PROXY STATEMENT

INTRODUCTION

This Proxy Statement contains information related to the 2006 Annual Meeting of Stockholders (the “Annual Meeting”) of Equity LifeStyle Properties, Inc., a Maryland corporation (the “Company”), which will be held on Wednesday, May 3, 2006, at 10:00 a.m. Central Time at Twenty North Wacker Drive, Sixth Floor, Chicago, Illinois.

ABOUT THE ANNUAL MEETING

What is the Purpose of the Annual Meeting?

At the Annual Meeting, stockholders will vote on the following proposals (the “Proposals”): Proposal 1 — the election of all directors to a one-year term; and Proposal 2 — ratification of the selection of Ernst & Young LLP, an independent registered public accounting firm (“Ernst & Young”) as our independent accountants for the fiscal year ending December 31, 2006. We have sent these proxy materials to you because our Board of Directors (the “Board”) is requesting that you allow your shares of common stock of the Company (“Common Stock”) to be represented at the Annual Meeting by the proxies named in the enclosed proxy card. This Proxy Statement contains information that we are required to provide you under the rules of the Securities and Exchange Commission (“SEC”) and that is designed to assist you in voting your shares of Common Stock. On March 31, 2006, we began mailing these proxy materials to all stockholders of record at the close of business on March 10, 2006 (the “Record Date”).

Who Is Entitled to Vote?

You will be entitled to vote your shares of Common Stock on the Proposals if you held your shares of Common Stock as of the close of business on the Record Date. As of the Record Date, a total of 23,571,352 shares of Common Stock were outstanding and entitled to vote. Each share of Common Stock entitles its holder to cast one vote for each matter to be voted upon.

What Is Required to Hold the Annual Meeting?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding and entitled to vote on the Record Date will constitute a quorum permitting business to be conducted at the Annual Meeting. If you have returned valid proxy instructions or you attend the Annual Meeting and vote in person, your shares of Common Stock will be counted for purposes of determining whether there is a quorum, even if you abstain from voting on any or all matters introduced at the Annual Meeting.

How Do I Vote?

Your vote is important. Stockholders can vote in person at the Annual Meeting or can vote by completing, signing and dating the enclosed proxy card and mailing it in the postage-paid envelope provided.

If you vote by proxy, the individuals named as representatives on the proxy card will vote your shares of Common Stock in the manner you indicate. You may specify whether your shares of Common Stock should be voted for all, some or none of the nominees for director and whether your shares of Common Stock should be

voted for or against Proposal 2. If your shares of Common Stock are held by a broker, bank or other nominee (i.e., in “street name”), you will receive instructions from your nominee which you must follow in order to have your shares of Common Stock voted. Such stockholders who wish to vote in person at the Annual Meeting will need to obtain a proxy form from the broker, bank or other nominee that holds their shares of Common Stock of record.

Can I Change or Revoke My Proxy?

Yes, you may change your proxy at any time before the Annual Meeting by timely delivery of a properly executed, later-dated proxy or by voting in person at the Annual Meeting. You may revoke your proxy by filing a written notice with our Secretary at our address at any time before the Annual Meeting. The powers of the proxy holders will be suspended if you attend the Annual Meeting in person and so request that they be suspended. However, attendance (without further action) at the Annual Meeting will not by itself revoke a previously granted proxy.

What Are the Board’s Recommendations?

If no instructions are indicated on your valid proxy, the representatives holding your proxy will vote in accordance with the recommendations of the Board. The Board recommends a vote:

- **FOR** the election of each of the nominees for director; and
- **FOR** the ratification of the selection of Ernst & Young as the Company’s independent accountants.

With respect to any other matter that properly comes before the Annual Meeting or any adjournment or postponement thereof, the representatives holding proxies will vote as recommended by the Board, or if no recommendation is given, in their own discretion.

How Can I Manage the Number of Annual Reports I Receive?

