CORPORATE GOVERNANCE

Governance Policies, Code of Ethics and Committee Charters

The Board regularly evaluates the Company's corporate governance policies and benchmarks those policies against the rules and regulations of governmental authorities, the best practices of other public companies and suggestions received from various authorities. The Board has adopted the Company's Guidelines on Corporate Governance, as amended. The Company's Guidelines on Corporate Governance require that a majority of the Directors be independent within the meaning of New York Stock Exchange ("NYSE") standards. The Company's common stock ("Common Stock") is listed on the NYSE under the ticker symbol "ELS." The Company has also adopted a Business Ethics and Conduct Policy, which applies to all Directors, officers and employees of the Company. We will disclose on our website any amendment to, or waiver of, any provision of the Business Ethics and Conduct Policy applicable to our Directors and executive officers ("Executive Officers" or "NEOs") that would otherwise be required to be disclosed under the rules of the Securities and Exchange Commission ("SEC") or NYSE.

Our Guidelines on Corporate Governance include a Director resignation policy, whereby an incumbent Director who fails to receive a majority of the votes cast in an uncontested election is expected to submit his or her resignation. If an incumbent Director fails to receive such a majority vote and tenders his or her resignation, the Board's Compensation, Nominating and Corporate Governance Committee (the "Compensation Committee") will make a recommendation to the Board as to whether to accept or reject the tendered resignation, or whether other action is recommended, taking into account any information that it considers appropriate and relevant, including the circumstances that led to the failure to receive the vote, if known. The Board will act on the tendered resignation within ninety (90) days following certification of the stockholder vote and will promptly disclose its decision and rationale as to whether to accept the resignation (or the reasons for rejecting the resignation, if applicable) in a press release, filing with the SEC or other public announcement. On an annual basis, a Board evaluation process is completed whereby the Board's Lead Director (the "Lead Director"), Philip Calian, conducts interviews independently with each Director. The evaluation process includes an assessment of the performance of the Board and each Board committee as a whole, and individual Directors, with a focus on areas such as independence and objectivity, attendance, participation and input, knowledge and expertise, insightfulness and forethought, preparation and commitment to improvement. The Lead Director discusses the results of these evaluations with the Directors individually as necessitated and with the Board and each Board committee as a whole. Our Guidelines on Corporate Governance also provide that the Compensation Committee will have oversight with respect to executive officer succession planning and management development plans.

Stockholder Communications with the Board

The Board's Lead Director is Mr. Calian who, as an independent Director, acts in the lead capacity to coordinate the other independent Directors, consults with our Chief Executive Officer on Board agendas, chairs the executive sessions of the non-management Directors and performs such other functions as the Board may direct. Any stockholder or other interested party who has a concern or inquiry regarding the conduct of the Company may communicate directly with the Lead Director, who will receive all such communications on behalf of the Board or the non-management Directors (as applicable). Communications may be confidential or anonymous, and may be submitted in writing to the Lead Director, c/o Corporate Secretary, Equity LifeStyle Properties, Inc., Two North Riverside Plaza, Suite 800, Chicago, Illinois 60606. All written communications will be received and processed by our Corporate Secretary, and all substantive communications will be referred to the Lead Director. All such communications will be reviewed and, if necessary, investigated and/or addressed by

the Lead Director and the status of such communications will be reported to the Board or the non-management Directors (as applicable) on a quarterly basis. The Lead Director may direct special treatment, including the retention of outside advisors or counsel, for any such concern or inquiry.

The Board and our management value the perspectives of our stockholders. Accordingly, we maintain an active dialogue with our investors, which includes meetings with investors and regular participation in investor conferences. We are open to investor feedback, including with respect to corporate governance, ESG and executive compensation matters. Management periodically discusses feedback, including key themes and insights gained from our investor outreach at Board and Board Committee meetings, as appropriate. Additionally, the Compensation Committee takes into consideration the results of the annual advisory vote on the Company's executive compensation. At the 2020 annual meeting of stockholders, over 91% of all the votes cast approved the compensation program described in the proxy statement for the 2020 annual meeting of stockholders.

Although each Director is encouraged to attend each annual meeting of stockholders, the Board has no formal policy with respect to such attendance. Nine of ten Directors in office as of the date of the 2020 annual meeting of stockholders attended that virtual stockholder meeting.

Non-Management Directors' Executive Sessions

Executive sessions of the Company's non-management Directors are scheduled in connection with regularly scheduled meetings of the Board and are held without management present. Executive sessions may also be held at such other times as requested by the non-management Directors. The Lead Director presides at these executive sessions. During the year ended December 31, 2020, the non-management Directors held four executive sessions.

Many regular quarterly Board committee meetings include educational briefings from management regarding a wide variety of strategic initiatives. The Company also provides an orientation program for new Directors, which includes an overview of duties and our corporate governance policies, as well as one-on-one sessions with each member of executive management on the Company's strategy and industry.

Board Leadership Structure and Role in Risk Oversight

The Company has separated the positions of chairman of the board and chief executive officer since 1996. Samuel Zell currently serves as Chairman of the Board, and Marguerite Nader currently serves as our President and Chief Executive Officer ("CEO") and is a member of the Board. Mr. Zell has served as Chairman of the Board since March 1995, and was previously Co-Chairman of the Board from December 1992 to March 1995, and is uniquely qualified to serve in this capacity. Mr. Zell is an active investor in public and private companies around the world to which he provides strategic direction. He has more than 50 years of experience as a chairman, director and executive of various companies, has managed billions of dollars in global investments and has a strong track record of stewarding companies towards the maximization of their potential. Mr. Zell is recognized as a founder of the modern real estate investment trust industry and is a champion for increased transparency by public companies. As our Chairman, Mr. Zell presides over meetings of the Board, stewards the Company, regularly counsels executive management regarding strategy and provides executive management with a network of resources across the industry. Mr. Calian, an independent Director, serves as the Board's Lead Director as discussed above. The Board has determined that this leadership structure is appropriate as it allows the CEO to focus on our day-to-day business, while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. The Company faces a number of risks, including economic, environmental and regulatory risks, and others such as the impact of competition and weather conditions. The Company believes one way to manage risk is to maintain balance sheet flexibility and evaluate major capital items, including dividend policy, debt policy, acquisitions and dispositions, and equity and debt issuances, in light of the potential impact on financial flexibility. Management is responsible for the day-to-day management of risks the Company faces, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board has the responsibility to satisfy itself that the risk management processes designed by management are adequate and functioning as designed.

The Board believes that establishing the right "tone at the top" and full and open communications between management and the Board are essential for effective risk management and oversight. Our CEO meets quarterly with Board Committee chairpersons, updating them on a variety of matters, including risk management and related controls. Our CEO also meets monthly with our Lead Director. Our Executive Officers attend each quarterly Board meeting and are available to address any questions or concerns raised by the Board on risk management-related and any other matters. At the quarterly Board meetings, the Board receives presentations from our Executive Officers on strategic matters involving the Company's operations.

While the Board is ultimately responsible for risk oversight at the Company, our four Board Committees assist the Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls, compliance with legal and regulatory requirements; and, in accordance with NYSE requirements, discusses policies with respect to risk assessment and risk management, including, but not limited to, insurance coverage, interest rate risk management, cyber technology, human rights and ESG risks. Our management regularly provides risk assessment reports to the Audit Committee, including reports relating to regulatory and cybersecurity matters. With respect to cybersecurity matters, the reports provided by management to the Audit Committee include cybersecurity risks facing the Company and the measures the Company is taking to mitigate such risks, as well as updates as to changes to the Company's cybersecurity risk profile or certain newly identified risks. The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs and risks associated with Board organization, membership and structure, succession planning, and corporate governance. The Executive Committee of the Board (the "Executive Committee") assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with the acquisition, disposition and financing of investments for the Company. The Strategic Planning Committee of the Board (the "Strategic Planning Committee") assists the Board in fulfilling its oversight responsibilities with respect to the management of risks related to Company strategy and potential strategic initiatives.

Management Development and Succession Planning

The Board's goal, through the oversight of the Compensation Committee, is to have an ongoing program for executive leadership development and succession for executive management. As reflected in the Guidelines on Corporate Governance, the Compensation Committee is responsible for overseeing the preparation of executive succession and management development plans tailored to reflect the Company's current business strategy and vision. The Compensation Committee and the CEO review these succession plans for senior management periodically and report to the Board on these plans. The succession plan involves creating profiles of ideal candidates and selecting successors expected to fit the needs of the Company over time. Individuals who are identified as high potential leaders are given exposure and visibility to Board members through formal presentations and informal events.

Securities Hedging Policy

The Company's hedging policy is included in the Company's Policy on Securities Trading and reads as follows: "Directors and officers (and any member of the director's or officer's family sharing the same household) are prohibited from engaging in short sales (including buying puts or selling calls) or any other hedging transactions with respect to any equity securities of the Company held by them, which includes the purchase of any financial instrument (including, but not limited to, prepaid variable forward contracts, equity swaps, collars, and exchange funds) designed to hedge or offset any decrease in the market value of such equity securities."

Securities Pledging Policy

Our Board has consistently and closely monitored pledging activity and has examined any potential risks associated with any such pledging by our Directors and Executive Officers. In March 2017, the Board adopted a Securities Pledging Policy with the elements set forth below, which in its business judgment provides appropriate protections of stockholder interests. All Directors and Executive Officers are currently in compliance with this policy.

- Pledging of our shares of Common Stock and OP Units by Directors and Executive Officers is not permitted without the prior approval of the Audit Committee.
- For shares of Common Stock held in brokerage accounts, margin loans using our shares of Common Stock as collateral are prohibited.
- When considering whether to permit a proposed pledge, the Audit Committee shall consider factors that it deems relevant, which may include, but are not limited to:
 - the number of shares of Common Stock or OP Units to be pledged and the aggregate market value of the position;
 - the percentage of the Company's outstanding shares of Common Stock, on an as-converted basis, represented by the equity to be pledged;
 - the value of the equity to be pledged as compared to the net worth of the individual and other factors bearing

on the ability of the individual to prevent a forced sale of the pledged position;

- the number of days required to unwind the proposed pledge;
 - the structural protections in the borrowing arrangement to guard against foreclosure on the pledged position, including whether there are other assets securing the loan; and
 - historical share prices and trends in trading volumes with respect to the Company's equity.
- For any new loan which includes a proposed pledge of our shares of Common Stock and/or OP Units to be considered by the Audit Committee, the loan must contain the following structural parameters intended to mitigate the risk of a forced sale as a result of a decline in the market price of our Common Stock and OP Units:
- the loans must be compliant with the requirements of Federal Reserve Regulation U, limiting the amount of any such loan to a maximum 50% of the value of collateral, as measured at the time of borrowing; and
 - the loan and pledge arrangements may not contain provisions requiring automatic or forced sales, prior to notice and a cure period of not less than three business days between when specific loan-to-value thresholds are exceeded and when lenders have the right to exercise remedies under the pledge arrangement.

Political Contributions Policy

The Company has a robust policy governing political expenditures. Under the policy approved by the Board, any political spending by the Company must be legitimately linked to the Company's business purposes and strategic intent, approved by the Chief Executive Officer, and reviewed annually by the Compensation Committee. The policy is available on the Company's website at www.equitylifestyleproperties.com in the investor relations section under "Corporate Governance."

