stock, net of applicable tax effects. The Restricted Common Stock grants were all awarded pursuant to the authority set forth in the 2014 Equity Incentive Plan. The Restricted Common Stock grants awarded in 2018 and 2019 vest, provided the NEO is employed through the end of the year prior to the vesting date (the "Explicit Service Period"), in addition to other criteria as applicable and further described below.

Prior to 2018, the Compensation Committee awarded Restricted Common Stock to our NEOs on an annual basis with one-year time-based vesting. In 2017, Willis Towers Watson provided to the Compensation Committee an independent analysis and recommendation concerning long-term executive compensation. On January 29, 2018, to further align the interests of our NEOs with our stockholders by linking a larger portion of our NEOs' compensation to their performance and to create stronger retention incentives, the Compensation Committee approved the 2018 Restricted Stock Awards (the "2018 Award") and a one-time transition award ("Transition Award"). The Transition Awards were approved as a transition from our prior practice of granting restricted stock awards on an annual basis with one-year vesting to long-term awards with three-year vesting and a performance-based portion. These Transition Awards were intended to mitigate the impact of a reduction in the realized pay for our NEOs in 2018 and 2019 resulting from the three-year vesting period for the 2018 Awards.

On February 1, 2018, the NEOs were awarded 120,500 shares of Restricted Common Stock in accordance with the Transition Award with a grant date fair value of \$42.33 per share as follows: Ms. Nader was granted 39,000 shares; Mr. Seavey was granted 32,000 shares; Mr. Waite was granted 32,000 shares; and Mr. Maynard was granted 17,500 shares. Two-thirds of each Transition Award vested on December 28, 2018, and the remaining one-third vested on January 31, 2020. The Transition Awards were not

subject to performance goals. The Compensation Committee does not view these awards as a continuing feature of the Company's Restricted Stock Award Program, and there is no intent to replicate these Transition Awards in future years.

On February 1, 2018, the NEOs were awarded 120,500 shares of Restricted Common Stock in accordance with the 2018 Awards as follows: Ms. Nader was awarded 39,000 shares, Mr. Seavey was awarded 32,000 shares, Mr. Waite was awarded 32,000 shares, and Mr. Maynard was granted 17,500 shares. Two-thirds of such shares were time-based with a grant date fair value of \$42.33 per share and 50% of the time-based awards vested on December 28, 2018, 25% vested on January 31, 2020 and 25% will vest on January 29, 2021. The remaining one-third of the 2018 Awards provided for performance-based vesting and one-half vested on January 31, 2020 and one-half will vest on January 29, 2021, subject to satisfaction of the performance conditions, as further discussed below.

On January 23, 2019, the Compensation Committee approved the 2019 Restricted Stock Award (the "2019 Award"). On February 1, 2019, the NEOs were awarded 102,400 shares of Restricted Common Stock in accordance with the 2019 Award as follows: Ms. Nader was awarded 33,000 shares; Mr. Seavey was granted 27,200 shares; Mr. Waite was granted 27,200 shares; and Mr. Maynard was granted 15,000 shares. 50% of such shares were time-based with a grant date fair value of \$52.84 per share of which one-third vested on January 31, 2020, one-third vests on January 29, 2021 and one-third vests on January 31, 2022. The remaining 50% of the 2019 Awards provided for performance-based vesting and one-third vested on January 31, 2020, and one-third vests on January 29, 2021 and one-third vests on January 31, 2022, subject to satisfaction of the performance conditions, as further discussed below.

On February 11, 2019, the Compensation Committee established the following performance conditions for the performance-based portion of the 2018 Awards and the 2019 Awards with a performance period January 1, 2019 through December 31, 2019:

"Achieve Normalized Funds From Operations ("Normalized FFO") per Common Share (fully diluted) for the year ending December 31, 2019 between \$2.04 and \$2.09."

As such, this portion of the 2018 Awards and 2019 Awards were deemed granted on February 11, 2019 with a grant date fair value of \$54.90 per share. On January 21, 2020, the Compensation Committee determined that such vesting criteria had been met and this portion of the 2018 Awards and 2019 Awards vested on January 31, 2020.

The Compensation Committee established performance conditions on February 11, 2020 for the performance period January 1, 2020 through December 31, 2020, and will establish performance conditions at the beginning of 2021 for the performance period January 1, 2021 through December 31, 2021. Upon satisfaction of these performance conditions, the relevant portion of the performance-based portion of the 2018 Awards and 2019 Awards will vest on January 29, 2021 and January 31, 2022. In accordance with FASB ASC 718, the performance-based portion of the 2018 Awards and 2019 Awards are deemed granted on the date the performance conditions are approved by the Compensation Committee and, accordingly, are included in the Summary Compensation Table of this Proxy Statement in the year of approval of the performance conditions.

CEO Compensation. Ms. Nader's 2019 compensation consisted of a Base Salary of \$575,000 and a performance-based Cash Bonus award of \$1,125,562. During the year ended December 31, 2019, Ms. Nader did not acquire any shares of Restricted Common Stock as there were no shares with a vesting date in 2019. The Compensation Committee established Ms. Nader's compensation based on the principles previously discussed in this CD&A. Ms. Nader received no compensation or stock grants for her service on the Board.

Accounting and Tax Considerations. The Company accounts for its stock awards in accordance with FASB ASC 718. On December 20, 2019, the Internal Revenue Service (IRS) issued proposed regulations under Internal Revenue Code section 162(m) which are generally effective for taxable years ending on or after that date. This section limits the annual compensation expense deduction available to publicly traded companies to \$1 million for certain "covered employees." Additionally, the proposed regulations overturned prior IRS guidance and apply the Section 162(m) deductions limitation to REITs by treating as compensation paid to the covered employee the amount of the REIT's distributive share of the deduction for compensation paid to a covered employee for services performed for the partnership.

Severance Benefits. None of the Company's NEOs have any arrangements that provide for payment of severance benefits.

Non-Qualified Deferred Compensation. The Company does not provide any non-qualified defined contribution or other deferred compensation plans.

Post-Employment Compensation. All of the Company's employees, including its NEOs, are employees-at-will and as such do not have employment contracts with the Company. The Company does not provide post-employment health coverage or other benefits.