Our 2005 Annual Report and financial statements have been mailed to stockholders with this Proxy Statement. If you share an address with any of our other stockholders, your household might receive only one copy of these documents. To request individual copies for each stockholder in your household, please contact Equity LifeStyle Properties, Inc., Attn: Investor Relations, at Two North Riverside Plaza, Suite 800, Chicago, Illinois 60606 (toll-free number: 1-800-247-5279). To ask that only one set of the documents be mailed to your household, please contact your bank, broker or other nominee or, if you are a stockholder of record, please call our transfer agent, LaSalle Bank, N.A., toll-free at 1-800-246-5761.

What Vote is Needed to Approve Each Proposal?

The affirmative vote of the holders of record of a plurality of all of the votes cast at the Annual Meeting at which a quorum is present is necessary for the election of the nominees for director. The affirmative vote of the holders of record of a majority of all the votes cast at the Annual Meeting at which a quorum is present is required for the ratification of the selection of Ernst & Young as our independent accountants and the approval of any other matters properly presented at the Annual Meeting for stockholder approval. Abstentions do not constitute a vote “for” or “against” any matter being voted on at the Annual Meeting and will not be counted as “votes cast,” although they will count toward the presence of a quorum. Broker “non-votes,” or proxies from brokers or nominees indicating that such broker or nominee has not received instructions from the beneficial owner or other entity entitled to vote such shares of Common Stock on a particular matter with respect to which such broker or nominee does not have discretionary voting power, will be treated in the same manner as abstentions for purposes of the Annual Meeting.

Who is Soliciting My Proxy?

This solicitation of proxies is made by and on behalf of our Board. We will pay the cost of solicitation of the proxies. We have retained LaSalle Bank, N.A., at a *de minimis* cost, to assist in the solicitation of proxies.

No person is authorized on our behalf to give any information or to make any representations with respect to the Proposals other than the information and representations contained in this Proxy Statement, and, if given or made, such information and/or representations must not be relied upon as having been authorized, and the delivery of this Proxy Statement shall not, under any circumstances, create any implication that there has been no change in our affairs since the date hereof.

CORPORATE GOVERNANCE

The Board regularly evaluates the Company's corporate governance policies and benchmarks those policies against the rules and regulations of governmental authorities, the best practices of other public companies and suggestions received from various authorities. The Board has adopted the Company's Guidelines on Corporate Governance. The Company's Guidelines on Corporate Governance require that a majority of the directors be independent within the meaning of New York Stock Exchange ("NYSE") standards. The Company's Common Stock is listed on the NYSE under the symbol "ELS". The Company has also adopted a Business Ethics and Conduct Policy, which applies to all directors, officers and employees of the Company.

The Guidelines on Corporate Governance, the Business Ethics and Conduct Policy and the charters of the Board's Audit Committee and Compensation, Nominating and Corporate Governance Committee are each available on the Company's website at <http://www.equitylifestyle.com>, and a copy of same may be obtained free of charge by sending a written request to Equity LifeStyle Properties, Inc., Attn: Investor Relations, Two North Riverside Plaza, Suite 800, Chicago, Illinois 60606, or by contacting the Company's Investor Relations Department at investor_relations@mhchomes.com.

The Company's Lead Director is Sheli Z. Rosenberg who, as an independent director, acts in the lead capacity to coordinate the other independent directors, consults with the Company's Chief Executive Officer on Board agendas, chairs the executive sessions of the non-management directors and performs other such functions as the Board may direct. Any stockholder or other interested party who has a concern or inquiry regarding the conduct of the Company may communicate directly with the Board or the non-management directors by contacting the Lead Director, who will receive all such communications on behalf of the Board or the non-management directors (as applicable). Communications may be confidential or anonymous, and may be submitted in writing to the Lead Director, c/o Secretary, Equity LifeStyle Properties, Inc., Two North Riverside Plaza, Suite 800, Chicago, Illinois 60606. All written communications will be received and processed by the Secretary of the Company, and all substantive communications will be referred to the Lead Director. All such communications will be reviewed and, if necessary, investigated and/or addressed by the Lead Director and the status of such communications will be reported to the Board or the non-management directors (as applicable) on a quarterly basis. The Lead Director may direct special treatment, including the retention of outside advisors or counsel, for any such concern or inquiry.