Committees of the Board; Meetings

During the year ended December 31, 2020, the Board held four meetings. Each of the Directors attended 100% of the total number of meetings of the Board and the committees on which he or she served. The members of the Board committees are elected by the Board each year at the Board meeting that is held after the annual meeting of stockholders.

The four standing committees of the Board are: Audit Committee, Compensation, Nominating and Corporate Governance Committee, Executive Committee, and Strategic Planning Committee. The Board has determined that each member of the Audit Committee and Compensation Committee is an "independent" Director within the meaning set forth in the NYSE listing standards and Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee and Compensation Committee each are governed by a charter which generally states the purpose of the committee and outlines the committee's structure and responsibilities. These charters are available on our website. The current membership information for our Board committees is presented below. Board Composition and Refreshment

Nominees for Director are selected by the Compensation Committee, which will consider nominees recommended by stockholders. If you wish to recommend a person whom you consider qualified to serve on the Board, you must give written notice to our Corporate Secretary in accordance with the requirements described in "Stockholder Proposals." This notice must contain: (i) as to each nominee, all information that would be required to be disclosed in a proxy statement with respect to the election of Directors pursuant to the Exchange Act, (ii) the name and address of the stockholder giving the notice, (iii) the number of shares of Common Stock owned beneficially and of record by such stockholder, and (iv) the written consent of each nominee to serve as a Director if so elected. The Compensation Committee will consider and evaluate persons recommended by stockholders in the same manner as potential nominees identified by the Board and/or the Compensation Committee. For the

upcoming Annual Meeting, the Compensation Committee did not receive any recommendations for nominees from stockholders.

The Compensation Committee identifies nominees for Director from various sources. In assessing potential Director nominees, the Compensation Committee considers the character, background and professional experience of candidates. All nominees should possess good judgment and an inquiring and independent mind. Familiarity with the issues affecting the Company is among the relevant criteria. All Director nominees must possess a reputation for the highest personal and professional ethics, integrity and values. The Compensation Committee will also carefully consider any potential conflicts of interest. Nominees must also be willing and able to devote sufficient time and effort to carrying out the duties and responsibilities of a Director effectively and should be committed to serving on the Board for an extended period of time. The Compensation Committee considers diversity in identifying and evaluating Director nominees. The Compensation Committee strives to nominate Directors with a variety of complementary skills so that, if elected, the Board will contain the appropriate mix of diversity in background and experience to oversee the Company's business. Based on referrals and recommendations, the Compensation Committee recommended appointing Derrick Burks. The Board approved this recommendation and appointed Mr. Burks to the Board, effective February 9, 2021.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Independence of Directors

Pursuant to the Company's Guidelines on Corporate Governance, which require that a majority of our Directors be independent within the meaning of NYSE standards and do not include any additional categorical standards other than those required by the NYSE, the Board undertook a review of the independence of Directors nominated for reelection at the upcoming Annual Meeting. During this review, the Board considered transactions and relationships, if any, during the prior year between each Director or any member of his or her immediate family and the Company, including those reported under "Certain Relationships and Related Transactions" below. As provided in the Guidelines, the purpose of this review was to determine whether any such relationships or transactions were inconsistent with a determination that the Director is independent.

As a result of this review, the Board affirmatively determined that all the Directors nominated for election at the Annual Meeting are independent of the Company and its management with the exception of our Chairman, Mr. Zell, and our CEO, Marguerite Nader. The Board determined that none of the independent Directors has or had a material relationship with the Company other than being a Director and/or a stockholder of the Company.

The Board specifically considered Mr. Heneghan's role as former CEO of the Company and determined that this role did not hinder Mr. Heneghan's independence within the meaning of the NYSE listing standards.

Nominee Information, Qualifications, Skills and Experience

The Company's Board currently consists of eleven Directors. On February 9, 2021, Mr. Huang informed the Board that he would not stand for reelection at the Annual Meeting. Accordingly, Mr. Huang's service as a member of the Board will cease at the Annual Meeting scheduled to be held on April 27, 2021, at which time the Board will be reduced from eleven directors to ten directors. Mr. Huang's decision not to stand for reelection is not a result of any disagreement with other Board members or with our management. The Company's Charter currently provides for the annual election of all Directors. All the nominees are presently Directors, and each nominee has consented to be named in this Proxy Statement and to serve if elected.

In addition to each Director nominee's qualifications, skills and experience outlined in their biographical data below, the Company's Board looked for certain attributes in each of the Director nominees and based on these attributes, concluded that each Director nominee should serve on the Board. The Board does not require that the Director nominees possess each attribute, but rather the Board is looking for a mix of attributes among the Directors. These attributes include: (i) prior experience on the Board and other relevant board level experience; (ii) real estate industry experience; (iii) transactional experience especially within the real estate industry; (iv) relevant experience in property operations; (v) financial expertise; (vi) legal and/or regulatory experience; (vii) knowledge of and experience with corporate governance matters; (viii) experience with executive compensation matters; and (ix) prior experience in risk management. (1) For 2020, the Company paid each of its non-executive Directors an annual fee of \$65,000.

(2) These amounts reflect the grant date fair value, as calculated in accordance with FASB ASC Topic 718 "Stock Compensation" ("FASB ASC 718"), related to grants of restricted stock and options to purchase shares of Common Stock made in 2020.

Refer to Note 2, "Summary of Significant Accounting Policies" and Note 13, "Equity Incentive Awards," in the Notes to the Consolidated Financial Statements included in the Company's 2020 Form 10-K filed on February 23, 2021 for the relevant assumptions used to determine the valuation of our restricted stock and stock option awards.

The Board historically has approved an annual award of Restricted Common Stock to non-executive Board members in conjunction with their reelection at the annual meeting of stockholders. In light of the pandemic, the Board postponed this approval after the annual meeting of stockholders held on April 28, 2020. On July 28, 2020, upon recommendation of the Compensation Committee and after consideration of the pandemic on the results of operations of the Company, the Board approved the following awards of Restricted Common Stock to non-executive Directors then in office. Each recipient was allowed to take these shares as Stock Options equal to five times the number of shares of Restricted Common Stock that would have been awarded. All shares were granted at a per share price of \$66.81, the NYSE closing price of the Company's Common Stock on July 28, 2020. The number of shares of Restricted Common Stock awarded was determined by dividing the dollar value of the award by the closing price of the Company's Common Stock on the grant date or \$66.81.

- The following Directors: (i) the Chairman of the Board, (ii) the Audit Committee Chairperson and Lead Director, (iii) the Compensation Committee Chairperson, and (iv) the Executive Committee Chairperson and Strategic Planning Committee Chairperson each received an award of Restricted Common Stock for their services rendered in such capacity in 2020. Mr. Zell was awarded shares of Restricted Common Stock valued at \$3,085,000 for services rendered as Chairman of the Board for 2020. Accordingly, Mr. Zell was awarded 46,176 shares of Restricted Common Stock. The Compensation Committee determined that Mr. Zell's compensation in consideration for his employment as Chairman of the Board is appropriate and in the best interests of our Company and our stockholders given his ongoing extraordinary contributions to the Company. Mr. Zell's financial acumen, extensive investment and management experience, business and strategic expertise and network of resources across the real estate industry provide significant benefits and unique opportunities to the Company and the Board. Mr. Zell brings a well-recognized brand value to the Company from his more than fifty years of experience in the real estate business and his unparalleled role in the evolution of the REIT industry. Mr. Zell has regular interactions with the Company's executive management team, including with respect to operational strategy, acquisition opportunities and balance sheet management. In addition, Mr. Zell has a distinguished track record and reputation for successfully leading companies with a focus on corporate governance and proper alignment of management and stockholder interests.

Mr. Calian, Mr. Contis, and Mr. Heneghan were each awarded shares of Restricted Common Stock for services rendered as Committee Chairpersons valued at \$80,000, \$40,000 and \$40,000, respectively. Accordingly, Mr. Calian, Mr. Contis and Mr. Heneghan were each awarded 1,198, 599 and 598 shares of Restricted Common Stock, respectively.

One-third of these shares of Restricted Common Stock will vest on July 28, 2021, one-third will vest on July 28, 2022, and one-third will vest on July 28, 2023.

Ms. Freedman elected to take these shares as Stock Options and she received an award of 1,120 Stock Options. These shares of Restricted Common Stock and Stock Options will vest 100% on July 28, 2021.

- Each non-executive Director received an award of Restricted Common Stock for their services rendered as a Director during 2020. With the exception of Mr. Berkenfield and Ms. Freedman, each recipient elected to take this award as Restricted Common Stock. Mr. Calian, Mr. Contis, Mr. Heneghan, Mr. Huang, Mr. Peppet, Ms. Rosenberg and Mr. Zell each received an award of 1,497 shares of Restricted Common Stock valued at \$100,000. Mr. Berkenfield and Ms. Freedman elected to take these shares as Stock Options and they each received an award of 7,485 Stock Options. Board Recommendation

The Board unanimously recommends that you vote "FOR" each of the ten nominees for director to serve until the next annual meeting of stockholders and until his or her successor is duly elected and qualifies.

Audit and Non-Audit Fees

Audit Fees. The aggregate fees billed (or expected to be billed) for fiscal years 2020 and 2019 for professional services rendered by the Independent Accountants for the audit of the Company's financial statements, for the audit of internal controls relating to Section 404 of the Sarbanes-Oxley Act and for the reviews by the Independent Accountants of the financial statements included in the Company's Quarterly Reports on Form 10-Q were approximately \$1,312,850 and \$1,266,900, respectively.

Audit-Related Fees. The aggregate fees billed (or expected to be billed) for fiscal years 2020 and 2019 for assurance and related services by the Independent Accountants that are reasonably related to the performance of the audit or review of the Company's financial statements that are not reported as "Audit Fees" above were approximately \$51,100 and \$48,650, respectively. These fees consist primarily of fees for services provided to assist the Company with attestation services related to audits of subsidiaries and benefit plans and other accounting consultations.

Tax Fees. The aggregate fees billed (or expected to be billed) for fiscal years 2020 and 2019 for professional services rendered by the Independent Accountants for tax compliance, tax advice and tax planning were approximately \$52,000 and \$117,000, respectively.

All Other Fees. There were no other fees billed to the Company by the Independent Accountants in fiscal years 2020 and 2019.

Auditor Independence. The Audit Committee has determined that the Independent Accountants' provision of the non-audit services described above is compatible with maintaining the Independent Accountants' independence.

Policy on Pre-Approval. The Company and the Audit Committee are committed to ensuring the independence of the Company's Independent Accountants, both in fact and in appearance. In this regard, the Audit Committee has established a pre-approval policy in accordance with the applicable rules of the SEC and the NYSE. The Audit Committee must pre-approve all audit services and permissible non-audit services provided by the Independent Accountants, except for any *de minimis* non-audit services. The Audit Committee may delegate to one or more of its members who is an independent director the authority to grant pre-approvals. All services provided by Ernst & Young in 2020 were pre-approved by the Audit Committee.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is composed of four Directors, each of whom the Board has determined meets the independence and financial literacy requirements of the NYSE and Rule 10A-3 under the Exchange Act. In addition, the Board has determined that each of these four Directors qualifies as an "audit committee financial expert" as defined by the SEC rules. No member of the Audit Committee is a current or former officer or employee of the Company, and no member serves on more than two other public company audit committees.