Change in Control. None of the Company's NEOs are entitled to any payment upon a change in control of the Company. However, the vesting of Restricted Common Stock grants is subject to acceleration upon a change in control of the Company

or in the event of the death or disability of the recipient. As of December 31, 2019, non-vested restricted stock awards for the NEOs were as shown in the "Outstanding Equity Awards at Fiscal Year-End" table in this Proxy Statement.

Perquisites and Other Benefits. The Company's NEOs do not receive benefits that are not otherwise available to all of its employees. All employees who participated in the 401(k) plan received a matching contribution equal to 100% of the first 3%, and 50% of the next 2%, of the participant's eligible earnings that were contributed to the plan, up to a maximum matching contribution of \$11,200. Additionally, the Company may make a discretionary contribution annually for each participant in an amount, if any, as determined by the Company. The Company has provided each of the NEOs with an indemnification agreement, however, the Company has paid no amounts under such agreements.

The Company has a non-qualified Employee Stock Purchase Plan ("ESPP") in which certain employees and all the Directors may participate. Participants may acquire up to \$250,000 of Common Stock annually through the ESPP at a 15% discount. Discounts on such stock purchases are not considered a perquisite and are not included in the Summary Compensation Table as such discount is available to all salaried employees who elect to participate in the ESPP.

2020 Executive Compensation. On February 10, 2020, the Compensation Committee approved the 2020 Base Salaries of \$586,500 for Ms. Nader and \$387,600 for each of Mr. Seavey, Mr. Waite and Mr. Maynard. On February 10, 2020, the Compensation Committee approved the Executive Bonus Plan for 2020 (the "Plan"). Information regarding the Plan was filed on Form 8-K with the SEC on February 13, 2020. Under the Plan, the annual 2020 Cash Bonus potential is based on the achievement of certain performance targets. The total 2020 Cash Bonus potential under the Plan is as follows:

Name	Title	Bonus Potential
Marguerite Nader	President and Chief Executive Officer	290% of annual salary
Paul Seavey	Executive Vice President and Chief Financial Officer	220% of annual salary
Patrick Waite	Executive Vice President and Chief Operating Officer	220% of annual salary
Roger Maynard	Executive Vice President - Investments	220% of annual salary

Under the Plan, payment of 70% of the 2020 Cash Bonus potential is contingent upon the achievement of certain operational targets, including goals related to core community base rental income, core resort base rental income, site and member optimization, core net operating income and expense control, and working capital. The Compensation Committee will have discretion at the end of 2020 to determine an appropriate award based on an evaluation of each of the target areas. Payment of the remaining 30% of the 2020 Cash Bonus potential is at the discretion of the Compensation Committee based on its assessment of various strategic initiatives established for the NEOs, as a whole, including the discretion to apportion the aggregate discretionary bonus amount amongst the eligible executives. The amount paid to each NEO is subject to the discretion of the Compensation Committee. In addition, if the NEOs exceed by specified amounts certain operational targets relating to core community base rental income and core resort base rental income, the total 2020 Cash Bonus potential may be increased by up to an additional \$238,504, which would be shared amongst the NEOs. 2020 Cash Bonus payments will be made in cash and will be paid subsequent to the year ending December 31, 2020 after finalization of the Company's results of operations and upon review and approval by the Compensation Committee.

On February 10, 2020, the Compensation Committee approved the 2020 Restricted Stock Award (the "2020 Award") pursuant to the authority set forth in the 2014 Equity Incentive Plan. On February 11, 2020, the NEOs were awarded 74,673 shares of Restricted Common Stock in accordance with the 2020 Award as follows: Ms. Nader was awarded 24,758 shares, Mr. Seavey was awarded 19,563 shares, Mr. Waite was awarded 19,563 shares and Mr. Maynard was awarded 10,789 shares. The number of shares of Restricted Common Stock awarded was determined by dividing the dollar value of the award by the closing price of the Company's Common Stock on February 11, 2020, or \$73.46 per share. 50% of the 2020 Stock Awards are time-based and will vest in equal annual installments on January 29, 2021, January 31, 2022, and January 27, 2023 subject to satisfaction of continuous employment by the NEO during the explicit service period (the "Service Period Requirement"). The time-based portion of the 2020 Awards have a grant date fair value of \$73.46 per share. The remaining one-half of the 2020 Awards provide for performance-based vesting and will vest in equal annual installments on January 29, 2021, January 31, 2022 and January 27, 2023, subject to the satisfaction of the Service Period Requirement and the performance conditions to be established by the Compensation Committee at the beginning of each performance period in 2020, 2021 and 2022. Effective February 11, 2020, the Compensation Committee established the performance conditions for the 2020 performance period as follows: "Achieve Normalized Funds From Operations ("Normalized FFO") per Common Share (fully diluted) for the year ending December 31, 2020 between \$2.19 and \$2.25."

EXECUTIVE COMPENSATION

Summary Compensation Table

The following table includes information concerning compensation paid to or earned for the year ended December 31, 2019 by the Company's Chief Executive Officer, Chief Financial Officer, and those other persons who were, at December 31, 2019, Executive Officers of the Company, which we refer to as the NEOs.

The Company has not entered into any employment agreements with any of the NEOs. When setting total compensation for each of the NEOs, the Compensation Committee reviews all components of compensation, including equity and non-equity based compensation.

In January 2018, 2019 and 2020, the Compensation Committee approved the final short-term incentive plan Cash Bonus payments for each NEO, with the substantial majority of such payments being based on pre-established performance targets. Such annual performance-based Cash Bonus payments are characterized as "Non-Equity Incentive Plan Compensation - STIP" in the table. As the NEOs did not receive cash bonus payments without performance targets, there are no amounts shown in the "Bonus" column in the table. Total compensation amounts include the fair value of the stock awards and option awards granted to the NEOs, with such grants being shown in the table in the year of grant. The number of shares shown in the following tables have been adjusted for our 2-for-1 stock split that was effected by and in the form of a stock dividend on October 15, 2019.

For the years ended December 31, 2019, 2018 and 2017, Base Salary (Salary) accounted for approximately 19%, 11% and 17%, respectively, of total compensation; Equity Compensation (Stock Awards) accounted for approximately 51%, 65% and 56%, respectively, of total compensation; and Cash Bonus (Non-Equity Incentive Plan Compensation - STIP) accounted for approximately 30%, 24% and 27%, respectively, of total compensation.