Although each director is strongly encouraged to attend each Annual Meeting of Stockholders, the Board has no formal policy with respect to such attendance. A majority of the eight directors in office as of the date of the 2005 Annual Meeting of Stockholders were in attendance at such meeting.

Non-Management Directors' Executive Sessions

Executive sessions of the Company's non-management directors are scheduled in connection with regularly scheduled meetings of the Board and may be held without management present at such other times as requested by the non-management directors. The presiding director at these executive sessions is the Lead Director.

Committees of the Board; Meetings

The Compensation Committee also has the authority to grant stock options, stock appreciation rights and restricted stock awards in accordance with the Company's 1992 Stock Option and Stock Award Plan, as amended and restated (the "Plan"), to the management of the Company and its subsidiaries, other employees and consultants. In addition, the Compensation Committee identifies and recommends qualified individuals to become Board members, develops and recommends the Guidelines on Corporate Governance applicable to the Company, recommends to the Board director nominees for each committee of the Board and directs the Board in an annual review of its performance. During the year ended December 31, 2005, the Compensation Committee held six meetings and took three actions by unanimous written consent.

The Board has also determined that Mr. Calian is an "audit committee financial expert" as such term is defined by the SEC in Item 401(h) of Regulation S-K. The Audit Committee is governed by the Audit Committee Charter which was filed as an attachment to the Company's proxy statement filed with the SEC on April 11, 2005. The Audit Committee is responsible for, among other things, engaging our independent accountants, reviewing with the Company's independent accountants the plans for and results of the audit engagement, approving professional services provided by the Company's independent accountants, reviewing the independence of the Company's independent accountants, considering the range of audit and non-audit fees and reviewing the adequacy of the Company's internal accounting controls. The Audit Committee has also established procedures for the processing of complaints received from employees regarding internal control, accounting and auditing matters. During the year ended December 31, 2005, the Audit Committee held nine meetings and took no actions by unanimous written consent.

Board Member Nominations

Board member nominations are governed by the Compensation, Nominating and Corporate Governance Committee Charter. The Compensation Committee will consider nominees recommended by stockholders. If you wish to recommend a person whom you consider qualified to serve on the Board, you must give written notice to the Secretary of the Company in accordance with the requirements described in "Stockholder Proposals." This notice must contain: (i) as to each nominee, all information that would be required to be disclosed in a proxy statement with respect to the election of directors pursuant to the Exchange Act, (ii) the name and address of the stockholder giving the notice, (iii) the number of shares of Common Stock owned beneficially and of record by such stockholder, and (iv) the written consent of each nominee to serve as a director if so elected. The Compensation Committee will consider and evaluate persons recommended by stockholders in the same manner as potential nominees identified by the Board and/or the Compensation Committee.

The Compensation Committee identifies nominees for director from various sources. In assessing potential director nominees, the Compensation Committee considers the character, background and professional

experience of candidates. All nominees should possess good judgment and an inquiring and independent mind. Familiarity with the issues affecting the Company is among the relevant criteria. All director nominees must possess a reputation for the highest personal and professional ethics, integrity and values. The Compensation Committee will also carefully consider any potential conflicts of interest. Nominees must also be willing and able to devote sufficient time and effort to carrying out the duties and responsibilities of a director effectively, and should be committed to serving on the Board for an extended period of time.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Independence of Directors

Pursuant to the Company's Guidelines on Corporate Governance, which require that a majority of our directors be independent within the meaning of NYSE corporate governance standards and do not include any additional categorical standards other than those required by the NYSE, the Board undertook a review of the independence of directors nominated for re-election at the upcoming Annual Meeting. During this review, the Board considered transactions and relationships, if any, during the prior year between each director or any

member of his or her immediate family and the Company, including those reported under “Certain Relationships and Related Transactions” below. As provided in the Guidelines, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the director is independent.

As a result of this review, the Board affirmatively determined that all the directors nominated for election at the Annual Meeting are independent of the Company and its management with the exception of our current Chief Executive Officer, Mr. Heneghan and our former Chief Executive Officer, Mr. Walker. The Board determined that each independent director has no material relationship with the Company other than being a director and/or a stockholder of the Company. The Board specifically considered Mr. Zell’s relationship to EGI (defined below) as described under “Certain Relationships and Related Transactions” below and determined that this relationship does not breach NYSE bright line tests and did not hinder his independence.