The Audit Committee oversees the Company's financial reporting and enterprise risk processes on behalf of the Board. The Company's management has the primary responsibility for the financial statements, for maintaining effective internal control over financial reporting, and for assessing the effectiveness of internal control over financial reporting. The Audit Committee is governed by a written charter approved by the Board, which is posted on the Company's website. In accordance with this charter, the Audit Committee oversees the accounting, auditing, financial reporting, and risk management practices of the Company. The Audit Committee is responsible for the appointment, retention, compensation, and oversight of the work of the Independent Accountants. The Audit Committee pre-approves the services of the Independent Accountants in accordance with the applicable rules of the SEC and the NYSE. The Audit Committee has also established procedures for processing complaints received from employees regarding internal control, accounting, and auditing matters. The Audit Committee held ten meetings during 2020.

In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2020 (the "2020 Form 10-K") with the Company's management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements. The Audit Committee also reviewed and discussed management's report on its assessment of the effectiveness of the Company's internal control over financial reporting and the Independent Accountant's report on the Company's internal control over financial reporting with management, the internal auditors and the Independent Accountants.

The Independent Accountants are responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles. The Audit Committee reviewed with the Independent Accountants their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee by standards of the Public Company Accounting Oversight Board ("PCAOB"), rules of the SEC, and other applicable regulations. In addition, the Audit Committee has discussed independence with the Independent Accountants. These discussions included the Independent Accountant's independence from the Company's management and the Company, including the matters in the letter from the Independent Accountants required by the PCAOB regarding the Independent Accountant's communications with the Audit Committee concerning independence. The Audit Committee also considered the compatibility of non-audit services provided to the Company by the Independent Accountants with the Independent Accountant's independence.

The Audit Committee discussed with the Independent Accountants the overall scope and plans for their audit. The Audit Committee met with the Independent Accountants, with and without management present, to discuss the results of their examinations; their evaluation of the Company's internal controls, including internal control over financial reporting; and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, that the audited financial statements and management's assessment of the effectiveness of the Company's internal control over financial reporting be included in the 2020 Form 10-K for filing with the SEC. The Audit Committee and the Board have recommended that stockholders ratify the selection of Ernst & Young as the Company's Independent Accountants for the year ending December 31, 2021.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Summary. The purpose of this Compensation Discussion and Analysis ("CD&A") is to provide stockholders with a description of the Company's executive compensation philosophy, objectives of the Company's compensation program and the material elements of the Company's compensation program for the following individuals who were the Company's NEOs as of December 31, 2020:

Marguerite Nader..... President and Chief Executive Officer
 Paul Seavey..... Executive Vice President and Chief Financial Officer
 Patrick Waite..... Executive Vice President and Chief Operating Officer
 Roger Maynard..... Executive Vice President – Investments

The Compensation Committee took into account the stockholder advisory vote approving executive compensation at the last annual meeting of stockholders held in April 2020 and incorporated that as one of many factors it considered in connection with the discharge of its responsibilities. 91% of all the votes cast at last year's annual meeting of stockholders approved the compensation program described in the proxy statement for the 2020 annual meeting of stockholders. The Compensation Committee believes that this support level demonstrates a strong alignment among our stockholders, the Company's performance, and our executive compensation program and, accordingly, the Compensation Committee did not make any changes to the Company's executive compensation program in response to the 2020 "Say-on-Pay" vote.

The core principle of the Company's executive compensation program for 2020 continued to be pay for performance, and the framework of the executive compensation program includes the governance features discussed below:

What We Do	<ul style="list-style-type: none"> ■ The Compensation Committee is comprised solely of independent Directors. ■ Do engage an independent compensation consultant to advise the Compensation Committee. ■ Do an annual review of the Company's compensation strategy that includes a review of compensation-related risk management. ■ Do have a strong pay for performance compensation philosophy with 59% of the NEOs pay tied solely to performance. ■ Do enhance executive retention with time-based, multi-year vesting schedules for equity incentive awards, which comprise a large percentage of total compensation. ■ Do have performance-based cash bonus compensation. ■ Do have meaningful share ownership guidelines for our executives and directors. ■ Do have a hedging policy that is included in the Company's Policy on Securities Trading and reads as follows: "Directors and officers (and any member of the director's or officer's family sharing the same household) are prohibited from engaging in short sales (including buying puts or selling calls) or any other hedging transactions with respect to any equity securities of the Company held by them, which includes the purchase of any financial instrument (including, but not limited to, prepaid variable forward contracts, equity swaps, collars, and exchange funds) designed to hedge or offset any decrease in the market value of such equity securities." ■ Do have a Securities Pledging Policy that requires Audit Committee approval of any pledging of our shares of Common Stock or OP Units by directors or NEOs and the satisfaction of certain other conditions. ■ Do have a Business Ethics and Conduct Policy, which all employees must follow.
-------------------	---

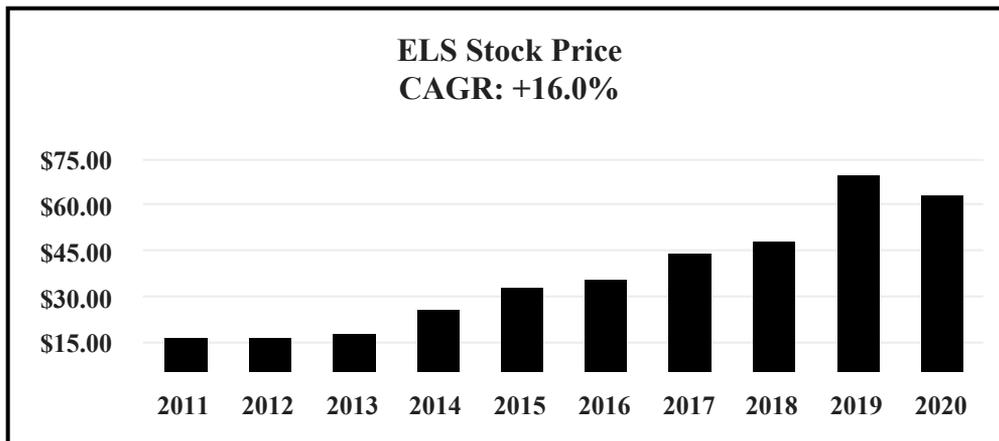

What We Don't Do

- No employment agreements.
- No compensation incentives that encourage excessive risk taking.
- No hedging of Company shares allowed.
- No excise tax gross-up in any change in control agreements.
- No excessive perks to our NEOs.
- No personal benefits to NEOs that are not otherwise available to all employees.

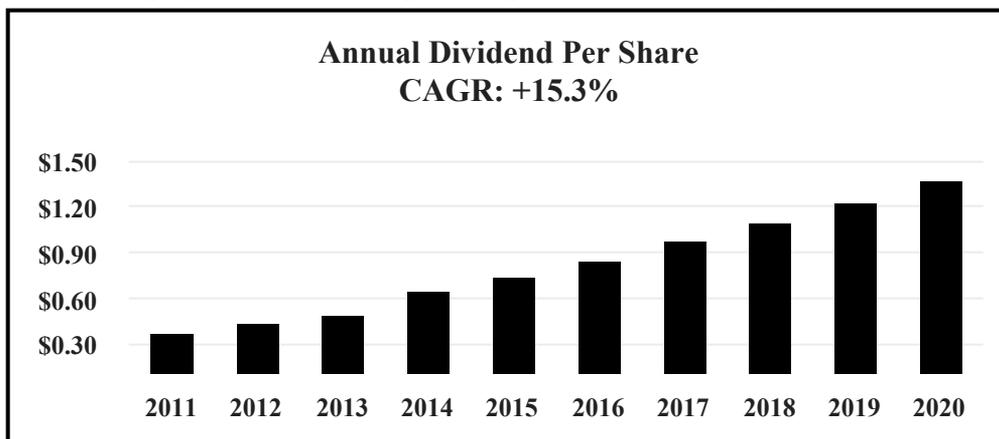

The Compensation Committee takes into consideration the overall performance of the Company when establishing the compensation program and determining final payments to the NEOs. This review of overall Company performance is in addition to specific goals and targets that are set for each NEO. We continued our strong performance in 2020 amidst the COVID-19 pandemic as further described in the "Proxy Statement Summary" section of this Proxy Statement. The impact of the pandemic on the Company's operations for 2020, the Company's response to the various state and local restrictions and efforts to ensure the health and safety of our employees and customers were key priorities in 2020. The following tables show the Company's historical stock price, annual dividends, Normalized FFO and Normalized FFO per share of Common Stock and related compounded annual growth rates ("CAGR"). Normalized FFO is a non-GAAP financial measure. The Company believes that Normalized FFO is generally an appropriate measure of performance of an equity REIT. Appendix A to this Proxy Statement includes the definition of Normalized FFO and a reconciliation of Normalized FFO to net income, the most comparable GAAP measure.

On October 15, 2019, we effected a two-for-one stock split of our Common Stock (see Note 5 in the Notes to the Consolidated Financial Statements contained in our Annual Report on Form 10-K for the year ended December 31, 2019). All Common Stock and per share data in this CD&A for periods prior to this date have been adjusted retroactively to reflect the stock split.

Philosophy. The Compensation Committee determines and approves the compensation of the Company's NEOs and guides the Company's overall philosophy towards the compensation of its employees. The Compensation Committee believes that the compensation of the Company's NEOs should be both competitive and based on individual and Company performance. The Compensation Committee believes that the compensation of the NEOs should reflect their success as a management team in attaining certain operational goals, which leads to the success of the Company and serves the best interests of its stockholders. The Compensation Committee consults with the CEO regarding both NEOs and non-executive employee compensation plans and programs, including administering the Company's equity incentive plan.

In 2017, the Company retained, at the direction of the Compensation Committee, Willis Towers Watson as its independent outside compensation consultant to provide an independent analysis and recommendation concerning the Company's long-term executive compensation plan. The analysis was used in establishing executive compensation for 2018, 2019 and 2020. In 2020, Willis Towers Watson provided an independent analysis and recommendation concerning the approved payout of the 2020 cash bonus and the vesting of the performance-based portion of the Restricted Common Stock awards, taking into consideration the impact of the COVID-19 pandemic on the Company's performance targets. The Compensation Committee has the authority to engage Willis Towers Watson as its independent outside compensation consultant or hire additional consultants at any time. Willis Towers Watson did not provide any additional services to the Compensation Committee and did not provide any services to the Company other than those it provided to the Compensation Committee described above. The sole role of Willis Towers Watson has been to advise the Compensation Committee with respect to compensation. The ultimate determination of total compensation and the elements that comprise total compensation for our NEOs is made solely by our Compensation Committee. In addition, the Compensation Committee compared the NEOs total compensation to the NAREIT Compensation Survey and to the salaries of executives at other REITs as obtained from the SNL Financial database.