(1) A substantial majority of bonus payments were based on certain performance criteria being met and as such are included under the Non-Equity Incentive Plan Compensation column of this table.

(2) These amounts reflect the grant-date fair value of restricted stock awards, calculated in accordance with FASB ASC 718 based on the Company's closing stock price on the grant date. Restricted stock awards were approved by the Compensation Committee pursuant to the authority set forth in the 2014 Equity Incentive Plan as follows:

On January 23, 2017, the Compensation Committee approved the 2017 Restricted Stock Award (the "2017 Award"). On February 1, 2017, the NEOs were awarded 136,000 shares of Restricted Common Stock in accordance with the 2017 Award with a grant-date fair value per share of \$36.31 as follows: Ms. Nader was granted 44,000 shares; Mr. Seavey was granted 36,000 shares; Mr. Waite was granted 36,000 shares; and Mr. Maynard was granted 20,000 shares. Such shares vested on December 31, 2017.

On January 29, 2018, the Compensation Committee approved Transition Awards as a transition from our prior practice of granting annual restricted stock awards with one-year time-based vesting to long-term awards with three-year vesting and a performance-based portion. These Transition Awards were intended to mitigate the impact of a reduction in the realized pay for our NEOs in 2018 and 2019 resulting from the three-year vesting period for the 2018 Awards. On February 1, 2018, the NEOs were awarded 120,500 shares of Restricted Common Stock with a grant date fair value of \$42.33 per share as follows: Ms. Nader was granted 39,000 shares; Mr. Seavey was granted 32,000 shares; Mr. Waite was granted 32,000 shares; and Mr. Maynard was granted 17,500 shares. Two-thirds of each Transition Award vested on December 28, 2018, and the remaining one-third vested on January 31, 2020. The Transition

Awards were not subject to performance goals. The Compensation Committee does not view these awards as a continuing feature of the Company's Restricted Stock Award Program, and there is no intent to replicate these Transition Awards in future years.

On January 29, 2018, the Compensation Committee approved the 2018 Award. On February 1, 2018, the NEOs were awarded 120,500 shares of Restricted Common Stock in accordance with the 2018 Award as follows: Ms. Nader was awarded 39,000 shares, Mr. Seavey was awarded 32,000 shares, Mr. Waite was awarded 32,000 shares, and Mr. Maynard was granted 17,500 shares. Two-thirds of such shares were time-based with a grant date fair value of \$42.33 per share and 50% of the time-based awards vested on December 28, 2018, 25% vested on January 31, 2020 and 25% will vest on January 29, 2021, subject to satisfaction of the Explicit Service Period requirement. The remaining one-third of the 2018 Awards provide for performance-based vesting and 50% of the performance-based awards vested on January 31, 2020 and 50% will vest on January 29, 2021, subject to the satisfaction of the performance conditions and Explicit Service Period requirements.

On January 23, 2019, the Compensation Committee approved the 2019 Award. On February 1, 2019, the NEOs were awarded 102,400 shares of Restricted Common Stock in accordance with the 2019 Award as follows: Ms. Nader was awarded 33,000 shares, Mr. Seavey was awarded 27,200 shares, Mr. Waite was awarded 27,200 shares; and Mr. Maynard was awarded 15,000 shares. 50% of the 2019 Awards were time-based with a grant date fair value of \$52.84 per share of which one-third vested on January 31, 2020, one-third vests on January 29, 2021, and one-third vests on January 31, 2022, subject to satisfaction of the Explicit Service Period requirement. The remaining 50% of the 2019 Awards provide for performance-based vesting and one-third vested on January 31, 2020, one-third vests on January 29, 2021, and one-third vests on January 31, 2022, subject to satisfaction of the performance conditions and Explicit Service Period requirements.

The Compensation Committee established performance conditions for the 2018 Award and 2019 Award at the beginning of 2019 and 2020 for the performance periods of January 1, 2019 through December 31, 2019 and January 1, 2020 through December 31, 2020, respectively. The Compensation Committee intends to approve the performance conditions for the 2019 Award at the beginning of 2021 for the performance period of January 1, 2021 through December 31, 2021. In accordance with FASB ASC 718, the performance-based portion of the 2018 Awards and 2019 Awards are deemed granted on the date the performance conditions are approved by the Compensation Committee in 2019, 2020 or 2021. Accordingly, in the Summary Compensation Table, no amounts related to the performance-based portion of these awards is included in the 2018 compensation, and the portion of the 2018 Award and 2019 Award with a performance period of January 1, 2019 through December 31, 2019 is included in the 2019 compensation at a grant date fair value of \$54.90 per share.

All holders of Restricted Common Stock receive any dividends paid on such shares, whether or not vested.

(3) There were no stock option awards issued to the NEOs during 2017, 2018 and 2019.

(4) A substantial majority of the NEOs' annual short-term incentive plan Cash Bonus payment is based on pre-established performance targets as communicated to the NEOs at the beginning of the year, and therefore, such amounts are classified as non-equity incentive plan compensation in this table.

In February 2019, March 2018 and February 2017, the Compensation Committee approved the 2019, 2018 and 2017 bonus potential and performance targets, respectively. In January 2020, 2019 and 2018, after assessment of the achievement of such performance targets, the Compensation Committee approved and the NEOs received their annual Cash Bonus for each of the years ended December 31, 2019, 2018 and 2017, respectively. See the CD&A section of this Proxy Statement for further discussion of the 2019 performance targets.

On February 11, 2020, the Compensation Committee approved the 2020 Executive Bonus Plan. Information regarding the 2020 Executive Bonus Plan is included in the CD&A section of this Proxy Statement and in a Current Report on Form 8-K filed with the SEC on February 13, 2020.

(5) There were no long-term non-equity incentive plan compensation awards granted to the NEOs in 2017, 2018, or 2019.

(6) Includes employer-matching contributions pursuant to the Equity LifeStyle Properties, Inc. Retirement Savings Plan of \$11,200, \$11,000, and \$10,800 for the years ended December 31, 2019, 2018 and 2017, respectively.

Compensation Committee after evaluation of each NEO's performance, including an analysis of successes and strategic initiatives during the year. In addition, each NEO was awarded an additional amount upon achievement of the 2019 Stretch Goals. The 2019 maximum amounts represent the total potential bonus award. The 2019 target amounts reflect the non-discretionary portion of the total potential bonus award. Payment of the 2019 award was made in January 2020.