Board Recommendation

The Board unanimously recommends that you vote "FOR" each of the eight nominees for director for a one-year term.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT ACCOUNTANTS

The Board recommends that the stockholders ratify the selection of Ernst & Young as the Company's independent accountants for the fiscal year ending December 31, 2006. Although stockholder action on this matter is not required, the Board believes it is good corporate practice to seek stockholder ratification of its selection. The Audit Committee has pre-approved Ernst & Young's review of our 2006 quarterly financial statements and SEC filings and intends to engage Ernst & Young to audit our 2006 annual financial statements. If the selection of Ernst & Young is not ratified, the Audit Committee anticipates that it will nevertheless engage Ernst & Young as independent accountants for the 2006 calendar year, but will consider whether it should select other auditors for the 2007 calendar year.

Ernst & Young has advised us that neither it nor any member thereof has any financial interest, direct or indirect, in our Company or any of our subsidiaries in any capacity. There have been no disagreements between the Company and its independent accountants relating to accounting procedures, financial statement disclosures or related items. Representatives of Ernst & Young are expected to be available at the Annual Meeting. These representatives will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Audit and Non-Audit Fees

Audit Fees. The aggregate fees billed (or expected to be billed) for fiscal years 2005 and 2004 for professional services rendered by the independent accountants for the audit of the Company's financial statements, for the audit of internal controls relating to Section 404 of the Sarbanes-Oxley Act and for the reviews by the independent accountants of the financial statements included in the Company's Forms 10-Q were \$529,000 and \$620,500, respectively.

Audit-Related Fees. The aggregate fees billed (or expected to be billed) for fiscal years 2005 and 2004 for assurance and related services by the independent accountants that are reasonably related to the performance of the audit or review of the Company's financial statements that are not reported as "Audit Fees" above were \$37,450 and \$152,000, respectively. These fees consist primarily of fees for services provided to assist the Company with attest services related to audits of subsidiaries and benefit plans.

Tax Fees. The aggregate fees billed (or expected to be billed) for fiscal years 2005 and 2004 for professional services rendered by the independent accountants for tax compliance, tax advice and tax planning were \$29,500 for each year. These fees consist primarily of fees for services provided to assist the Company with tax return preparation and review and corporate tax compliance services.

All Other Fees. There were no other fees billed to the Company by the independent accountants in fiscal years 2005 and 2004.

Auditor Independence. The Audit Committee has determined that the independent accountants' provision of the non-audit services described above is compatible with maintaining the independent accountants' independence.

Policy on Pre-Approval. The Company and the Audit Committee are committed to ensuring the independence of the Company's independent accountants, both in fact and in appearance. In this regard, the Audit Committee has established a pre-approval policy in accordance with the applicable rules of the SEC and the NYSE. The Audit Committee must pre-approve all audit services and permissible non-audit services provided by the Company's independent accountants, except for any *de minimis* non-audit services. The Audit Committee may delegate to one or more of its members who is an independent director the authority to grant pre-approvals. All services provided by Ernst & Young in 2005 were pre-approved by the Audit Committee.

Vote Required

The affirmative vote of holders of a majority of the votes cast is necessary to ratify the selection of Ernst & Young.

Board Recommendation

The Board unanimously recommends that you vote "FOR" the ratification of the selection of Ernst & Young as the Company's independent accountants for 2006.

EXECUTIVE COMPENSATION

(1) Under the Plan, an officer who receives a bonus receives 50% of the bonus in cash and 50% of the bonus in the form of a stock award. Under the Plan, the officer may request, subject to approval by the Compensation Committee, to receive more or less than 50% of the bonus in the form of a stock award. To the extent that an officer receives up to 50% of the bonus as a stock award, the stock award is calculated using the fair market value of a share of Common Stock as of the date the bonus is paid. If more than 50% of the bonus is to be paid as a stock award, the additional stock award is calculated using the most recent purchase price for a share of Common Stock under the Company’s Non-Qualified Employee Stock Purchase Plan (“ESPP”) or the price that would be used under the ESPP for the offering period then in progress if the period ended the day the bonus was paid, which is less than the fair market value of a share of Common Stock on the day the bonus is paid.