Objectives of the Compensation Program. The primary objective of the Company's compensation program is to attract and retain highly qualified executives by providing competitive Base Salaries and meaningful Cash Bonus and Equity Compensation. In addition, the compensation program is structured to hold the NEOs accountable for the performance of the Company by tying the substantial majority of their annual Cash Bonus and a substantial portion of their Equity Compensation to performance targets. The compensation program is also designed to promote an ownership mentality among the NEOs. The Compensation Committee recognizes that the interests of stockholders are best served by giving our NEOs the opportunity to participate in the appreciation of the Company's Common Stock. The Board has established stock ownership guidelines for each of the NEO positions and Directors. Under these guidelines, all of the NEOs and Directors are required to own a minimum amount of the Company's Common Stock within four years from their first appointment as an NEO or Director, valued at the time of purchase, and to maintain this minimum amount throughout their tenure as a NEO or Director. Such ownership guidelines are as follows: five times the Base Salary for the CEO; three times the Base Salary for each of the other NEOs; and three times the annual retainer for each Director. Furthermore, any stock pledged by a Director or NEO is excluded from the computation. Hedges by Directors and NEOs are prohibited by our policy. With the exception of Mr. Berkenfield, who was appointed to the Board in February 2020 and Mr. Burks who was appointed to the Board in February 2021, each of the Directors and NEOs currently own shares of Common Stock that exceed the minimum established guidelines.

The following table shows the value of shares of Common Stock of the Company, including shares upon exercise of options, beneficially owned as of February 19, 2021 (the "Record Date") by each of the NEOs as a multiple of their 2020 base salary.

(5) Effective February 9, 2021, Mr. David Eldersveld was appointed Executive Vice President, Chief Legal Officer and Corporate Secretary. Mr. Eldersveld was not an NEO for 2020, therefore, he is not included in this table.

What Our Compensation Program is Designed to Reward. Our compensation program is designed to reward the NEOs for their contributions to the Company and for achieving improvements in the Company's performance during the year. The Compensation Committee deliberately kept Base Salaries at a relatively small percentage of total compensation. This enables the Compensation Committee to reward each NEO's performance through annual Cash Bonus awards and equity incentives such as Restricted Common Stock awards. The annual Cash Bonus plan for each NEO is established by the Compensation Committee after a review of performance goal recommendations from the CEO, who receives input on such performance goal recommendations from each NEO. Restricted Common Stock awards are designed to provide incentives to the NEOs to ensure the successful implementation of long-term strategic goals of the Company and to provide for the retention of such NEOs. Awards of Restricted Common Stock are determined and approved by the Compensation Committee with input from the CEO.

Peer Group. The Company's peer group of sixteen companies remained consistent with prior years.

Peer Company	REIT Type
American Campus Communities, Inc. (ACC)	Residential
Apartment Investment and Management Company (AIV)	Residential
Camden Property Trust (CPT)	Residential
Corporate Office Properties Trust (OFC)	Office
CubeSmart (CUBE)	Self-Storage
Duke Realty Corporation (DRE)	Industrial
Equity Residential (EQR)	Residential
Essex Property Trust, Inc. (ESS)	Residential
Extra Space Storage, Inc. (EXR)	Self-Storage
First Industrial Realty Trust (FR)	Industrial
Highwoods Properties, Inc. (HIW)	Office
Mack-Cali Realty Corporation (CLI)	Diversified
Regency Centers Corporation (REG)	Retail
Simon Property Group (SPG)	Retail
UDR, Inc. (UDR)	Residential
Vornado Realty Trust (VNO)	Diversified

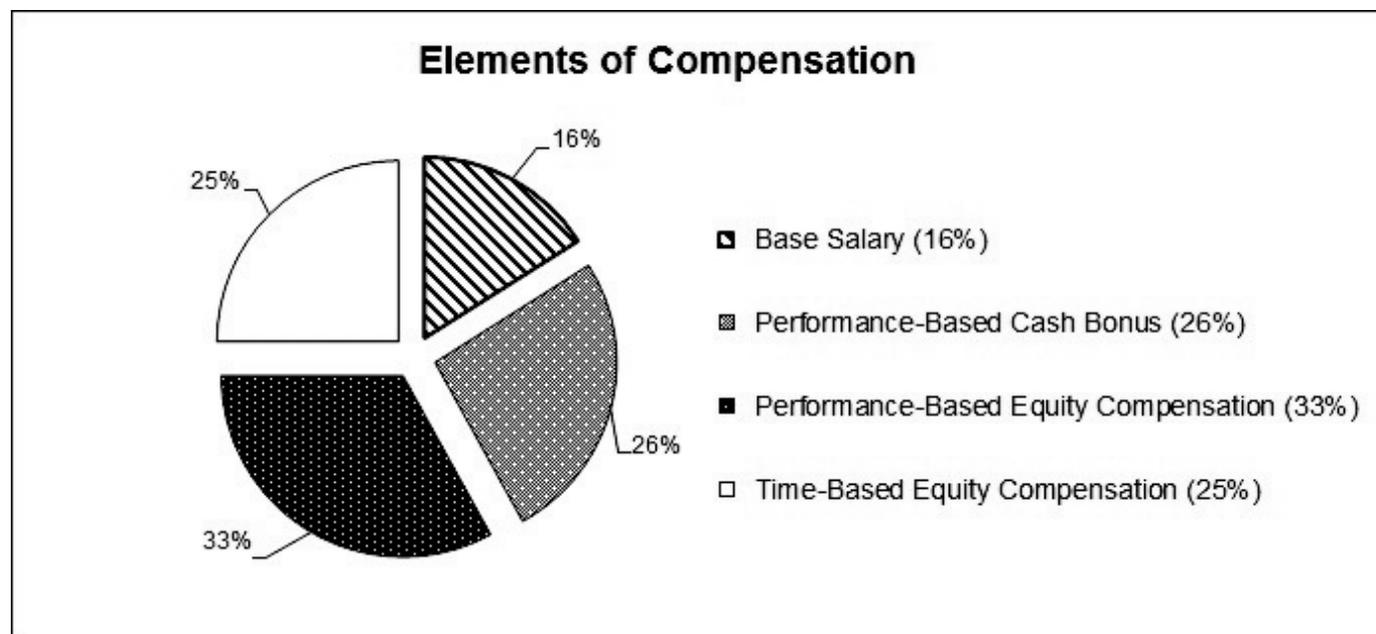

When selecting and re-assessing this peer group, the Compensation Committee took into consideration factors including market capitalization, three-year and five-year total returns, dividend yields, compounded annual funds from operations growth rates, and multiples. The following table shows the Company's one-year, three-year and five-year stockholder returns in comparison to the median and average stockholder returns for the peer group.

	Total Stockholder Returns		
	One-Year	Three-Year	Five Year
ELS	(7.89)%	52.07 %	112.69 %
ELS Annualized	(7.89)%	15.00 %	16.30 %
Peer Group Median	(14.75)%	2.45 %	4.15 %
Peer Group Average	(12.48)%	0.93 %	3.23 %

Elements of Compensation. During the year ended December 31, 2020, there were three major components of executive compensation: Base Salary, performance-based Cash Bonus, and performance and time-based Equity Compensation. In conjunction with the CEO, the Compensation Committee reviews our executive salary structure on an annual basis with the use of a tally sheet. The tally sheet summarizes total compensation for each NEO, including Base Salary, Equity Compensation award values, Cash Bonus performance metrics, and all other compensation for the current and prior years. The Compensation Committee uses the tally sheet to quantify each NEO's total compensation and to compare it to the salaries of executives of the companies in our peer group and at other REITs as obtained from the SNL Financial database (www.snl.com) and to the amounts in the NAREIT Compensation Survey.

The compensation philosophy takes into account a review of executive compensation and performance data on publicly traded REITs obtained from the SNL Financial database and the NAREIT Compensation Survey. The Compensation Committee believes the executive compensation information derived from the SNL Financial database for the Company's peer group and the NAREIT Compensation Survey provide relevant salary data for the Company. The Compensation Committee takes into account the relevant compensation data for each NEO position when designing the compensation program. Where salary information is unavailable for a particular position in the SNL Financial database, other positions having similar responsibilities are used. Compensation increases are based upon overall Company performance and upon each NEO's performance, established goals, and contribution to the Company's performance. In addition, the Compensation Committee considered the CEO Pay Ratio as described more fully under "CEO Pay Ratio" of this Proxy Statement.

Aggregate total compensation for each NEO for 2020 was split among Base Salary, performance-based Cash Bonus, and Equity Compensation, as shown in the following chart. All other compensation was less than 1% of the total compensation. The increase in total executive compensation from 2019 to 2020 for the NEOs in the aggregate reflects a 2.0% increase in base salaries, an increase in Equity Compensation as a result of the increase in the grant date stock price and the restructuring of the restricted stock award program in 2018 as further described below, and an increase in performance-based Cash Bonus.

Base Salary. The Compensation Committee deliberately keeps Base Salaries at a relatively small percentage of total compensation. For 2020, the Compensation Committee concluded that Base Salaries of \$586,500 for Ms. Nader and \$387,600 for each of Mr. Seavey, Mr. Waite and Mr. Maynard were appropriate in this regard. These Base Salaries reflect a 2.0% increase in 2020 from 2019.

Non-Equity Incentive Compensation (Cash Bonus). The Compensation Committee's practice is to award annual Cash Bonuses based on certain performance targets established by the Compensation Committee for each year after consultation with the CEO. The amount paid to each NEO is subject to the discretion of the Compensation Committee. The Compensation Committee selected short-term annual performance metrics for management's focus that support and ensure the Company's long-term success and profitability. Performance targets were established and communicated to the NEOs when the outcome of the performance targets was substantially uncertain. Performance targets were consistent with earnings guidance expectations publicly disclosed by the Company. The final payout of 2020 Cash Bonuses to the NEOs was in January 2021, after finalization of the Company's year-end earnings results.

The total 2020 maximum Cash Bonus potential for the NEOs set by the Compensation Committee was approximately \$4,497,515 and was comprised of a \$4,259,011 bonus potential ("2020 Bonus Potential"), a \$119,252 MH revenue stretch goal and a \$119,252 resort revenue stretch goal ("2020 Stretch Goals"). The Compensation Committee has discretion to determine an appropriate award for each NEO based on an evaluation of each of the target areas. Consistent with the recommendation from Willis Towers Watson, the Compensation Committee approved the payout of the portion of the Cash Bonus for which the financial targets were met and the full amount of the discretionary portion of the Cash Bonus. The Cash Bonus paid to each NEO was based on the pre-established targets approved in February 2020 and no adjustments were made relating to (or due to) the COVID-19 pandemic despite the Company's strong performance. On a percentage basis, the bonus payments to the Company's employees were generally at or above that of the NEOs.

The following table shows the 2020 Bonus Potential for each NEO and the percentage attributed to each performance target and the discretionary portion. The total Cash Bonus paid to all NEOs was approximately \$2.9 million, or 68%, as compared to the \$4,259,011 aggregate potential. The 2020 Stretch Goals required certain increases in the Company's core manufactured home ("MH") revenues, which target was not met, and certain increases in core resort revenues, which target was not met and therefore no amount was paid with respect to the 2020 Stretch Goals.