Option Exercises and Stock Vested

For the year ended December 31, 2019, there was no stock vested for the NEOs. The NEOs have not been awarded stock options.

Potential Payments Upon Termination of Employment or Change In Control

None of our NEOs is entitled to any payment upon a change in control of the Company. However, the vesting of Restricted Common Stock awards is subject to acceleration upon a change of control of the Company or in the case of death or disability of the recipient. The number of shares of restricted stock held by our NEO's that was not vested as of December 31, 2019 is shown

in the "Outstanding Equity Awards at Fiscal Year-End" table of this Proxy Statement. The NEOs have not been awarded stock options.

CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information for the year ended December 31, 2019 about the relationship of the ratio of the annual total compensation, calculated in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K and SEC guidance (the "Annual Total Compensation"), of our median employee and the Annual Total Compensation of Ms. Marguerite Nader, President and Chief Executive Officer (the "CEO"). For purposes of determining the pay ratio, we considered all active employees as of November 30, 2019, including full-time, part-time and temporary employees.

For 2019, the median of the Annual Total Compensation of all employees of the Company (other than our CEO), was \$25,681 and the Annual Total Compensation of the CEO for purposes of determining the CEO Pay Ratio was \$3,455,317, which amount includes the 2019 Award of 33,000 shares at a grant date fair value of \$52.84 per share, as further described in the "CD&A" of this Proxy Statement. Based on this information, for 2019, the ratio of the Annual Total Compensation of our CEO to the median of the Annual Total Compensation of all employees was estimated to be 135 to 1.

Because the SEC rules for identifying the median employee and calculating the pay ratio permit companies to use various methodologies and assumptions, and to apply certain exclusions and to make reasonable estimates that reflect their employee populations and compensation practices, the pay ratio reported by other companies may not be comparable to the pay ratio that we have reported.

Narrative Disclosure of the Company's Compensation Policies and Practices as They Relate to Risk Management

The Compensation Committee has reviewed the Company's compensation policies and practices and believes it has taken reasonable and appropriate actions to mitigate the risk that the Company's compensation policies and practices would lead to conduct that would have an unintended material adverse effect on the Company. The assessment included a review of the components of the NEO's compensation. For the Base Salary component, the Compensation Committee believes the following mitigates the incentive for risky behavior: (i) Base Salary is a relatively small portion of total compensation for the NEOs, and (ii) the NEOs and employees have signed the Company's Employee Handbook and Business and Ethics Policy agreeing to maintain the highest standards of personal and professional integrity at all times and to comply with the Company's policies and procedures. For the performance-based Cash Bonus, the Compensation Committee believes the following mitigates the incentive for risky behavior: (i) the Cash Bonus targets are tied to near-term operational goals that the Compensation Committee believes promote long-term growth of the Company and increased stockholder value and are not generally susceptible to accounting risk; and (ii) a portion of the Cash Bonus is payable at the discretion of the Compensation Committee. For the Equity Compensation component, the Compensation Committee believes the following mitigates the incentive for risky behavior: (i) the Board has previously established share ownership guidelines for the NEOs to align their interests with those of the stockholders; (ii) the grants and terms of restricted stock are established by the Committee; and (iii) the Committee granted restricted stock rather than options to limit the risky behavior associated with trying to maximize stock price. In addition, there are no formulaic compensation arrangements that could create unintended compensation and the Compensation Committee has the ability to exercise discretion over all pay; the CEO meets regularly with the Compensation Committee and quarterly with the Compensation Committee, Executive Committee, Strategic Planning and Audit Committee chairpersons; the Company's Internal Audit department performs property and other corporate audits to ensure compliance with policies and procedures; the Company maintains a whistleblower hotline; and quarterly disclosure meetings are held with the Executive Officers and senior management for the purpose of allowing full disclosure of information that may impact the financial statements and related disclosures.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee members for the year ended December 31, 2019 were Mr. Calian, Mr. Contis, Ms. Freedman and Ms. Rosenberg. None of the members has ever been an officer or employee of the Company or any of its subsidiaries, and no "compensation committee interlocks" existed during 2019. For a description of certain transactions with Directors or their affiliates, see "Certain Relationships and Related Transactions."

PROPOSAL NO. 3

NON-BINDING, ADVISORY VOTE ON EXECUTIVE COMPENSATION

Section 14A of the Exchange Act requires the Company to allow stockholders an opportunity to cast a non-binding, advisory vote on executive compensation as disclosed in this Proxy Statement. The following proposal, commonly known as a "Say on Pay" proposal, gives stockholders the opportunity to approve, reject or abstain from voting with respect to the Company's fiscal 2019 executive compensation programs and policies and the compensation paid to the named executive officers.

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the SEC's rules and regulations, including the Compensation Discussion and Analysis, the compensation tables and narrative discussion is, hereby approved on a non-binding advisory basis."

As discussed in the "Compensation Discussion and Analysis" section of this Proxy Statement, the primary objectives of our executive compensation program are to attract and retain qualified executive officers who are accountable for the performance of the Company and to promote an ownership mentality among our executive officers. The compensation of our executive officers reflects the success of our management team in attaining certain operational goals which leads to the success of the Company and serves the best interests of our stockholders.

This proposal allows our stockholders to express their opinions regarding the decisions of the Compensation Committee on the prior year's annual compensation to the named executive officers. Your non-binding, advisory vote will serve as an additional tool to guide the Board and the Compensation Committee in continuing to improve the alignment of the Company's executive compensation programs with the interests of the Company and its stockholders, and is consistent with our commitment to high standards of corporate governance.

Vote Required

Non-binding, advisory approval of this Say on Pay Proposal requires the affirmative vote of a majority of the votes cast by stockholders of record. Because the vote on this proposal is non-binding and advisory in nature, it will not affect any compensation already paid or awarded to any named executive officer and will not be binding on or overrule any decisions by the Board; it will not create or imply any additional duty on the part of the Board, and it will not restrict or limit the ability of stockholders to make proposals for inclusion in proxy materials related to executive compensation. To the extent there is any significant vote against our named executive officer compensation as disclosed in this Proxy Statement, the Compensation Committee will evaluate whether any actions are necessary to address the concerns of stockholders. The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the SEC.

