### REIT Industry Same Store NOI Growth

Source: Citi Investment Research March 2013

## Dear Readers,

As we close out 2012, we are pleased with our overall performance which included the successful integration of 75 properties acquired from Hometown America. We increased FFO by \$0.96 per share or 26% year over year.<sup>(1)</sup> Our core portfolio's continued stable performance included an increase of 278 occupied sites and NOI growth of 23%.<sup>(2)</sup> The execution of our Preferred Stock Exchange along with strategic refinancings and the extension of our unsecured line of credit demonstrate our ability to take advantage of opportunities, further strengthening our balance sheet.

As we close another year, we find ourselves nearing 20 years as a public company, providing the opportunity to review our performance over the past two decades.

Through the years, we have always associated our business philosophy with three words - Community, Quality and Stability.

### COMMUNITY

What sets us apart is the ability to create a community that our customers become a part of. Our customers find our communities to be cities within themselves - a one-stop shop for all they need from activity to amenity to family and friendship. Those friendships now carry over to the social networks, where more than 25,000 fans engage regularly.

Our unique understanding of our customers has allowed us to provide them with options for continuing to enjoy the lifestyle we offer as their needs change. We provide attractive housing options and membership products with price points that appeal to a broad customer base. Our customer focus is to provide not only what they want now but also what they will want in 10-20 years. This focus results in long-term customer relationships, which have been the key to our success year after year.

<sup>(1)</sup> See page 46 of our 2012 Form 10-K for a reconciliation of net income to FFO.  
<sup>(2)</sup> NOI for purposes of this figure equals income from property operations, excluding deferrals and property management expenses. See table on page 35 of our 2012 Form 10-K for further detail.

### QUALITY

With a primary investment in land and a primary product of lifestyle, we offer an unparalleled experience to our customer base, comprised of approximately 80 million baby boomers, retirees and active RVers who are searching for options in both location and lifestyle. Our portfolio has grown from an initial 41 properties to more than 380 and our presence in sought-after destinations on both coasts and the Sunbelt allows us to offer our customers the variety they seek.

### STABILITY

Creating long-term stable cash flow has been one of our core principles, and the performance of our portfolio over the last 20 years has been impressive. We have achieved positive same store NOI growth annually since our IPO, and a shareholder from the IPO through the end of 2012 would have realized a 17% compounded annual return.

That said, our focus is forward-looking to continued success. We invite you now to enjoy the photos within this book as they depict The Life in a Day of Equity LifeStyle Properties.

The Spring Gulch Annual Folk Festival is the reason to visit Spring Gulch RV Resort in Pennsylvania. This much anticipated gathering brings together talented musicians and artists who fill the days with music, singing, dancing, workshops, crafts and more. "This is definitely a 'Festival to Remember,' said Resort Manager Lisa Kurtz. "Once you've attended, you'll want to return year after year."

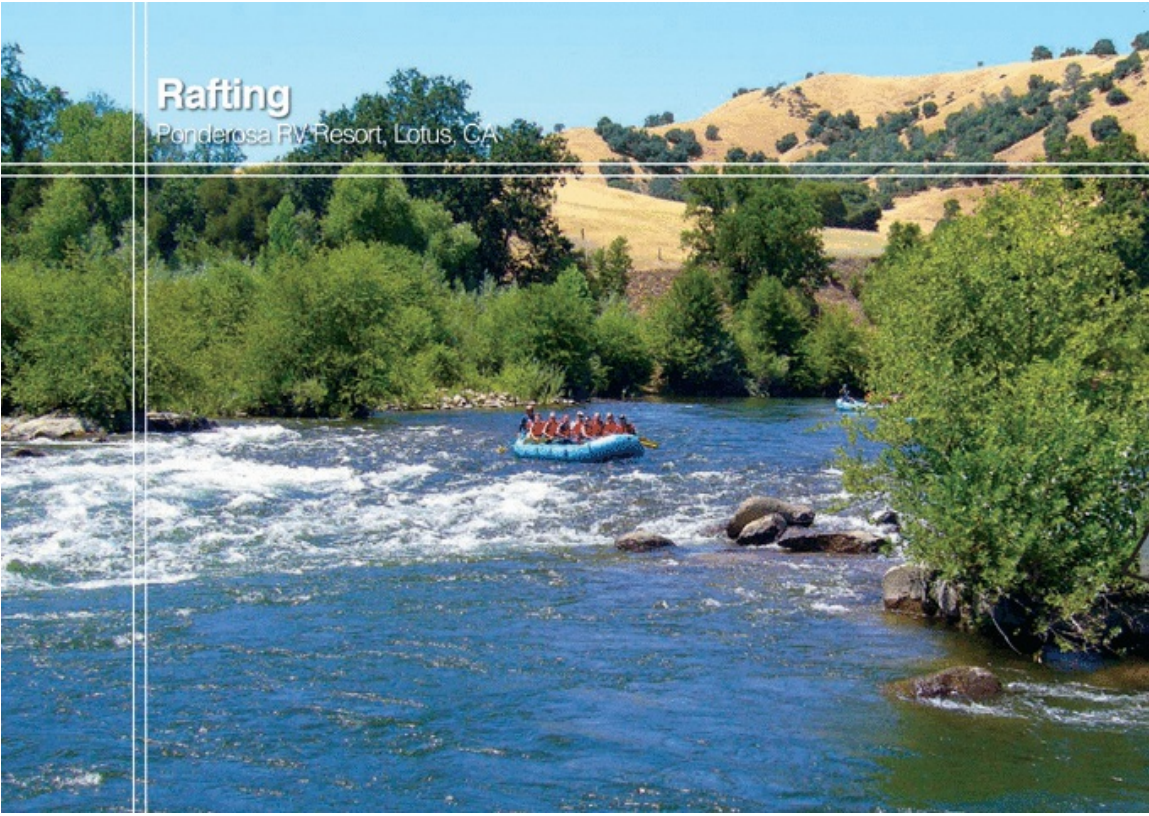

## June

Thousand Trails members Harold and Juanita B. chose to celebrate their 65th wedding anniversary at Medina Lake Preserve in Texas. Having been members of Thousand Trails for more than 20 years, they have enjoyed years of family time at the preserve surrounded by their TT family and friends. **July** When  
California's Lake Minden  
Preserve scheduled a July 4th Celebration  
in partnership with the local firefighters  
association, they were unsure of the turn-out.  
When all was said and done, over 1,400  
people came together to celebrate a  
wonderful event that included a craft  
fair, carnival, kayak races  
and more.

"A 'two-fer!' Kayaking and fishing along the Piankatank River near Chesapeake Bay, Virginia, provided 'double' the fun! In all fairness, my husband, Bob, caught bigger fish."

- Joanne S.

## September

Crabbing memories were made at Oregon's Whalers Rest when the preserve introduced crabbing classes down at the local docks. One member went on to teach his daughter and her family how to crab. "They had never eaten crab and now can't wait for the yummy supply thanks to these classes," said Northwest Recreation Coordinator Denise Schaecher.

## October

"Enjoyed a spooky, fun-filled weekend at LaConner Preserve. We loved trick-or-treating, and the Haunted Forest and Haunted House. Can't wait until next year. This is our newest family tradition."

"While I love going to all the lunches, pizza nights, potlucks and coffee and donut hours, the holiday dinners at Grand Island Resort are really wonderful, especially for those who don't have family nearby."