Name	2020 Bonus Potential (Amount x Base Salary)	Core MH Revenue Target ⁽¹⁾	Core Resort Revenue Target ⁽²⁾	Dues Target ⁽³⁾	Core Net Operating Income Target ⁽⁴⁾	Rentals/ Working Capital Target ⁽⁵⁾	Discretionary ⁽⁶⁾
Marguerite Nader...	2.9	14.0%	14.0%	14.0%	14.0%	14.0%	30.0%
Paul Seavey.....	2.2	14.0%	14.0%	14.0%	14.0%	14.0%	30.0%
Patrick Waite.....	2.2	14.0%	14.0%	14.0%	14.0%	14.0%	30.0%
Roger Maynard.....	2.2	14.0%	14.0%	14.0%	14.0%	14.0%	30.0%

- (1) This target required achieving a 4.4% increase in core MH base rent growth for the year ended December 31, 2020 as compared to the year ended December 31, 2019, which target was met. The total paid for this target was approximately \$596,000.
- (2) This target required that the Company's core resort revenues increase 5.6% for the year ended December 31, 2020 as compared to December 31, 2019, which target was not met. No amounts were paid to the NEOs for this target.
- (3) This target was comprised of three equal components related to: (i) dues revenues; (ii) the number of paid member sales units; and (iii) RV dealer activations, which component targets were all met. The total paid to the NEOs for this target was approximately \$596,000.
- (4) This target was comprised of two equal components related to: (i) core net operating income, excluding property management expense, to increase 5.5% for the year ended December 31, 2020 as compared to the year ended December 31, 2019, which target was not met; and (ii) core expense growth less than 2.9% for the year ended December 31, 2020 as compared to the year ended December 31, 2019, which target was not met. No amounts were paid to the NEOs for this target.
- (5) This target was comprised of four equal components related to: (i) reduction of working capital commitment, which portion of the target was not met; (ii) an increase in occupancy from homeowners, which portion of the target was met; (iii) reduction of rental expenses, which portion of the target was not met; and (iv) management of chattel financing, which portion of the target was met. As a result, the NEOs were paid 75% of this target or approximately \$447,000.
- (6) At the beginning of 2020, the Compensation Committee, in consultation with Ms. Nader, developed strategic initiatives upon which each NEO would be evaluated and which would be used in determining their discretionary bonuses. Management focused on key strategic areas for the Company including, but not limited to, revenue management, home and membership sales, expense management, property maintenance and improvements, portfolio assessment, property development, innovation and technology, ESG initiatives and employee relations. Throughout 2020, each NEO met with Ms. Nader to discuss achievement of these discretionary goals. The Compensation Committee reviewed these evaluations and considered the results of these evaluations in the overall assessment of each NEO's performance. Payment of the discretionary component is at the discretion of the Compensation Committee based on its assessment of the strategic initiatives established for the executive officer team, as a whole, including the discretion to apportion the aggregate discretionary bonus amount amongst the eligible executives. As a result, Mr. Seavey, Mr. Waite and Mr. Maynard each received 100% of the discretionary bonus potential for 2020.

The Compensation Committee's evaluation of Ms. Nader's achievements included a review of the Company's overall performance, as well as the attainment of the strategic initiative goals by each of the other NEOs. Ms. Nader received 100% of her discretionary bonus potential for 2020.

The total paid to all NEOs for discretionary targets was approximately \$1.3 million.

Equity-Based Retention and Incentive Compensation (Equity Compensation). The Company has made Restricted Common Stock grants to provide long-term incentives for the NEOs, align interests with stockholders, and to retain qualified officers. The Company recognizes that the interests of stockholders are best served by giving our NEOs the opportunity to participate in the appreciation of the Company's Common Stock.

On May 13, 2014, our stockholders approved the Company's 2014 Equity Incentive Plan. The Company has awarded Restricted Common Stock to our NEOs in accordance with and pursuant to the authority set forth in the 2014 Equity Incentive Plan. The Restricted Common Stock grants have each been awarded at the closing price of the Company's Common Stock on the NYSE on the date of grant (the "Grant Date Fair Value"). Upon vesting of these stock awards, at the NEOs option, the Company will buy back a portion of the stock to provide the NEO with the ability to receive the vested stock, net of applicable tax effects. The Restricted Common Stock grants awarded in 2018, 2019 and 2020 vest, provided the NEO is employed through the end of the year prior to the vesting date (the "Explicit Service Period"), in addition to other criteria as further described below.

Prior to 2018, the Compensation Committee awarded Restricted Common Stock to our NEOs on an annual basis with one-year time-based vesting. In 2017, Willis Towers Watson provided to the Compensation Committee an independent analysis and recommendation concerning long-term executive compensation. Based upon this recommendation and to further align the interests of our NEOs with our stockholders by linking a larger portion of our NEOs' compensation to their performance and to create stronger retention incentives, in 2018 the Compensation Committee began the practice of awarding Restricted Common Stock to the NEOs on an annual basis with long term vesting. These annual awards have vesting periods longer than one year and include a time-based vesting component, subject to satisfaction of continuous employment by the NEO during the Explicit Service Period and a performance-based vesting component, subject to the satisfaction of performance conditions and Explicit Service Period requirements.

In 2018, an award of Restricted Common Stock (the "Transition Award") was approved as a transition from our prior practice of granting restricted stock awards on an annual basis with one-year vesting to annual awards with three-year vesting

and a performance-based component. These Transition Awards were intended to mitigate the impact of a reduction in the realized pay for our NEOs in 2018 and 2019 resulting from the three-year vesting period for the annual award granted in 2018.

Information regarding the Transition Awards and the annual awards of Restricted Stock for 2018, 2019 and 2020 (the "2018 Award", the "2019 Award" and the "2020 Award"), respectively, and collectively, the "Restricted Stock Awards" along with the status of achievement of the annual performance conditions as to which each of these awards are subject, is set forth below.

Transition Awards

In 2018, the Compensation Committee approved the 2018 Transition Awards. The Transition Awards were not subject to performance goals. The Compensation Committee did not view these awards as a continuing feature of the Company's Restricted Stock Award Program, and there is no intent to replicate these Transition Awards in future years.

On February 10, 2020, the Compensation Committee approved the 2020 Award. To ensure the Award Date Fair Value of the award of Restricted Common Stock for 2020 aligned with the prior year, the number of shares of Restricted Common Stock awarded in 2020 was determined by dividing the dollar value of the award by the closing price of the Company's Common Stock on the grant date. The NEOs were awarded shares of Restricted Common Stock under the 2020 Award as follows:

Performance Conditions

In accordance with FASB ASC 718, the performance-based portion of the 2018 Awards, 2019 Awards and 2020 Awards are deemed granted on the date the performance conditions are approved by the Compensation Committee and, accordingly, are included in the Summary Compensation Table of this Proxy Statement in the year of approval of the performance conditions. The value of the performance-based portion of these awards is based on the closing price of the Company's stock on the date of approval of the performance conditions and that amount is shown in the Summary Compensation Table, even if the awards are subsequently forfeited.

2019 Performance Conditions: Effective February 11, 2019, the Compensation Committee established the following performance conditions for the performance-based portion of the 2018 Awards and the 2019 Awards with a performance period January 1, 2019 through December 31, 2019:

"Achieve Normalized Funds From Operations ("Normalized FFO") per Common Share (fully diluted) for the year ending December 31, 2019 between \$2.04 and \$2.09."

As such, this portion of the 2018 Awards and 2019 Awards was deemed granted on February 11, 2019 with a Grant Date Fair Value of \$54.90 per share. On January 21, 2020, the Compensation Committee determined that such vesting criteria had been met and all of this portion of the 2018 Awards and 2019 Awards vested on January 31, 2020 as follows:

	# of Shares Vested - 2019 Performance Period	
	2018 Award	2019 Award
Marguerite Nader.....	6,500	5,500
Paul Seavey.....	5,334	4,534
Patrick Waite.....	5,334	4,534
Roger Maynard.....	2,917	2,500

2020 Performance Conditions: Effective February 11, 2020, the Compensation Committee established the following performance condition for the performance-based portion of the 2018 Awards, the 2019 Awards and 2020 Awards with a performance period January 1, 2020 through December 31, 2020:

"Achieve Normalized Funds From Operations ("Normalized FFO") per Common Share (fully diluted) for the year ending December 31, 2020 between \$2.19 and \$2.25."

As such, this portion of the 2018 Awards, 2019 Awards and 2020 Awards was deemed granted on February 11, 2020 with a grant date value of \$73.46 per share. We continued our strong performance in 2020 amidst the COVID-19 pandemic as further described in the "Proxy Statement Summary" section of this Proxy Statement. Due to the impact of the pandemic on our business, our Normalized FFO for the year ended December 31, 2020 was \$2.17 per Common Share (fully diluted) or \$0.02 below the performance target. We achieved 99% of the Normalized FFO per Common Share target. In 2020, the Compensation Committee engaged Willis Towers Watson in order to assist with the Committee's evaluation of the achievement of the 2020 performance target and to provide a recommendation on the vesting of the 2020 performance-based portion of the Restricted Stock Awards.

The Committee reviewed the Company's 2020 performance and taking into account (a) the impact of the COVID-19 pandemic on the Company's business, (b) management's diligent efforts to mitigate the impact of the pandemic and (c) that Normalized FFO for the year ended December 31, 2020 was approximately 1% below the Normalized FFO target range, and the Committee determined that the 2020 performance-based vesting condition had been partially achieved such that a portion of the Restricted Stock Awards scheduled to vest on January 29, 2021 would partially vest as shown in the following table. The remainder of the Restricted Stock Awards subject to the 2020 performance conditions did not vest and were forfeited.

	# of Shares Vested - 2020 Performance Period		
	2018 Award	2019 Award	2020 Award
Marguerite Nader.....	6,305	5,335	4,002
Paul Seavey.....	5,174	4,398	3,162
Patrick Waite.....	5,174	4,398	3,162
Roger Maynard.....	2,829	2,425	1,744

2021 and 2022 Performance Conditions: The Compensation Committee established performance conditions effective February 9, 2021 for the performance period January 1, 2021 through December 31, 2021 as follows:

"Achieve Normalized Funds From Operations ("Normalized FFO") per Common Share (fully diluted) for the year ending December 31, 2021 between \$2.26 and \$2.36."

The Compensation Committee will establish performance conditions at the beginning of 2022 for the performance period January 1, 2022 through December 31, 2022. If these performance conditions are satisfied as determined by the Compensation Committee in its discretion, the relevant portion of the performance-based portion of the 2019 Awards and 2020 Awards will vest on January 31, 2022 and January 27, 2023.

CEO Compensation. Ms. Nader's 2020 compensation consisted of a Base Salary of \$586,500 and a performance-based Cash Bonus award of \$1,165,082. During the year ended December 31, 2020, Ms. Nader acquired 37,000 shares of Restricted Common Stock upon vesting with a value of \$2,705,440. The Compensation Committee established Ms. Nader's compensation based on the principles previously discussed in this CD&A. Ms. Nader received no compensation or stock grants for her service on the Board.

Accounting and Tax Considerations. The Company accounts for its stock awards in accordance with FASB ASC 718. On December 20, 2019, the Internal Revenue Service (IRS) issued proposed regulations under Internal Revenue Code section 162(m) which were finalized on December 18, 2020. While the final regulations substantially adopt the regulations as proposed, there are several modifications and clarifications. The final regulations modify the applicability date of the definition of compensation related to partnerships to provide additional transition relief. The definition of compensation includes an amount equal to a publicly held corporation's distributive share of a partnership's deduction for the compensation expense attributable to the compensation paid by the partnership after December 18, 2020. Internal Revenue Code section 162(m) limits the annual compensation expense deduction available to publicly traded companies to \$1 million for certain "covered employees."