Board of Directors Recommendation

The Board unanimously recommends a vote "FOR" approval, on a non-binding, advisory basis, of the executive compensation of our named executive officers as disclosed in this Proxy Statement.

PROPOSAL NO. 4

APPROVAL OF AN AMENDMENT TO THE COMPANY'S CHARTER INCREASING FROM 400,000,000 TO 600,000,000 THE NUMBER OF SHARES OF COMMON STOCK THE COMPANY IS AUTHORIZED TO ISSUE

The Board of Directors has approved an amendment to the Company's Charter increasing from 400,000,000 to 600,000,000 the number of shares of Common Stock the Company is authorized to issue and has directed that this Proposal No. 4 be submitted for consideration at the Annual Meeting. The amendment will also increase from 410,000,000 to 610,000,000 the total number of shares of stock that the Company is authorized to issue. This Proposal No. 4 does not change the number of authorized shares of Preferred Stock.

At the time of its initial public offering in 1993, the Company's Charter authorized the Company to issue up to 50,000,000 shares of Common Stock and 10,000,000 shares of Preferred Stock. In 2007, the Company amended its Charter to increase from 50,000,000 to 100,000,000 the number of shares of Common Stock the Company was authorized to issue. On July 15, 2013, the Company effected a 2-for-1 stock split of its Common Stock in order to lower the price to attract a broader investor base and increase stock liquidity. The 2013 stock split increased the total number of outstanding shares of Common Stock from approximately 41,700,000 to 83,400,000. On November 25, 2013, the Company amended its Charter to increase from 100,000,000 to 200,000,000 the number of shares of Common Stock the Company was authorized to issue. In April 2019, the Company's Charter was amended to increase the number of shares of Common Stock the Company is authorized to issue from 200,000,000 to 400,000,000. On October 15, 2019, the Company effected a 2-for-1 stock split of its Common Stock. The 2019 stock split increased the total number of outstanding shares of Common Stock from approximately 91,000,000 to 182,000,000.

As of the Record Date, there were approximately 182,129,331 shares of Common Stock issued and outstanding and an additional 18,479,286 shares of Common Stock were reserved for issuance (i) upon the conversion of limited partnership units, (ii) pursuant to the Company's at-the-market equity offering program, and (iii) pursuant to the Company's 2014 Equity Incentive Plan, employee stock purchase plan and dividend reinvestment plan. This leaves approximately 199,391,383 shares of Common Stock available for issuance. As a result, the Company may not have a sufficient number of authorized shares available for issuance in the future for stock splits, capital raising activities, and other general corporate purposes.

The Board of Directors believes that it is in the best interests of the Company to increase the number of authorized shares of Common Stock. The increase in authorized shares will provide the Company with the ability to effect a stock split to lower the price to attract a broader investor base and increase stock liquidity. In addition, the increase will provide flexibility with respect to future transactions, including acquisitions of other businesses or properties where the Company would have the option to use its Common Stock (or securities convertible into or exercisable or exchangeable for Common Stock, including limited partnership units) as consideration (rather than cash), financing future growth, financing transactions, repayment of debt, and other general corporate purposes. The Company does not have any present intention to issue Common Stock in the immediate future, however the Company may issue shares pursuant to its at-the-market equity offering program and it desires to have the flexibility to use Common Stock for transactions in a manner consistent with past practices, including the acquisition of additional properties, as described above. The additional shares will enable the Company to act quickly as opportunities arise and avoid the time consuming and costly need to hold a special meeting of stockholders in every case. The Board of Directors believes that, in the future, occasions may arise where the time required to obtain stockholder approval might adversely delay the Company's ability to enter into a desirable transaction or deny it the flexibility to facilitate the effective use of its securities. Therefore, the failure to approve this Proposal No. 4 could, in effect, prevent the Company from continuing the pursuit of effective strategies to access capital in the public and private markets. Authorized but unissued shares of Common Stock may be used by the Company from time to time as appropriate and opportune situations arise.

Stockholders of the Company will not have any preemptive rights with respect to the additional shares being authorized. No further approval by stockholders would be necessary prior to the issuance of any additional shares of Common Stock, except as may be required by law or applicable NYSE rules. In certain circumstances, generally relating to the number of shares to be issued and the identity of the recipient, the rules of the NYSE require stockholder authorization in connection with the issuance of such additional shares. Subject to Maryland law and the rules of the NYSE, the Board of Directors has the sole discretion to issue additional shares of Common Stock for such consideration as may be determined by the Board of Directors. The issuance of any additional shares of Common Stock may have the effect of diluting the percentage of stock ownership of present stockholders of the Company.

The submission of this Proposal No. 4 is not part of any plan by the Board of Directors to engage in any transaction that would require the proposed increase.

If this Proposal No. 4 is approved by the stockholders, the Company's current Charter will be amended to provide that the Company has the authority to issue up to 610,000,000 shares of stock, consisting of 600,000,000 shares of Common Stock and 10,000,000 shares of Preferred Stock, each with a par value \$0.01 per share. This Proposal No. 4 does not change the number of authorized shares of Preferred Stock. The proposed amendment to the Company's Charter deletes Article V, Section 1 of the Charter and replaces it with the following:

“SECTION 1. AUTHORIZED SHARES. The total number of shares of stock which the Corporation has authority to issue is 610,000,000 shares, of which 600,000,000 shares are shares of Common Stock, \$.01 par value per share (“Common Stock”), and 10,000,000 shares are shares of Preferred Stock, \$.01 par value per share (“Preferred Stock”). The aggregate par value of all authorized shares of stock having par value is \$6,100,000.00.”

If the stockholders approve this Proposal No. 4, Articles of Amendment will be filed with the State Department of Assessments and Taxation of Maryland (the “SDAT”) and the amendment of the Company's Charter as described above will be effective upon the acceptance for record of the Articles of Amendment by the SDAT.

Vote Required

The affirmative vote of the stockholders of record of two-thirds of all votes entitled to be cast is necessary to approve the amendment of the Company's Charter increasing from 400,000,000 to 600,000,000 the number of shares of Common Stock the Company is authorized to issue.