STOCK OPTION AND STOCK AWARD PLAN INFORMATION

The Plan was adopted in December 1992, and amended and restated from time to time, most recently effective March 23, 2001. The Plan and certain amendments thereto were approved by the Company's stockholders. A maximum of 6,000,000 shares of Common Stock are available for grant under the Plan, and no more than 250,000 shares of Common Stock may be subject to grants to any one individual in any calendar year. As of December 31, 2005, 1,775,975 shares of Common Stock remained available for grant; of these, 839,025 shares of Common Stock remained available for Restricted Common Stock Awards.

DIRECTOR COMPENSATION

The Company paid each of its non-employee directors a quarterly fee of \$7,500 for the quarters ended March 31, 2005 and June 30, 2005 and \$11,250 for the quarters ended September 30, 2005 and December 31, 2005, respectively. In addition, directors who serve on the Executive Committee, Audit Committee or Compensation Committee receive an additional \$1,000 per annum for each committee on which they serve. Committee chairs receive an additional \$500 per annum for their service. Directors who are employees of the Company are not paid any directors' fees. The Company reimburses the directors for travel expenses incurred in connection with their activities on behalf of the Company. On the date of the first Board meeting after each Annual Meeting of Stockholders, each director then in office will receive at the director's election either an annual grant of options to purchase 10,000 shares of Common Stock at the then-current market price or an annual grant of 2,000 shares of Restricted Common Stock. One-third of the options to purchase Common Stock and the shares of Restricted Common Stock covered by these awards vest on the date six months after the grant date, one-third vest on the first anniversary of the grant date and one-third vest on the second anniversary of the grant date. In February 2006, Mr. Zell was awarded options to purchase 100,000 shares of Common Stock, for services rendered as Chairman of the Board during 2005; Mrs. Rosenberg was awarded options to purchase 25,000 shares of Common Stock, which she elected to receive as 5,000 shares of Restricted Common Stock, for services rendered as Lead Director and Chair of the Compensation Committee during 2005; Mr. Walker was awarded options to purchase 15,000 shares of Common Stock, which he elected to receive as 3,000 shares of Restricted Common Stock, for services rendered as Chair of the Executive Committee during 2005; and Mr. Calian was awarded options to purchase 15,000 shares of Common Stock, which he elected to receive as 3,000 shares of Restricted Common Stock, for services rendered as Audit Committee Financial Expert and Audit Committee Chair during 2005. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee members for 2005 were Mr. Chisholm, Mr. Waterman and Mrs. Rosenberg. No member of the Compensation Committee is a past or present officer or employee of the Company. For a description of certain transactions with Board members or their affiliates, see "Certain Relationships and Related Transactions."

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee determines the compensation of the Company's officers, including those named in the Summary Compensation Table, and guides the Company's overall philosophy towards compensation of its employees. The Compensation Committee believes that the compensation of the Company's Chief Executive Officer and all of the Company's officers should be both competitive and based on individual and Company performance.

The Company's executive salary structure is reviewed annually by the Compensation Committee using the SNL Executive Compensation Review for REITs ("SNL Survey") for guidance. In addition, the entire Company's salary structure is reviewed annually. Where salary information is unavailable for a particular position, other positions having similar responsibilities either within the Company or in companies of

comparable size are used. Salary increases are based upon overall Company performance and upon each officer's (including the Chief Executive Officer's) performance and contribution to the Company's performance.

The Company's compensation policy takes into account a review of local and national peer group salary surveys focusing primarily on the SNL Survey. The SNL Survey contains detailed compensation and performance data on publicly traded REITs. The Compensation Committee believes the SNL Survey provides comparable salary data for the Company. The Compensation Committee believes that the Company's compensation levels compare favorably to those of the Company's peer groups described in the surveys and targets median to high total compensation levels for the Company's officers. This is not the same peer group that is used in the Performance Graph disclosed separately in this Proxy Statement. In addition, during 2006 the Compensation Committee engaged the services of an outside consulting firm, Towers Perrin, to review and advise the Compensation Committee on executive compensation matters.