Severance Benefits. None of the Company's NEOs have any arrangements that provide for payment of severance benefits.

Non-Qualified Deferred Compensation. The Company does not provide any non-qualified defined contribution or other deferred compensation plans.

Post-Employment Compensation. All of the Company's employees, including its NEOs, are employees-at-will and as such do not have employment contracts with the Company. The Company does not provide post-employment health coverage or other benefits.

Change in Control. None of the Company's NEOs are entitled to any payment upon a change in control of the Company. However, the vesting of Restricted Common Stock grants is subject to acceleration upon a change in control of the Company or in the event of the death or disability of the recipient. As of December 31, 2020, non-vested restricted stock awards for the NEOs were as shown in the "Outstanding Equity Awards at Fiscal Year-End" table in this Proxy Statement.

Perquisites and Other Benefits. The Company's NEOs do not receive benefits that are not otherwise available to all of its employees. All employees who participated in the 401(k) plan received a matching contribution equal to 100% of the first 3%, and 50% of the next 2%, of the participant's eligible earnings that were contributed to the plan, up to a maximum matching contribution of \$11,400. Additionally, the Company may make a discretionary contribution annually for each participant in an amount, if any, as determined by the Company, and no such contributions were made in 2020.

The Company has provided each of the NEOs with an indemnification agreement, however, the Company has paid no amounts under such agreements.

The Company has a non-qualified Employee Stock Purchase Plan ("ESPP") in which certain employees and all the Directors may participate. Participants may acquire up to \$250,000 of Common Stock annually through the ESPP at a 15% discount. Discounts on such stock purchases are not considered a perquisite and are not included in the Summary Compensation Table as such discount is available to all salaried employees who elect to participate in the ESPP.

2021 Executive Compensation. Effective February 9, 2021, Mr. David Eldersveld was appointed Executive Vice President, Chief Legal Officer and Corporate Secretary and became a NEO. On February 8, 2021, the Compensation Committee approved the 2021 Base Salaries of \$600,000 for Ms. Nader and \$395,300 for each of Mr. Seavey, Mr. Waite, Mr. Maynard and Mr. Eldersveld. On February 8, 2021, the Compensation Committee approved the Executive Bonus Plan for 2021 (the "2021 Plan"). Information regarding the 2021 Plan was filed on Form 8-K with the SEC on February 10, 2021. Under the 2021 Plan, the annual 2021 Cash Bonus potential is based on the achievement of certain performance targets. The total 2021 Cash Bonus potential under the 2021 Plan is as follows:

Name	Title	Bonus Potential
Marguerite Nader	President and Chief Executive Officer	290% of annual salary
Paul Seavey	Executive Vice President and Chief Financial Officer	220% of annual salary
Patrick Waite	Executive Vice President and Chief Operating Officer	220% of annual salary
Roger Maynard	Executive Vice President - Investments	220% of annual salary
David Eldersveld	Executive Vice President and Chief Legal Officer	220% of annual salary

Under the Plan, payment of 70% of the 2021 Cash Bonus potential is contingent upon the achievement of certain operational targets, including goals related to core community base rental income, core resort base rental income, site and member optimization, core net operating income and expense control, and working capital. The Compensation Committee will have discretion at the end of 2021 to determine an appropriate award based on an evaluation of each of the established goals. Payment of the remaining 30% of the 2021 Cash Bonus potential is at the discretion of the Compensation Committee based on its assessment of various strategic initiatives established for the NEOs, as a whole, including the discretion to apportion the

aggregate discretionary bonus amount amongst the eligible executives. The amount paid to each NEO is subject to the discretion of the Compensation Committee. In addition, if the NEOs exceed by specified amounts certain operational targets relating to core community base rental income and core resort base rental income, the total 2021 Cash Bonus potential may be increased by up to an additional \$292,244, which would be shared amongst the NEOs. 2021 Cash Bonus payments will be made in cash and will be paid subsequent to the year ending December 31, 2021 after finalization of the Company's results of operations and upon review and approval by the Compensation Committee.

On February 8, 2021, the Compensation Committee approved the 2021 Restricted Stock Award (the "2021 Award") in accordance with and pursuant to the authority set forth in the 2014 Equity Incentive Plan. On February 9, 2021, the NEOs were awarded 99,764 shares of Restricted Common Stock in accordance with the 2021 Award as follows: Ms. Nader was awarded 28,516 shares, Mr. Seavey was awarded 22,532 shares, Mr. Waite was awarded 22,532 shares, Mr. Maynard was awarded 12,426 shares and Mr. Eldersveld was awarded 13,758 shares. The number of shares of Restricted Common Stock awarded was determined by dividing the dollar value of the award by the closing price of the Company's Common Stock on February 9, 2021, or \$63.78 per share. 50% of the 2021 Stock Awards are time-based and will vest in equal annual installments on January 31, 2022, January 27, 2023, and January 26, 2024, subject to satisfaction of continuous employment by the NEO during such explicit service period (the "Service Period Requirement"). The time-based portion of the 2021 Awards have a Grant Date Fair Value of \$63.78 per share. The remaining one-half of the 2021 Awards provide for performance-based vesting and will vest in equal annual installments on January 31, 2022, January 27, 2023 and January 26, 2024, subject to the satisfaction of the Service Period Requirement and the performance conditions to be established by the Compensation Committee at the beginning of each performance period in 2021, 2022 and 2023. Effective February 9, 2021, the Compensation Committee established the performance conditions for the 2021 performance period as follows: "Achieve Normalized Funds From Operations ("Normalized FFO") per Common Share (fully diluted) for the year ending December 31, 2021 between \$2.26 and \$2.36."

EXECUTIVE COMPENSATION

Summary Compensation Table

The following table includes information concerning compensation paid to or earned for the year ended December 31, 2020 by the Company's Chief Executive Officer, Chief Financial Officer, and those other persons who were, at December 31, 2020, Executive Officers of the Company, which we refer to as the NEOs.

The Company has not entered into any employment agreements with any of the NEOs. When setting total compensation for each of the NEOs, the Compensation Committee reviews all components of compensation, including equity and non-equity based compensation.

In January 2019, 2020 and 2021, the Compensation Committee approved the final short-term incentive plan Cash Bonus payments for each NEO, with the substantial majority of such payments being based on pre-established performance targets. Such annual performance-based Cash Bonus payments are characterized as "Non-Equity Incentive Plan Compensation - STIP" in the table. As the NEOs did not receive cash bonus payments without performance targets, there are no amounts shown in the "Bonus" column in the table. Total compensation amounts include the fair value of the stock awards granted to the NEOs, with such grants being shown in the table in the year of grant. The number of shares shown in the following tables have been adjusted for our 2-for-1 stock split that was effected by and in the form of a stock dividend on October 15, 2019.

For the years ended December 31, 2020, 2019 and 2018, Base Salary (Salary) accounted for approximately 16%, 19% and 11%, respectively, of total compensation; Equity Compensation (Stock Awards) accounted for approximately 58%, 51% and 65%, respectively, of total compensation; and Cash Bonus (Non-Equity Incentive Plan Compensation - STIP) accounted for approximately 26%, 30% and 24%, respectively, of total compensation.

(1) Effective February 9, 2021, Mr. David Eldersveld was appointed Executive Vice President, Chief Legal Officer and Corporate Secretary. Mr. Eldersveld was not an NEO for 2020, therefore, he is not included in this table.

(2) A substantial majority of the NEO's annual short-term incentive plan Cash Bonus payment is based on pre-established performance targets as communicated to the NEOs at the beginning of each year, and therefore, such amounts are classified as non-equity incentive plan compensation in this table.

(3) These amounts reflect the grant-date fair value of restricted stock awards, calculated in accordance with FASB ASC 718 based on the Company's closing stock price on the grant date. In accordance with FASB ASC 718, the performance-based portion of the 2018 Awards, 2019 Awards and 2020 Awards were deemed granted on the date the performance conditions were approved by the Compensation Committee at the target grant date value as the probability of achievement of the performance target at that time was 100%. For the portion of the awards with a performance period of January 1, 2020 to December 31, 2020, Ms. Nader, Mr. Seavey, Mr. Waite and Mr. Maynard forfeited 484 shares, 394 shares, 394 shares and 217 shares of Restricted Common Stock, respectively, that were scheduled to vest on January 29, 2021. The settlement on these awards is further described in the CD&A section of this Proxy Statement. All holders of Restricted Common Stock receive any dividends paid on such shares whether or not vested.

- (4) There were no stock option awards issued to the NEOs during 2018, 2019 and 2020.
- (5) A substantial majority of the NEOs' annual short-term incentive plan Cash Bonus payment is based on pre-established performance targets as communicated to the NEOs at the beginning of the year, and therefore, such amounts are classified as non-equity incentive plan compensation in this table.
- In February 2020, February 2019, and March 2018, the Compensation Committee approved the 2020, 2019 and 2018 bonus potential and performance targets, respectively. In January 2021, 2020 and 2019, after assessment of the achievement of such performance targets, the Compensation Committee approved and the NEOs received their annual Cash Bonus for each of the years ended December 31, 2020, 2019 and 2018, respectively. See the CD&A section of this Proxy Statement for further discussion of the 2020 performance targets.
- On February 8, 2021, the Compensation Committee approved the 2021 Executive Bonus Plan. Information regarding the 2021 Executive Bonus Plan is included in the CD&A section of this Proxy Statement and in a Current Report on Form 8-K filed with the SEC on February 10, 2021.
- (6) There were no long-term non-equity incentive plan compensation awards granted to the NEOs in 2018, 2019, or 2020.
- (7) Includes employer-matching contributions pursuant to the Equity LifeStyle Properties, Inc. Retirement Savings Plan of \$11,400, \$11,200 and \$11,000 for the years ended December 31, 2020, 2019 and 2018, respectively.

Potential Payments Upon Termination of Employment or Change In Control

None of our NEOs is entitled to any payment upon a change in control of the Company. However, the vesting of Restricted Common Stock awards is subject to acceleration upon a change of control of the Company or in the case of death or disability of the recipient. The number of shares of restricted stock held by our NEO's that was not vested as of December 31, 2019 is shown in the "Outstanding Equity Awards at Fiscal Year-End" table of this Proxy Statement. The NEOs have not been awarded stock options.

CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information for the year ended December 31, 2020 about the relationship of the ratio of the annual total compensation, calculated in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K and SEC guidance (the "Annual Total Compensation"), of our median employee and the Annual Total Compensation of Ms. Marguerite Nader, President and Chief Executive Officer (the "CEO"). For purposes of determining the pay ratio, we considered all active employees as of November 30, 2020, including full-time, part-time and temporary employees.

For 2020, the median of the Annual Total Compensation of all employees of the Company (other than our CEO), was \$23,484 and the Annual Total Compensation of the CEO for purposes of determining the CEO Pay Ratio was \$3,581,705, which amount includes the 2020 Award of 24,758 shares at a grant date fair value of \$73.46 per share, as further described in the "CD&A" of this Proxy Statement. Based on this information, for 2020, the ratio of the Annual Total Compensation of our CEO to the median of the Annual Total Compensation of all employees was estimated to be 152 to 1.