Board Recommendation

The Board unanimously recommends a vote **“FOR”** approval of the amendment of the Company's Charter increasing from 400,000,000 to 600,000,000 the number of shares of Common Stock the Company is authorized to issue.

(1) The Operating Partnership is the entity through which the Company conducts substantially all of its operations. Certain limited partners of the Operating Partnership own OP Units which are exchangeable for an equivalent number of shares of Common Stock. The shares of Common Stock beneficially owned includes OP Units that can be exchanged for an equivalent number of shares of Common Stock.

(2) The amounts shown in this column reflect shares of Common Stock subject to options, which are currently exercisable or exercisable within 60 days of the Record Date.

(3) In accordance with SEC regulations governing the determination of beneficial ownership of securities, the percentage of Common Stock beneficially owned by a person assumes that all OP Units held by the person are exchanged for Common Stock, that none of the OP Units held by other persons are so exchanged, that all options exercisable within 60 days of the Record Date to acquire Common Stock held by the person are exercised and that no options to acquire Common Stock held by other persons are exercised.

(4) 31,855 shares of Common Stock are held by the Contis Family Trust and 1,000 shares of Common Stock are held by Mr. Contis in custodial accounts for his grandchildren.

(5) Includes 288,975 shares of Common Stock beneficially owned by Mr. Heneghan's spouse, as to which Mr. Heneghan disclaims beneficial ownership.

(6) Includes 46,120 OP Units beneficially owned by Ms. Rosenberg, which are exchangeable into 46,120 shares of Common Stock. Also includes approximately 378,255 shares of Common Stock beneficially owned by Ms. Rosenberg's spouse, as to which Ms. Rosenberg disclaims beneficial ownership.

(7) Includes shares of Common Stock and OP Units with respect to which Mr. Zell has voting and investment power which include the holdings held directly by Mr. Zell (sole power) and the holdings of Samuel Zell Revocable Trust and Samstock/SZRT, L.L.C. (shared power in both cases). Also includes 56,000 shares of Common Stock held by the Helen Zell Revocable Trust ("HZRT") of which Helen Zell, Mr. Zell's spouse, is the trustee. Mr. Zell disclaims beneficial ownership of such shares held by HZRT except to the extent of any pecuniary interest therein. Approximately 3.7 million of such shares of Common Stock which are beneficially owned directly or indirectly by Mr. Zell or by entities controlled directly or indirectly by Mr. Zell are pledged as security for certain loans. The pledging arrangement has been in place for many years, has been closely monitored by our Board, is compliant with our Securities Pledging Policy and has fostered long-term investment by Mr. Zell, who has been Chairman since 1993 and a holder of our equity since our initial public offering in 1993. The increase in the number of pledged shares of Common Stock as compared to the number disclosed in our 2019 proxy statement is solely a result of the 2-for-1 stock split effected on October 15, 2019. No additional shares of Common Stock have been pledged.

In addition to the shares of Common Stock and OP Units set forth above, shares of Common Stock and OP Units are indirectly owned by irrevocable trusts established for the benefit of Mr. Zell and his family, the trustee of which is Chai Trust, a state-regulated corporate trust company. Mr. Zell is not an officer or director of Chai Trust and does not have voting or dispositive power with respect to such shares of Common Stock or OP Units. Mr. Zell disclaims beneficial ownership of such shares of Common Stock and OP Units, except to the extent of any pecuniary interest therein. As reported on Amendment No. 2 to Statement on Schedule 13D filed with the Securities and Exchange Commission on October 23, 2015, Chai Trust and the shares of Common Stock and OP Units over which it has voting and investment power are a separate group for purposes of section 13(d)(3) of the Securities Exchange Act of 1934.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why did I receive a notice in the mail regarding Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to the SEC notice and access rules, we have elected to provide access to our proxy materials over the Internet. Accordingly, on or about March 18, 2020, we will begin mailing to all stockholders of record at the close of business on the Record Date a Notice of Internet Availability of Proxy Materials (the "Notice"). All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or may request to receive a set of the proxy materials in printed form by mail or electronically by email at no charge. Instructions on how to access the proxy materials over the Internet and how to request printed copies are included in the Notice.

How can I get electronic access to the proxy materials?

The Notice will provide you with instructions regarding how to:

- View our proxy materials for the Annual Meeting on the Internet; and
- Instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our Annual Meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Who Is Entitled to Vote?

You are entitled to vote your shares of the Company's Common Stock on the Proposals if you held your shares of Common Stock at the close of business on the Record Date. As of the Record Date, a total of 182,129,331 shares of Common Stock were outstanding and entitled to vote. Each share of Common Stock entitles its holder to cast one vote for each matter to be voted upon.

What Is Required to Hold the Annual Meeting?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding and entitled to vote on the Record Date will constitute a quorum permitting business to be conducted at the Annual Meeting. If you have returned valid proxy instructions or you attend the Annual Meeting and vote in person, your shares of Common Stock will be counted for purposes of determining whether there is a quorum, even if you abstain from voting on any or all matters introduced at the Annual Meeting.

How Do I Vote?

Your vote is important. Stockholders can vote in person at the Annual Meeting or by proxy. Stockholders can authorize a proxy over the Internet by following the instructions provided in the Notice, or if you requested printed copies of the proxy materials, you can also authorize a proxy by using a toll-free telephone number or completing a proxy card and mailing it in the postage-paid envelope provided. Please refer to your Notice or proxy card or the information forwarded by your bank, broker or other nominee to see which options are available to you. If you authorize a proxy over the Internet or by telephone, you do NOT need to return your proxy card. If you authorize a proxy, the individuals named on the proxy card as representatives will vote your shares of Common Stock in the manner you indicate. You may specify whether your shares of Common Stock should be voted for all, some or none of the nominees for Director and whether your shares of Common Stock should be voted for or against the other proposals. Stockholders who wish to vote in person at the Annual Meeting will need to obtain a proxy from the broker, bank or other nominee that holds their shares of Common Stock of record.

Can I Change or Revoke My Proxy?

Yes, you may change your proxy at any time before the Annual Meeting by timely delivery of a properly executed, later-dated proxy (including Internet or phone proxy) or by voting in person at the Annual Meeting. You may revoke your proxy by filing a written notice with our Corporate Secretary at our address at any time before the Annual Meeting. The powers of the proxy holders will be suspended if you attend the Annual Meeting in person and request that they be so suspended. However, attendance (without further action) at the Annual Meeting will not by itself revoke a previously granted proxy.