The Compensation Committee believes that attracting and retaining highly qualified executives is accomplished by providing competitive base salaries and meaningful incentives, both short-term and long-term, intended to reward performance and retain experienced management. During the fiscal year ended December 31, 2005, there were three major components of executive compensation: base salary, bonus and long-term incentives in the form of Restricted Common Stock Awards. The Compensation Committee has deliberately kept base salaries at levels which may compare less favorably with comparable positions in other companies. This allows the Compensation Committee to reward officers' performance through bonuses and long-term incentives such as Restricted Common Stock Awards. Further short-term and mid-term incentives for officers are accomplished through the Company's bonus plan. The bonus plan involves the Company and the officer jointly setting goals for such officer at the beginning of each year.

Benchmarks for determining bonus amounts during 2005 included meeting occupancy targets in the manufactured home community portfolio, achieving certain levels of new home sales volumes, sales profitability, and resort operation revenues, and achieving proforma costs and timeliness on expansion and development projects. Each performance measure carried equal weight.

In 2005, the Company's core business continued to deliver solid operating performance. The Company successfully integrated and operated the 135 properties that we acquired or invested in during 2004. During the integration process, the existing business continued to operate in line with expectations. Because of the success of the integration of the properties, the Compensation Committee awarded an additional special award bonus ("Special Award") of \$250,000 for the Chief Executive Officer and \$100,000 for each of the Chief Financial Officer, Chief Operating Officer, General Counsel and Vice President of New Business Development.

To provide long-term incentives for officers and to retain qualified officers, the Company has created performance and tenure-based Restricted Common Stock Award programs. The vesting of Restricted Common Stock Awards is subject to acceleration in the case of death, disability and involuntary termination not for cause or change of control of the Company. The Compensation Committee recognizes that the interests of stockholders are best served by giving key employees the opportunity to participate in the appreciation of the Company's Common Stock.

In December 2001, the Compensation Committee created the 2004 Long Term Restricted Stock Plan (the "2004 Program"), which provided for shares of Restricted Common Stock to be granted on January 5, 2004 to individuals who were employed by the Company on November 15, 2001 and on January 5, 2004 and who hold the respective titles of Chief Executive Officer, Chief Operating Officer, General Counsel and Chief Financial Officer, as well as certain other titles, on such grant date. Shares granted on January 5, 2004 are subject to a further three year vesting schedule, with one-third vesting December 10, 2004, one-third vesting December 10, 2005 and one-third vesting December 10, 2006, with vesting based on an individual's tenure in such titled positions. In connection with the hiring of Mr. Berman, Chief Financial Officer of the Company, in September 2003, the Compensation Committee waived the requirement that Mr. Berman hold such title on the grant date in order to be eligible to receive a grant of Restricted Common Stock under the 2004 Program; as a result, Mr. Berman received such a grant on January 5, 2004. On January 5, 2004 under the 2004 Program, Mr. Heneghan was granted 40,000 shares; Mr. Berman was granted 25,000 shares; Mr. Maynard was granted

30,000 shares; Ms. Kelleher was granted 25,000 shares; and Ms. Nader was granted 7,500 shares. No Restricted Common Stock was granted to employees or officers of the Company in 2005.

During 2005, Mr. Heneghan, who served as the Chief Executive Officer of the Company, received a base annual salary of \$350,000 and a cash bonus of \$315,000, representing 60% of the bonus for which he was eligible, excluding the Special Award discussed above. In establishing Mr. Heneghan's base annual salary for 2006, the Compensation Committee considered Mr. Heneghan's individual performance and the performance of the Company in 2005. The Compensation Committee also recognized that under Mr. Heneghan's leadership of the Company, the Company successfully integrated and operated the 2004 acquisitions while maintaining performance of the existing business. In establishing Mr. Heneghan's 2005 bonus, the Compensation Committee reviewed Mr. Heneghan's performance against established goals set by the Compensation Committee for both the Company and Mr. Heneghan individually. In 2005, Mr. Heneghan was eligible to receive a bonus of up to 150% of his base annual salary; however, Mr. Heneghan and the other members of senior management received only the portion of the bonus related to new home sales volumes, sales profitability, and resort operation revenues, but did not receive the portion of the bonus related to occupancy and development activities. Mr. Heneghan requested, and the Compensation Committee approved, that the portion of the 2005 potential bonus relating to occupancy and development activities be carried over into bonus targets for 2006 due to unforeseen factors impacting these targets, such as hurricanes and alternative use analyses on previously approved development plans. The Compensation Committee further determined that Mr. Heneghan's base salary and bonus were appropriate in relation to market data and the base salaries of other Chief Executive Officers within the Company's industry and within publicly traded companies of similar size.