Because the SEC rules for identifying the median employee and calculating the pay ratio permit companies to use various methodologies and assumptions, and to apply certain exclusions and to make reasonable estimates that reflect their employee populations and compensation practices, the pay ratio reported by other companies may not be comparable to the pay ratio that we have reported.

Narrative Disclosure of the Company's Compensation Policies and Practices as They Relate to Risk Management

The Compensation Committee has reviewed the Company's compensation policies and practices and believes it has taken reasonable and appropriate actions to mitigate the risk that the Company's compensation policies and practices would lead to conduct that would have an unintended material adverse effect on the Company. The assessment included a review of the components of the NEO's compensation. For the Base Salary component, the Compensation Committee believes the following mitigates the incentive for risky behavior: (i) Base Salary is a relatively small portion of total compensation for the NEOs, and (ii) the NEOs and employees have signed the Company's Employee Handbook and Business and Ethics Policy agreeing to maintain the highest standards of personal and professional integrity at all times and to comply with the Company's policies and procedures. For the performance-based Cash Bonus, the Compensation Committee believes the following mitigates the incentive for risky behavior: (i) the Cash Bonus targets are tied to near-term operational goals that the Compensation Committee believes promote long-term growth of the Company and increased stockholder value and are not generally susceptible to accounting risk; and (ii) a portion of the Cash Bonus is payable at the discretion of the Compensation Committee. For the Equity Compensation component, the Compensation Committee believes the following mitigates the incentive for risky behavior: (i) the Board has previously established share ownership guidelines for the NEOs to align their interests with those of the stockholders; (ii) the grants and terms of restricted stock are established by the Committee; and (iii) the Committee granted restricted stock rather than options to limit the risky behavior associated with trying to maximize stock price. In addition, there are no formulaic compensation arrangements that could create unintended compensation and the Compensation Committee has the ability to exercise discretion over all pay; the CEO meets regularly with the Compensation Committee and quarterly with the Compensation Committee, Executive Committee, Strategic Planning and Audit Committee chairpersons; the Company's Internal Audit department performs property and other corporate audits to ensure compliance with policies and procedures; the Company maintains a whistleblower hotline; and quarterly disclosure meetings are held with the Executive Officers and senior management for the purpose of allowing full disclosure of information that may impact the financial statements and related disclosures.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee members for the year ended December 31, 2020 were Mr. Calian, Mr. Contis, Ms. Freedman and Ms. Rosenberg. None of the members has ever been an officer or employee of the Company or any of its subsidiaries, and no "compensation committee interlocks" existed during 2020. For a description of certain transactions with Directors or their affiliates, see "Certain Relationships and Related Transactions."

PROPOSAL NO. 3

NON-BINDING, ADVISORY VOTE ON EXECUTIVE COMPENSATION

Section 14A of the Exchange Act requires the Company to allow stockholders an opportunity to cast a non-binding, advisory vote on executive compensation as disclosed in this Proxy Statement. The following proposal, commonly known as a "Say on Pay" proposal, gives stockholders the opportunity to approve, reject or abstain from voting with respect to the Company's fiscal 2020 executive compensation programs and policies and the compensation paid to the named executive officers.

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the SEC's rules and regulations, including the Compensation Discussion and Analysis, the compensation tables and narrative discussion is, hereby approved on a non-binding advisory basis."

As discussed in the "Compensation Discussion and Analysis" section of this Proxy Statement, the primary objectives of our executive compensation program are to attract and retain qualified executive officers who are accountable for the performance of the Company and to promote an ownership mentality among our executive officers. The compensation of our executive officers reflects the success of our management team in attaining certain operational goals which leads to the success of the Company and serves the best interests of our stockholders.

This proposal allows our stockholders to express their opinions regarding the decisions of the Compensation Committee on the prior year's annual compensation to the named executive officers. Your non-binding, advisory vote will serve as an additional tool to guide the Board and the Compensation Committee in continuing to improve the alignment of the Company's executive compensation programs with the interests of the Company and its stockholders, and is consistent with our commitment to high standards of corporate governance.

Vote Required

Non-binding, advisory approval of this Say on Pay Proposal requires the affirmative vote of a majority of the votes cast by stockholders of record. Because the vote on this proposal is non-binding and advisory in nature, it will not affect any compensation already paid or awarded to any named executive officer and will not be binding on or overrule any decisions by the Board; it will not create or imply any additional duty on the part of the Board, and it will not restrict or limit the ability of stockholders to make proposals for inclusion in proxy materials related to executive compensation. To the extent there is any significant vote against our named executive officer compensation as disclosed in this Proxy Statement, the Compensation Committee will evaluate whether any actions are necessary to address the concerns of stockholders. The vote on this resolution is not intended to address any specific element of compensation; rather, the vote relates to the compensation of our named executive officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the SEC.

Board of Directors Recommendation

The Board unanimously recommends a vote "FOR" approval, on a non-binding, advisory basis, of the executive compensation of our named executive officers as disclosed in this Proxy Statement.

- (1) The Operating Partnership is the entity through which the Company conducts substantially all of its operations. Certain limited partners of the Operating Partnership own OP Units which are exchangeable for an equivalent number of shares of Common Stock. The shares of Common Stock beneficially owned includes OP Units that can be exchanged for an equivalent number of shares of Common Stock.
- (2) The amounts shown in this column reflect shares of Common Stock subject to options, which are currently exercisable or exercisable within 60 days of the Record Date.
- (3) In accordance with SEC regulations governing the determination of beneficial ownership of securities, the percentage of Common Stock beneficially owned by a person assumes that all OP Units held by the person are exchanged for Common Stock, that none of the OP Units held by other persons are so exchanged, that all options exercisable within 60 days of the Record Date to acquire Common Stock held by the person are exercised and that no options to acquire Common Stock held by other persons are exercised.
- (4) 33,011 shares of Common Stock are held by the Contis Family Trust and 1,000 shares of Common Stock are held by Mr. Contis in custodial accounts for his grandchildren.
- (5) Includes 291,368 shares of Common Stock beneficially owned by Mr. Heneghan's spouse, as to which Mr. Heneghan disclaims beneficial ownership.

- (9) Includes shares of Common Stock and OP Units with respect to which Mr. Zell has voting and investment power which include the holdings held directly by Mr. Zell (sole power) and the holdings of Samuel Zell Revocable Trust and Samstock/SZRT, L.L.C. (shared power in both cases). Also includes 56,000 shares of Common Stock held by the Helen Zell Revocable Trust ("HZRT") of which Helen Zell, Mr. Zell's spouse, is the trustee. Mr. Zell disclaims beneficial ownership of such shares held by HZRT except to the extent of any pecuniary interest therein. Approximately 3.0 million of such shares of Common Stock which are beneficially owned directly or indirectly by Mr. Zell or by entities controlled directly or indirectly by Mr. Zell are pledged as security for certain loans. The pledging arrangement, which reflects a decrease of approximately 700,000 shares of Common Stock as compared to the amount reported in the proxy statement for the 2020 annual meeting, has been in place for many years, has been closely monitored by our Board, is compliant with our Securities Pledging Policy and has fostered long-term investment by Mr. Zell, who has been Chairman since 1993 and a holder of our equity since our initial public offering in 1993.

In addition to the shares of Common Stock and OP Units set forth above, shares of Common Stock and OP Units are indirectly owned by irrevocable trusts established for the benefit of Mr. Zell and his family, the trustee of which is Chai Trust, a state-regulated corporate trust company. Mr. Zell is not an officer or director of Chai Trust and does not have voting or dispositive power with respect to such shares of Common Stock or OP Units. Mr. Zell disclaims beneficial ownership of such shares of Common Stock and OP Units, except to the extent of any pecuniary interest therein. As reported on Amendment No. 2 to Statement on Schedule 13D filed with the Securities and Exchange Commission on October 23, 2015, Chai Trust and the shares of Common Stock and OP Units over which it has voting and investment power are a separate group for purposes of section 13(d)(3) of the Securities Exchange Act of 1934.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

Why did I receive a notice in the mail regarding Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to the SEC notice and access rules, we have elected to provide access to our proxy materials over the Internet. Accordingly, on or about March 18, 2021, we will begin mailing to all stockholders of record at the close of business on the Record Date a Notice of Internet Availability of Proxy Materials (the "Notice"). All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or may request to receive a set of the proxy materials in printed form by mail or electronically by email at no charge. Instructions on how to access the proxy materials over the Internet and how to request printed copies are included in the Notice.

How can I get electronic access to the proxy materials?

The Notice will provide you with instructions regarding how to:

- View our proxy materials for the Annual Meeting on the Internet; and
- Instruct us to send our future proxy materials to you electronically by email.

Choosing to receive your future proxy materials by email will save us the cost of printing and mailing documents to you and will reduce the impact of our Annual Meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by email will remain in effect until you terminate it.

Who Is Entitled to Vote?

You are entitled to vote your shares of the Company's Common Stock on the Proposals if you held your shares of Common Stock at the close of business on the Record Date. As of the Record Date, a total of 182,299,709 shares of Common Stock were outstanding and entitled to vote. Each share of Common Stock entitles its holder to cast one vote for each matter to be voted upon.

What Is Required to Hold the Annual Meeting?

The presence at the Annual Meeting, virtually or by proxy, of the holders of a majority of the shares of Common Stock outstanding and entitled to vote on the Record Date will constitute a quorum permitting business to be conducted at the Annual Meeting. If you have returned valid proxy instructions or you attend the Annual Meeting and vote virtually, your shares of Common Stock will be counted for purposes of determining whether there is a quorum, even if you abstain from voting on any or all matters introduced at the Annual Meeting.

How Do I Vote?

Your vote is important. Stockholders can vote virtually at the Annual Meeting or by proxy. Stockholders can vote online authorizing a proxy over the Internet by following the instructions provided in the Notice, or if you requested printed copies of the proxy materials, you can also authorize a proxy by using a toll-free telephone number or completing a proxy card and mailing it in the postage-paid envelope provided. Please refer to your Notice or proxy card or the information forwarded by your bank, broker or other nominee to see which options are available to you. If you authorize a proxy over the Internet or by telephone, you do NOT need to return your proxy card. If you authorize a proxy, the individuals named on the proxy card as representatives will vote your shares of Common Stock in the manner you indicate. You may specify whether your shares of Common Stock should be voted for all, some or none of the nominees for Director and whether your shares of Common Stock should be voted for or against the other proposals. Stockholders who wish to vote virtually at the Annual Meeting will need to obtain a proxy from the broker, bank or other nominee that holds their shares of Common Stock of record.

Can I Change or Revoke My Proxy?

Yes, you may change your proxy at any time before the Annual Meeting by timely delivery of a properly executed, later-dated proxy (including Internet or phone proxy) or by voting virtually at the Annual Meeting. You may revoke your proxy by filing a written notice with our Corporate Secretary at our address at any time before the Annual Meeting. The powers of the proxy holders will be suspended if you attend the Annual Meeting virtually and request that they be so suspended. However, attendance (without further action) at the Annual Meeting will not by itself revoke a previously granted proxy.

How Do I Attend the Virtual Annual Meeting?