What Vote is Needed to Approve Each Proposal?

Following are the votes needed to approve each Proposal at the Annual Meeting. For all Proposals a quorum must be present at the Annual Meeting.

Proposal 1: The affirmative vote of a plurality of all the votes cast by stockholders of record is necessary to elect the nominees for director.

Proposal 2: The affirmative vote of a majority of all the votes cast by stockholders of record is required to ratify the selection of Ernst & Young as our Independent Accountants for the year ending December 31, 2020.

Proposal 3: The affirmative vote of a majority of all the votes cast by stockholders of record is required to approve, on a non-binding, advisory basis, the executive compensation of our named executive officers as disclosed in this Proxy Statement.

Proposal 4: The affirmative vote of the stockholders of record of two-thirds of all votes entitled to be cast is necessary to approve the amendment of the Company's Charter increasing from 400,000,000 to 600,000,000 the number of shares of Common Stock the Company is authorized to issue.

Other Matters: The affirmative vote of a majority of all the votes cast by stockholders of record is required to approve any other matters properly presented at the Annual Meeting for stockholder approval.

We will treat abstentions as shares of Common Stock that are present and entitled to vote for purposes of determining the presence or absence of a quorum. Abstentions do not constitute a vote "for" or "against" any matter being voted on at the Annual Meeting and will not be counted as "votes cast." Therefore, abstentions will have no effect on any of Proposals No. 1, 2 and 3, assuming a quorum is present, but will be considered as a vote "against" for Proposal No. 4. Broker "non-votes," or proxies from brokers or nominees indicating that such broker or nominee has not received instructions from the beneficial owner or other entity entitled to vote such shares of Common Stock on a particular matter with respect to which such broker or nominee does not have discretionary voting power, will be treated in the same manner as abstentions for purposes of the Annual Meeting. If you are a beneficial owner whose shares of Common Stock are held of record by a broker, your broker has discretionary voting authority under NYSE rules to vote your shares of Common Stock on Proposal No. 2 even if the broker does not receive voting instructions from you. However, under NYSE rules, your broker does not have discretionary authority to vote on Proposals No. 1, 3 and 4 without instructions from you, in which case a broker "non-vote" will occur and your shares of Common Stock will not be voted on these matters but will have the effect of a vote "against" with respect to Proposal No. 4. None of the Proposals, if approved, entitle any of the stockholders to appraisal rights under Maryland law.

How is My Vote Counted?

If you properly execute a proxy by mail, telephone or over the Internet, and if we receive it prior to voting at the Annual Meeting, the shares of Common Stock that the proxy represents will be voted in the manner specified in the proxy. If no specification is made, the shares of Common Stock will be voted "**for**" **all nominees** named in this Proxy Statement for election as director, "**for**" ratification of the selection of Ernst & Young as our Independent Accountants for the year ending December 31, 2020, "**for**" approval on a non-binding, advisory basis of the executive compensation disclosed in this Proxy Statement, "**for**" the approval of the Charter amendment to increase from 400,000,000 to 600,000,000 the number of shares of Common Stock the Company is authorized to issue, and as recommended by the Board with regard to all other matters in its discretion. It is not anticipated that any matters other than those set forth in this Proxy Statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted as recommended by the Board, or if there is no recommendation, in the discretion of the proxy holders. No valid stockholder proposals or nominations were received on a timely basis, so no such matters may be brought to a vote at the Annual Meeting.

Who is Soliciting My Proxy?

This solicitation of proxies is made by and on behalf of the Board. We will pay the cost of solicitation of the proxies. We have retained American Stock Transfer and Trust Company, LLC to assist, at a *de minimis* cost, in the solicitation of proxies. In addition to the solicitation of proxies by mail, our Directors, officers and employees may solicit proxies personally or by telephone at a *de minimis* cost. In addition, the Company has engaged MacKenzie Partners, Inc. to act as its proxy solicitor, at a *de minimis* cost.

No person is authorized on our behalf to give any information or to make any representations with respect to the Proposals other than the information and representations contained in this Proxy Statement, and, if given or made, such information and/or representations must not be relied upon as having been authorized, and the delivery of this Proxy Statement shall not, under any circumstances, create any implication that there has been no change in our affairs since the date hereof.

ADDITIONAL INFORMATION

Certain Relationships and Related Transactions

The Audit Committee is responsible for reviewing and approving all material transactions with any related party. Related parties include any of our Directors or Executive Officers and their immediate family members. Our policy regarding related party transactions is outlined in our Business Ethics and Conduct Policy, a copy of which can be found on the Company's website. Our Business Ethics and Conduct Policy requires all Directors, officers and employees who may have a potential or apparent conflict of interest to immediately notify the Company's Executive Vice President, General Counsel and Corporate Secretary. Further, to identify related party transactions, we submit and require our Directors and Executive Officers to complete Director and Officer Questionnaires identifying any transactions with us in which the Director, Executive Officer, or their family members have an interest.

Corporate Headquarters. We lease office space from Two North Riverside Plaza Joint Venture Limited Partnership, an entity affiliated with Mr. Zell, Chairman of our Board of Directors. Payments made in accordance with the lease agreement to this entity amounted to approximately \$1.7 million for the year ended December 31, 2019, and \$1.4 million for the years ended December 31, 2018 and 2017. The increase for the year ended December 31, 2019 primarily related to one-time permitted pass through expense as permitted by the lease agreement.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act ("Section 16(a)") requires the Company's Executive Officers and Directors, and persons who own more than 10% of the Common Stock, to file reports of ownership and changes of ownership with the SEC and the NYSE. Executive officers, Directors and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of those forms received by the Company, or written representations from Executive Officers and Directors that no Forms 5 were required to be filed for the fiscal year ended December 31, 2019, all appropriate Section 16(a) forms were filed in a timely manner, except that Mr. Heneghan inadvertently did not timely report on Form 5 certain transfers for estate planning purposes. Mr. Heneghan subsequently reported these transactions on a Form 4.

Stockholder Proposals for the 2021 Annual Meeting

Stockholder proposals intended to be presented at the 2021 annual meeting of stockholders must be received by our Corporate Secretary no later than November 18, 2020, in order to be considered for inclusion in the Company's Proxy Statement and on the proxy card that will be solicited by the Board in connection with the 2021 annual meeting of stockholders.

