ITEM 2. ACQUISITION OF ASSETS

Manufactured Home Communities, Inc. and its subsidiaries (the "Company") have acquired or invested in 58 manufactured home communities ("Communities") and park model communities ("Resorts") during the period from January 1, 2004 through April 30, 2004. Of these communities, 30 were reported on Form 8-K dated March 2, 2004, and 28 were reported on Form 8-K dated March 3, 2004. The combined investment in these 58 properties was approximately \$377.4 million.

MANUFACTURED HOME COMMUNITIES, INC.
PROFORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

REQUIRED UNDER ITEM 7(b) OF FORM 8-K

MANUFACTURED HOME COMMUNITIES, INC.
PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
UNAUDITED

The following unaudited Pro Forma Condensed Consolidated Balance Sheet presents the effect of the acquisition of ten properties from Diversified Investments, Inc. ("Diversified"), the NHC Portfolio ("NHC Portfolio"), and O'Connell's, Spring Gulch, Paradise, Twin Lakes, and Lakeside ("Other 2004 Acquisitions"). The Pro Forma also includes the investment of \$29.7 million in preferred equity interest in six entities controlled by Diversified Investments, Inc. and the \$1.4 million investment in the Diversified entities managing these properties (the "Mezzanine Investments"), the \$1.4 million investment in the Lake Myers, Pine Haven, Twin Mills and Plymouth Rock joint ventures ("Joint Ventures"), the payment of a one-time special distribution of \$8.00 per share, and an additional borrowing of \$35 million under the Company's line of credit.

Related to the acquisition of the NHC portfolio, beginning in 1996, a series of partnerships were formed between "NHC" entities and "PAMI" (the former General Partner of NHC) entities. A trial on all claims between NHC and PAMI, including whether NHC had the authority to consummate the transaction with the Company was held on April 15 and 16, 2004. The Company continues to believe in the merit of NHC's claims and defenses. Under the terms and conditions of the partnership agreements, \$69 million was paid to acquire the PAMI entities' interests. Principals of the NHC entities will continue to operate the properties under a management agreement with the Company and maintain a minority equity position in the new entity. The existing dispute is related to the PAMI entities' desire to liquidate their investments. While the possibility of additional litigation and its attendant risks remain, we believe that providing liquidity to the NHC entities to acquire the PAMI interests may assist in resolving the dispute.

The Company, after advice from its legal counsel, believes that there is substantial merit to its' position that the NHC Portfolio transaction is valid. Accordingly, the Company has treated the NHC Portfolio transaction as an acquisition in the financial statements.

The following unaudited Pro Forma Condensed Consolidated Statement of Operations for the year ended December 31, 2003 presents the effect of the following acquisitions as if they had occurred on January 1, 2003: Diversified, NHC, and the Other 2004 Acquisitions; and the income from the Mezzanine Investments and Joint Ventures.

The following unaudited Pro Forma Condensed Consolidated Financial Statements are not necessarily indicative of the results of future operations, nor the results of historical operations, had all the transactions occurred as described above on January 1, 2003.

The unaudited Pro Forma Condensed Consolidated Financial Statements should be read in conjunction with the accompanying Notes to Pro Forma Condensed Consolidated Financial Statements and Combined Statements of Revenue and Certain Expenses (included elsewhere herein).

The Board of Directors of
Manufactured Home Communities, Inc.

We have audited the accompanying combined statement of revenue and certain expenses of the Diversified Investments Companies Portfolio (the Properties) as described in Note 2 for the year ended December 31, 2003. The combined statement of revenue and certain expenses is the responsibility of the Properties' management. Our responsibility is to express an opinion on the combined statement of revenue and certain expenses based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined statement of revenue and certain expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures made in the combined statement of revenue and certain expenses. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the combined statement of revenue and certain expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying combined statement of revenue and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, for inclusion in the Current Report on Form 8-K of Manufactured Home Communities, Inc. as described in Note 1, and is not intended to be a complete presentation of the Properties' combined revenue and expenses.

In our opinion, the combined statement of revenue and certain expenses referred to above presents fairly, in all material respects, the combined revenue and certain expenses as described in Note 1 of the Properties for the year ended December 31, 2003 in conformity with accounting principles generally accepted in the United States.
