ELS ANNOUNCES CLOSINGS ON SEVEN PROPERTIES COMPLETED 58 CLOSINGS SINCE JULY 1ST

CHICAGO, IL. – September 1, 2011 – On May 31, 2011, Equity LifeStyle Properties, Inc. (NYSE:ELS), through its operating partnership (collectively, the “Company”), entered into purchase and other agreements to acquire a portfolio of 75 manufactured home communities and one RV resort (the “Acquisition Properties”) containing 31,167 sites on approximately 6,500 acres located in 16 states (primarily located in Florida and the northeastern region of the United States) and certain manufactured homes and loans secured by manufactured homes located at the Acquisition Properties for a stated purchase price of \$1.43 billion (the “Acquisition”).

The Company closed on seven of the Acquisition Properties today along with certain manufactured homes and loans secured by manufactured homes located at such Acquisition Properties for a stated purchase price of approximately \$160 million. The purchase price in connection with this closing was funded with: (i) the issuance of 46,207 shares of the Company’s common stock to the seller with an aggregate stated value of approximately \$3 million, (ii) the issuance of 956,255 shares of Series B Subordinated Non-Voting Cumulative Preferred Stock (“Series B Preferred Stock”) to the seller with an aggregate stated value of approximately \$55 million, and (iii) the assumption of approximately \$102 million of mortgage debt secured by the seven Acquisition Properties acquired today.

As of today, the Company has closed on 58 Acquisition Properties during the third quarter of 2011. The timing of the closings is generally consistent with the estimated closing schedule provided in the Supplemental Package posted to our website on July 18, 2011 in the Investor Information section. The Company’s closing of the remaining 18 Acquisition Properties is expected to occur by October 3, 2011 and assumption of the indebtedness thereon is subject to the receipt of loan servicer consents. The Acquisition is also subject to other customary closing conditions. Accordingly, no assurances can be given that the remainder of the Acquisition will be completed in its entirety in accordance with the anticipated timing or at all.

The Company has undertaken a preliminary assessment of the impact of Hurricane Irene on its operations. A number of the Company’s locations on the east coast of the United States were closed during the weekend of August 27th due to power outages and other weather related issues while Hurricane Irene moved north up the east coast. A few properties remain closed and will not be open over Labor Day weekend. We expect that the primary impact to our property operations will be costs to clean-up flood damage and other items such as wind blown debris, falling trees and tree branches as well as reduced transient RV income due to property closures. The Company currently estimates the impact on income from property operations as a result of Hurricane Irene to be less than \$1.5 million.