No options were granted to employees of the Company during 2005, except for Mr. Heneghan's grant as a director.

The Compensation Committee believes that the compensation program properly rewards the Company's officers for achieving improvements in the Company's performance and serving the interests of its stockholders.

The Company may or may not structure compensation arrangements to satisfy the requirements for performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

AUDIT COMMITTEE REPORT

The Audit Committee of the Board consists of the three directors of the Company listed below, each of whom meets the independence and financial literacy requirements of the NYSE and Rule 10A-3 of the Exchange Act. In addition, the Board has determined that Mr. Calian qualifies as an "audit committee financial expert" as defined by the SEC rules. No member of the Audit Committee is a current or former officer or employee of the Company, and no member serves on more than two other public company audit committees.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. The Company's management has the primary responsibility for the financial statements, for maintaining effective internal control over financial reporting, and for assessing the effectiveness of internal control over financial reporting. The Audit Committee is governed by a written charter approved by the Board. In accordance with this charter, the Audit Committee oversees the accounting, auditing and financial reporting practices of the Company. The Audit Committee is responsible for the appointment, retention, compensation, and oversight of the work of the independent accountants. The Audit Committee pre-approves the services of the independent

accountants in accordance with the applicable rules of the SEC and the NYSE. The Audit Committee has also established procedures for the processing of complaints received from employees regarding internal control, accounting, and auditing matters. The Audit Committee held nine meetings during 2005.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 (the "Form 10-K") with the Company's management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements. The Audit Committee also reviewed and discussed management's report on its assessment of the effectiveness of the Company's internal control over financial reporting and the independent accountants' report on management's assessment and the effectiveness of the Company's internal control over financial reporting with management, the internal auditors and the independent accountants.

The Audit Committee reviewed with the Company's independent accountants, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by Statement on Auditing Standards No. 61 (as amended), other standards of the Public Company Accounting Oversight Board, rules of the SEC, and other applicable regulations. In addition, the Audit Committee has discussed with the independent accounting firm the firm's independence from the Company's management and the Company, including the matters in the letter from the firm required by Independence Standards Board Standard No. 1, and considered the compatibility of non-audit services provided to the Company by the independent accountants with the independent accountants' independence.

The Audit Committee discussed with the Company's independent accountants the overall scope and plans for their audit. The Audit Committee met with the independent accountants, with and without management present, to discuss the results of their examinations; their evaluation of the Company's internal controls, including internal control over financial reporting; and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board has approved, that the audited financial statements and management's assessment of the effectiveness of the Company's internal control over financial reporting be included in the Form 10-K for filing with the SEC. The Audit Committee and the Board also have recommended, subject to stockholder ratification, the selection of the Company's independent accountants.

PERFORMANCE GRAPH

The following performance graph compares total stockholders' return on the Common Stock since December 31, 2000 with the Standard and Poors ("S&P") 500 Stock Index and the index of equity REITs prepared by the National Association of Real Estate Investment Trusts ("NAREIT"). The Common Stock price performance graph assumes that an investment of \$100 was made on December 31, 2000 in the Common Stock and in each of the two indexes, and further assumes the reinvestment of all dividends. Equity REITs are defined as those REITs which derive more than 75% of their income from equity investments in real estate assets. The NAREIT equity index includes all tax qualified REITs listed on the NYSE, the American Stock Exchange or the NASDAQ Stock Market. Common Stock price performance presented for the period from December 31, 2000 through December 31, 2005 is not necessarily indicative of future results.