Broadridge Financial Institutions ("Broadridge") will host the virtual Annual Meeting. In order to attend the virtual Annual Meeting, vote during the Annual Meeting and submit questions, please log into the meeting platform at: www.virtualshareholdermeeting.com/ELS2021 as further described below.

The virtual Annual Meeting will begin promptly at 9:00 a.m. Central Time on Tuesday, April 27, 2021, and online access will begin at 8:45 a.m. Central Time. We encourage you to access the virtual Annual Meeting prior to the start time. Broadridge will have technicians ready to assist you with any technical difficulties you may have accessing the virtual Annual Meeting. If you encounter any difficulties accessing the virtual Annual Meeting during the check-in or meeting time, please call 1-844-986-0822 (US) or 1-303-562-9302 (International).

What Vote is Needed to Approve Each Proposal?

Following are the votes needed to approve each Proposal at the Annual Meeting. For all Proposals a quorum must be present at the Annual Meeting.

- Proposal 1: The affirmative vote of a plurality of all the votes cast by stockholders of record is necessary to elect the nominees for director.
- Proposal 2: The affirmative vote of a majority of all the votes cast by stockholders of record is required to ratify the selection of Ernst & Young as our Independent Accountants for the year ending December 31, 2021.
- Proposal 3: The affirmative vote of a majority of all the votes cast by stockholders of record is required to approve, on a non-binding, advisory basis, the executive compensation of our named executive officers as disclosed in this Proxy Statement.
- Other Matters: The affirmative vote of a majority of all the votes cast by stockholders of record is required to approve any other matters properly presented at the Annual Meeting for stockholder approval.

We will treat abstentions as shares of Common Stock that are present and entitled to vote for purposes of determining the presence or absence of a quorum. Abstentions do not constitute a vote "for" or "against" any matter being voted on at the Annual Meeting and will not be counted as "votes cast." Therefore, abstentions will have no effect on any of Proposals No. 1, 2 and 3, assuming a quorum is present. Broker "non-votes," or proxies from brokers or nominees indicating that such broker or nominee has not received instructions from the beneficial owner or other entity entitled to vote such shares of Common Stock on a particular matter with respect to which such broker or nominee does not have discretionary voting power, will be treated in the same manner as abstentions for purposes of the Annual Meeting. If you are a beneficial owner whose shares of Common Stock are held of record by a broker, your broker has discretionary voting authority under NYSE rules to vote your shares of Common Stock on Proposal No. 2 even if the broker does not receive voting instructions from you. However, under NYSE rules, your broker does not have discretionary authority to vote on Proposals No. 1 and 3 without instructions from you, in which case a broker "non-vote" will occur and your shares of Common Stock will not be voted on these matters. None of the Proposals, if approved, entitle any of the stockholders to appraisal rights under Maryland law.

How is My Vote Counted?

If you properly execute a proxy by mail, telephone or over the Internet, and if we receive it prior to voting at the Annual Meeting, the shares of Common Stock that the proxy represents will be voted in the manner specified in the proxy. If no specification is made, the shares of Common Stock will be voted "**for**" all nominees named in this Proxy Statement for election as director, "**for**" ratification of the selection of Ernst & Young as our Independent Accountants for the year ending December 31, 2021, and "**for**" approval on a non-binding, advisory basis of the executive compensation disclosed in this Proxy Statement. It is not anticipated that any matters other than those set forth in this Proxy Statement will be presented at the Annual Meeting. If other matters are presented, proxies will be voted as recommended by the Board, or if there is no recommendation, in the discretion of the proxy holders. No valid stockholder proposals or nominations were received on a timely basis, so no such matters may be brought to a vote at the Annual Meeting.

Who is Soliciting My Proxy?

This solicitation of proxies is made by and on behalf of the Board. We will pay the cost of solicitation of the proxies. We have retained MacKenzie Partners, Inc. to assist, at a *de minimis* cost, in the solicitation of proxies. In addition to the solicitation of proxies by mail, our Directors, officers and employees may solicit proxies personally or by telephone at a *de minimis* cost.

No person is authorized on our behalf to give any information or to make any representations with respect to the Proposals other than the information and representations contained in this Proxy Statement, and, if given or made, such information and/or representations must not be relied upon as having been authorized, and the delivery of this Proxy Statement shall not, under any circumstances, create any implication that there has been no change in our affairs since the date hereof.

The Audit Committee is responsible for reviewing and approving all material transactions with any related party. Related parties include any of our Directors or Executive Officers and their immediate family members. Our policy regarding related party transactions is outlined in our Business Ethics and Conduct Policy, a copy of which can be found on the Company's website. Our Business Ethics and Conduct Policy requires all Directors, officers and employees who may have a potential or apparent conflict of interest to immediately notify the Company's Executive Vice President, Chief Legal Officer and Corporate Secretary. Further, to identify related party transactions, we submit and require our Directors and Executive Officers to complete Director and Officer Questionnaires identifying any transactions with us in which the Director, Executive Officer, or their family members have an interest.

Corporate Headquarters. We lease office space from Two North Riverside Plaza Joint Venture Limited Partnership, an entity affiliated with Mr. Zell, Chairman of our Board of Directors. Payments made in accordance with the lease agreement to this entity amounted to approximately \$1.6 million for the year ended December 31, 2020, \$1.7 million for the year ended December 31, 2019 and \$1.4 million for the year ended December 31, 2018.

Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act ("Section 16(a)") requires the Company's Executive Officers and Directors, and persons who own more than 10% of the Common Stock, to file reports of ownership and changes of ownership with the SEC and the NYSE. Executive officers, Directors and greater than 10% stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of those forms received by the Company, or written representations from Executive Officers and Directors that no Forms 5 were required to be filed for the fiscal year ended December 31, 2020, all appropriate Section 16(a) forms were filed in a timely manner.

Stockholder Proposals for the 2022 Annual Meeting

Stockholder proposals intended to be presented at the 2022 annual meeting of stockholders must be received by our Corporate Secretary no later than November 18, 2021, in order to be considered for inclusion in the Company's Proxy Statement and on the proxy card that will be solicited by the Board in connection with the 2022 annual meeting of stockholders.

In addition, if a stockholder desires to bring business before an annual meeting of stockholders, which is not the subject of a proposal for inclusion in the Company's proxy materials, the stockholder must follow the advance notice procedures outlined in the Company's Bylaws. The Company's current Bylaws provide that in order for a stockholder to nominate a candidate for election as a Director at an annual meeting of stockholders or propose business for consideration at such annual meeting of stockholders, notice must generally be given to our Corporate Secretary no more than 90 days nor less than 60 days prior to the first anniversary of the preceding year's annual meeting of stockholders. The 2021 Annual Meeting is scheduled for April 27, 2021. Therefore, if a stockholder desires to present a proposal for the 2022 annual meeting of stockholders without seeking to include the proposal in the Company's proxy materials, the Company must receive notice of the proposal no earlier than January 27, 2022 and no later than February 26, 2022. Copies of the Bylaws may be obtained from our Corporate Secretary by written request.

2020 Annual Report

Stockholders are concurrently being furnished with a copy of the Company's 2020 Annual Report and Annual Report on Form 10-K. Additional copies of the 2020 Annual Report and Annual Report on Form 10-K and of this Proxy Statement are available at <https://materials.proxyvote.com/29472R> or by contacting Equity LifeStyle Properties, Inc, Attn: Investor Relations, at Two North Riverside Plaza, Suite 800, Chicago, Illinois 60606 (toll-free number: 1-800-247-5279 or email: investor_relations@equitylifestyle.com). Copies will be furnished promptly at no additional expense.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be "householding" our proxy materials. A single Notice of Annual Meeting of Stockholders ("Notice") will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the impacted stockholders. Once you have received notice from your broker that they will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. **Supplemental Information for the Compensation Discussion and Analysis in the
Proxy Statement for the 2021 Annual Meeting of Stockholders**

**INFORMATION REGARDING NON-GAAP FINANCIAL MEASURES AND RECONCILIATION OF NON-GAAP
FINANCIAL MEASURES TO MOST DIRECTLY COMPARABLE GAAP MEASURES**

The "Proxy Statement Summary" and "Compensation Discussion and Analysis" of this Proxy Statement contain Normalized Funds from Operations ("Normalized FFO"), a non-GAAP financial measure. Funds from Operations ("FFO") is a non-GAAP financial measure. We define FFO as net income, computed in accordance with GAAP, excluding gains or losses from sales of properties, depreciation and amortization related to real estate, impairment charges and adjustments to reflect our share of FFO of unconsolidated joint ventures. Adjustments for unconsolidated joint ventures are calculated to reflect FFO on the same basis. We compute FFO in accordance with our interpretation of standards established by the National Association of Real Estate Investment Trusts ("NAREIT"), which may not be comparable to FFO reported by other REITs that do not define the term in accordance with the current NAREIT definition or that interpret the current NAREIT definition differently than we do. We receive non-refundable upfront payments from membership upgrade contracts. In accordance with GAAP, the non-refundable upfront payments and related commissions are deferred and amortized over the estimated membership upgrade contract term. Although the NAREIT definition of FFO does not address the treatment of non-refundable upfront payments, we believe that it is appropriate to adjust for the impact of the deferral activity in our calculation of FFO.

We define Normalized FFO as FFO excluding non-operating income and expense items such as gains and losses from early debt extinguishment, including prepayment penalties and defeasance costs and other miscellaneous non-comparable items. Normalized FFO presented herein is not necessarily comparable to Normalized FFO presented by other real estate companies due to the fact that not all real estate companies use the same methodology for computing this amount.

We believe that FFO and Normalized FFO are helpful to investors as supplemental measures of the performance of an equity REIT. We believe that by excluding the effect of gains or losses from sales of properties, depreciation and amortization related to real estate and impairment charges, which are based on historical costs and which may be of limited relevance in evaluating current performance, FFO can facilitate comparisons of operating performance between periods and among other equity REITs. We further believe that Normalized FFO provides useful information to investors, analysts and our management because it allows them to compare our operating performance to the operating performance of other real estate companies and between periods on a consistent basis without having to account for differences not related to our normal operations. For example, we believe that excluding the early extinguishment of debt and other miscellaneous non-comparable items from FFO allows investors, analysts and our management to assess the sustainability of operating performance in future periods because these costs do not affect the future operations of the properties. In some cases, we provide information about identified non-cash components of FFO and Normalized FFO because it allows investors, analysts and our management to assess the impact of those items.

Income from Rental Operations, Net of Depreciation

We use income from rental operations, net of depreciation, as an alternative measure to evaluate the operating results of our home rental program. Income from rental operations, net of depreciation, represents income from rental operations less depreciation expense on rental homes. We believe this measure is meaningful for investors as it provides a complete picture of the home rental program operating results including the impact of depreciation, which affects our home rental program investment decisions.

Our definitions and calculations of these Non-GAAP financial and operating measures and other terms may differ from the definitions and methodologies used by other REITs and, accordingly, may not be comparable. These Non-GAAP financial and operating measures do not represent cash generated from operating activities in accordance with GAAP, nor do they represent cash available to pay distributions and should not be considered as an alternative to net income, determined in accordance with GAAP, as an indication of our financial performance, or to cash flows from operating activities, determined in accordance with GAAP, as a measure of our liquidity, nor is it indicative of funds available to fund our cash needs, including our ability to make cash distributions.