In addition, if a stockholder desires to bring business before an annual meeting of stockholders, which is not the subject of a proposal for inclusion in the Company's proxy materials, the stockholder must follow the advance notice procedures outlined in the Company's Bylaws. The Company's current Bylaws provide that in order for a stockholder to nominate a candidate for election as a Director at an annual meeting of stockholders or propose business for consideration at such annual meeting of stockholders, notice must generally be given to our Corporate Secretary no more than 90 days nor less than 60 days prior to the first anniversary of the preceding year's annual meeting of stockholders. The 2020 Annual Meeting is scheduled for April 28, 2020. Therefore, if a stockholder desires to present a proposal for the 2021 annual meeting of stockholders without seeking to include the proposal in the Company's proxy materials, the Company must receive notice of the proposal no earlier than January 28, 2021 and no later than February 27, 2021. Copies of the Bylaws may be obtained from our Corporate Secretary by written request.

2019 Annual Report

Stockholders are concurrently being furnished with a copy of the Company's 2019 Annual Report and Annual Report on Form 10-K. Additional copies of the 2019 Annual Report and Annual Report on Form 10-K and of this Proxy Statement are available at <http://www.astproxyportal.com/ast/26115> or by contacting Equity LifeStyle Properties, Inc, Attn: Investor Relations, at Two North Riverside Plaza, Suite 800, Chicago, Illinois 60606 (toll-free number: 1-800-247-5279 or email: investor_relations@equitylifestyle.com). Copies will be furnished promptly at no additional expense.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be "householding" our proxy materials. A single Notice of Annual Meeting of Stockholders ("Notice") will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the impacted stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in "householding" and would prefer to receive a Notice, please notify us, by directing your request to: Equity LifeStyle Properties, Inc., Two North Riverside Plaza, Suite 800, Chicago, Illinois 60606; Attn: David Eldersveld, Corporate Secretary, Telephone: 312-279-1400. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request "householding" of their communications should contact their broker as specified above.

Other Matters

The Board knows of no other matters to be presented for stockholder action at the Annual Meeting. If any other matters are properly presented at the Annual Meeting for action, it is intended that the persons named in the accompanying proxy and acting thereunder will vote in accordance with their discretion on such matters.

By Order of the Board of Directors

**Supplemental Information for the Compensation Discussion and Analysis in the
Proxy Statement for the 2020 Annual Meeting of Stockholders****INFORMATION REGARDING NON-GAAP FINANCIAL MEASURES AND RECONCILIATION OF NON-GAAP FINANCIAL MEASURES
TO MOST DIRECTLY COMPARABLE GAAP MEASURES**

The "Proxy Statement Summary" and "Compensation Discussion and Analysis" of this Proxy Statement contain Normalized Funds from Operations ("Normalized FFO"), a non-GAAP financial measure. Funds from Operations ("FFO") is a non-GAAP financial measure. We define FFO as net income, computed in accordance with GAAP, excluding gains or losses from sales of properties, depreciation and amortization related to real estate, impairment charges and adjustments to reflect our share of FFO of unconsolidated joint ventures. Adjustments for unconsolidated joint ventures are calculated to reflect FFO on the same basis. We compute FFO in accordance with our interpretation of standards established by the National Association of Real Estate Investment Trusts ("NAREIT"), which may not be comparable to FFO reported by other REITs that do not define the term in accordance with the current NAREIT definition or that interpret the current NAREIT definition differently than we do. We receive non-refundable upfront payments from membership upgrade contracts. In accordance with GAAP, the non-refundable upfront payments and related commissions are deferred and amortized over the estimated membership upgrade contract term. Although the NAREIT definition of FFO does not address the treatment of non-refundable upfront payments, we believe that it is appropriate to adjust for the impact of the deferral activity in our calculation of FFO.

We define Normalized FFO as FFO excluding the following non-operating income and expense items: a) gains and losses from early debt extinguishment, including prepayment penalties and defeasance costs and (b) other miscellaneous non-comparable items. Normalized FFO presented herein is not necessarily comparable to Normalized FFO presented by other real estate companies due to the fact that not all real estate companies use the same methodology for computing this amount.

We believe that FFO and Normalized FFO are helpful to investors as supplemental measures of the performance of an equity REIT. We believe that by excluding the effect of gains or losses from sales of properties, depreciation and amortization related to real estate and impairment charges, which are based on historical costs and which may be of limited relevance in evaluating current performance, FFO can facilitate comparisons of operating performance between periods and among other equity REITs. We further believe that Normalized FFO provides useful information to investors, analysts and our management because it allows them to compare our operating performance to the operating performance of other real estate companies and between periods on a consistent basis without having to account for differences not related to our operations. For example, we believe that excluding the early extinguishment of debt and other miscellaneous non-comparable items from FFO allows investors, analysts and our management to assess the sustainability of operating performance in future periods because these costs do not affect the future operations of the properties. In some cases, we provide information about identified non-cash components of FFO and Normalized FFO because it allows investors, analysts and our management to assess the impact of those items.

Income from Rental Operations, Net of Depreciation

We use income from rental operations, net of depreciation, as an alternative measure to evaluate the operating results of our home rental program. Income from rental operations, net of depreciation, represents income from rental operations less depreciation expense on rental homes. We believe this measure is meaningful for investors as it provides a complete picture of the home rental program operating results including the impact of depreciation, which affects our home rental program investment decisions.

Our definitions and calculations of these Non-GAAP financial and operating measures and other terms may differ from the definitions and methodologies used by other REITs and, accordingly, may not be comparable. These Non-GAAP financial and operating measures do not represent cash generated from operating activities in accordance with GAAP, nor do they represent cash available to pay distributions and should not be considered as an alternative to net income, determined in accordance with GAAP, as an indication of our financial performance, or to cash flows from operating activities, determined in accordance with GAAP, as a measure of our liquidity, nor is it indicative of funds available to fund our cash needs, including our ability to make cash distributions.

The following table presents a calculation of FFO available for common stockholders and Normalized FFO available for common stockholders for the years ended December 31, 2019, 2018, 2017, 2016 and 2015 (amounts in thousands):
