These forward-looking statements are subject to numerous assumptions, risks and uncertainties, including, but not limited to:

- our ability to retain and attract customers renewing, upgrading and entering right-to-use contracts;
- our assumptions about rental and home sales markets;
- our assumptions and guidance concerning 2013 estimated net income, FFO and Normalized FFO;

- results from home sales and occupancy will continue to be impacted by local economic conditions, lack of affordable manufactured home financing and competition from alternative housing options including site-built single-family housing;
- impact of government intervention to stabilize site-built single family housing and not manufactured housing;
- effective integration of recent acquisitions and our estimates regarding the future performance of recent acquisitions;
- unanticipated costs or unforeseen liabilities associated with recent acquisitions;
- ability to obtain financing or refinance existing debt on favorable terms or at all;
- the effect of interest rates;
- the dilutive effects of issuing additional securities;
- the effect of accounting for the entry of contracts with customers representing a right-to-use the Properties under the Codification Topic “*Revenue Recognition*,” and
